Programme: Voter Awareness

Day/Date 24/06/2022/Friday

Village: Sindodi

Indore Institute of Pharmacy organized an awareness programme on 'Voter awareness' in Sindodi Village, Indore on 24/06/2022 in association with NSS.

In democracy, it is not simply enough to inform voters about election dates. In order to help the electorates take an informed decision, it is quintessential to sensitise them about the importance of participating in the electoral process. Moreover, voters need to be educated about the process and made aware of the political parties, their manifestos, backgrounds of the contesting candidates and armed with several other information to help them cast an 'enlightened' vote.

In these context National Service Scheme (NSS) unit of Indore Institute of Pharmacy has conducted a rally of student volunteers to create voting awareness in villagers with the significance to encourage more young voters to actively take part in the election process to create transparent democratic nation.

The program was coordinated by Sports Incharge , Mr. Sukhdev Bamoriya.
