Republic Day 2022

Glimpses of Republic day celebration

India is celebrating the 73rd Republic Day on 26 January 2022. The celebrations this year are special as India is in the 75th year of Independence – being celebrated as ‘Azadi ka Amrit Mahotsav’. Republic Day marks the date on which the Constitution of India came into effect on 26 January 1950. It replaced the Government of India Act (1935) as the governing document of India.

The day was celebrated in our college with great ecstasy. The college building was tastefully decorated with flowerpots and national flags. Loudspeakers were fit. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

On this day, the Director General Shri Arun S. Bhatnagar hoisted the flag in the institute campus. The main attraction of Republic Day celebrations is singing of patriotic songs, speech on freedom fighters, and dance on republic day theme by students. Director General sir spoke a few words about freedom fighters and Corona Warriors. Then the Principal Pharmacy Dr. Dinesh Kumar Mishra has given a speech on how our freedom fighters fought against Britishers. In the end, the program was concluded by distributing sweets and snacks to all the students.

Event Report Republic Day 2020

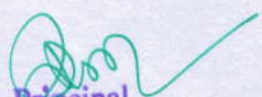

Students' performance on Republic Day

India marks January 26 as its Republic Day every year. In 2020, the country is celebrating its 73rd Republic Day. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic. Dr. BR Ambedkar headed the Drafting Committee of the Constitution. Additionally, Constitution Day is celebrated in India on November 26 every year, as on November 26, 1949, the Constituent Assembly of India adopted the Constitution of India.

The day was celebrated in our college with great ecstasy. The college building was tastefully decorated with flowerpots and national flags. Loudspeakers were fit. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

On this day, the Director General Shri Arun S. Bhatnagar hoisted the flag in the institute campus. The main attraction of Republic Day celebrations is singing of patriotic songs, speech on freedom fighters, and dance on republic day theme by students. Director General sir spoke a few words about freedom fighters and Corona Warriors. Then the Principal Pharmacy Dr. Dinesh Kumar Mishra has given a speech on how our freedom fighters fought against Britishers. In the end, the program was concluded by distributing sweets and snacks to all the students.
