### Gender Equity Policy

17/08/2017

The advancement of women and the achievement of equality between women and men are matters of human rights and conditions for social justice and should not be seen in isolation as a women's issue. Empowered women are the only way to build a sustainable, just, and developed society.

Empowerment of women and gender equity are prerequisites for achieving political, social, economic, cultural, and environmental security in any society, wherein an educational institution plays a pivotal role.

Gender equity is the process of being fair to women and men. Gender equality means that women and men enjoy the same status. Gender equality means that women and men have equal conditions for realizing their full human rights and potential to contribute to national, political, economic, social and cultural development, and to benefit from the results.

In line Indore Institute of Pharmacy has formulated gender equality policy to support the achievement of equality between women and men by providing equal opportunity to both the gender. The institute proposed a vision of "Offering equal opportunity for everyone in the campus; where there is no discrimination on the basis of gender in offering opportunities, in the allocation of resources and benefits or in access to educational services."

The institute has formed a committee to overlook the dissemination of these principals which has following composition –

1. Chairman – Principal
2. Member Secretary – Professor & Equivalent
3. Faculty Members – 2 (One male and one female – Assistant Prof. & above)
4. External Member – Eminent socialist

## Functions of the Committee

1. Ensure provisions of security in campus and residential facilities.
2. Formation of annual action plan to conduct events that sensitize students for gender equity.
3. Counseling at regular intervals by counselors.
4. Grievances, disciplinary action, and termination of employment.
5. Defining the role and position of major stakeholders within the community in relation to the Gender Policy.
6. Establishing a framework for coordinating, monitoring, and evaluating the implementation of the policy.
7. Reviewing and setting up of an enabling legislative and institutional arrangement.

Promote a working environment where all employees are treated with respect and dignity.

Ensure that no-one is disadvantaged by conditions or requirements which cannot be shown to be relevant to performance.

Challenge discriminatory behaviors or attitudes wherever they occur.

Respond swiftly and sensitively to any incidences of discrimination.

Provide any reasonable adjustments for people with disabilities to ensure they have access to our services and employment.

Ensure that employees' religion or beliefs and related observances are respected and accommodated wherever possible where the expression of those beliefs does not impinge on the legitimate rights of others.

Ensure that we take account of the needs of our employees' pregnancy or maternity.

Celebrate a diverse workforce to ensure fair treatment.

## Report on "Guest lecture on Gender Equity and Gender Sensitization"

A Guest lecture on Gender Equity and Gender Sensitization was organized by Indore Institute of Pharmacy, Indore on 27/09/21

Date: 27/09/21

Time: 11:00am

Resource person: Dr. Sonia Tiwari, Associate Professor Dept. of Community Medicine SAMC and PGI Indore, M.P.

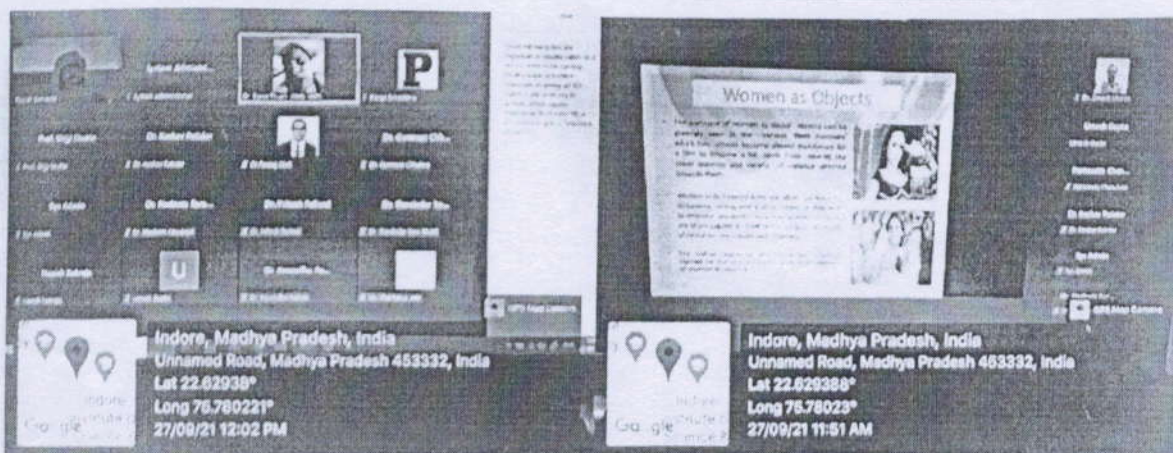

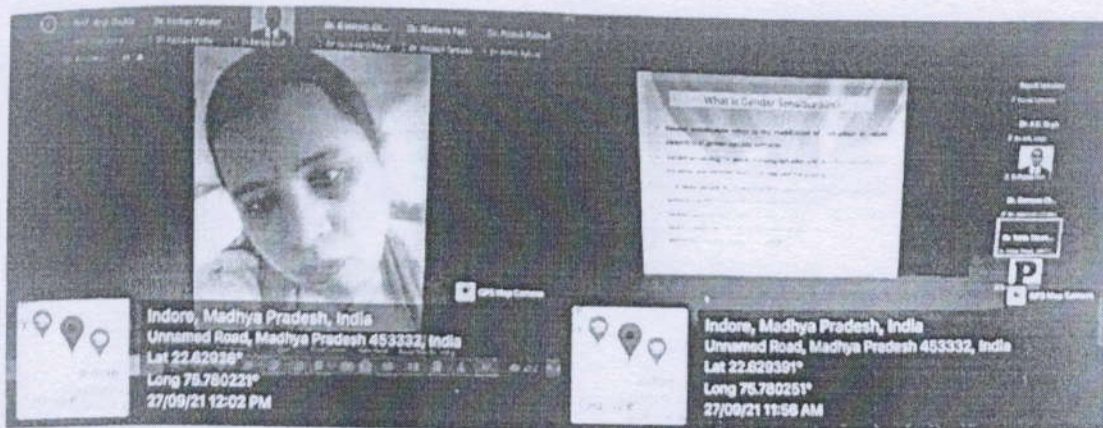

We all are aware that women safety is one big move taken into consideration by most nations. Though why only women, men too are and should be an equal part of it. Gender equity isn't only about women, but men too. To increase the awareness about the subject, Shri Arun S. Bhatnagar, Director General, IIST/IIP/IIMR, Indore welcomed Dr. Sonia Tiwari expert speaker. He explained the importance of educating the younger generation about gender equity and sensitization, also brief about the position of women in society in the ancient era.

The lecture aimed at sensitizing the students and teacher about gender equity, giving head start to those who suffered, securing women at workplace and colleges to compete at par, and to help shift from existing gender stereo types. With time, age, culture, and hierarchy it may vary. Dr. Sonia Tiwari spotted light on 6 different groups of gender equity, places where it needs to be followed and needs to make the coming generation aware about the topic. She also explained how gender sensitization takes place in society, such as socialization, which includes family and society, education, media and language. This leads us to think how much a person's upbringing may affect a person's thought process. More than 100 participants were present at the virtual platform. It was a learning and interactive session for the students as well as faculty members where she answered all the queries put up by the students to their full satisfaction.

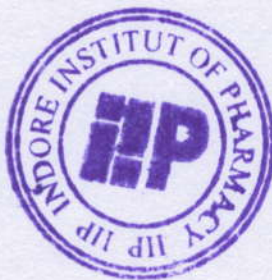

Dr. Simranjeet kaur, Dean Academics IIMR, extended vote of thanks for giving the opportunity to witness such an informative and sensitive subject lecture and also extended gratitude to Director General sir and Dr. Dinesh Kumar Mishra, Principal IIP for organizing the event.

## REPORT ON WOMEN'S DAY CELEBRATION 2022

Preparation of Women's Day Programme had started immediately after identifying the need for Women's motivation towards their duties. The approval for the Women's Day Programme was sought in advance. The circular was circulated among all lady faculty members and girls for their information. The Auditorium was booked well in advance. Finally, Invite cum offer letter was given to the resource person.

### Conception

International Women's Day is celebrated in the world over, every year on the eight day of March. It celebrates womanhood and pays tribute to the indomitable spirit of women across the globe. It's root lies in the early 1900s when oppression and inequality was spurring women to become more vocal and active in campaigning for change.

### Objective

To create awareness of gender equality for a healthy society. Also, The milestone to be reached is the basic information for a girl child in every family education will during awareness among the society which will further result in overall development of nation and its community.

### Details of the Programme

8<sup>th</sup> March, considered as International Women's Day. This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honour, loved and admired. To honor womanhood, Indore Institute of Pharmacy has celebrated the International Women's Day on Tuesday, 8<sup>th</sup> March, 2022 in the IIST campus.

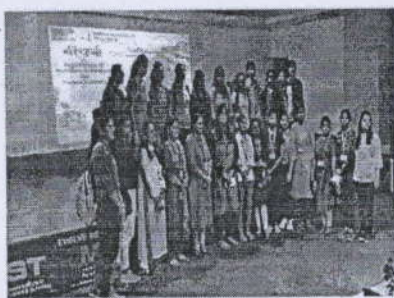

Sports for the lady faculty and Girls students was conducted by department of sports.

### Event Report

#### Republic Day 2022

India is celebrating the 73rd Republic Day on 26 January 2022. The celebrations this year are special as India is in the 75th year of Independence – being celebrated as ‘Azadi ka Amrit Mahotsav’. Republic Day marks the date on which the Constitution of India came into effect on 26 January 1950. It replaced the Government of India Act (1935) as the governing document of India.

The day was celebrated in our college with great ecstasy. The college building was tastefully decorated with flowerpots and national flags. Loudspeakers were fit. Everyone was feeling very patriotic and happy because it was a matter of great pride for all of us. After all, on this day the constitution of India came into force and our country became a republic.

On this day, the Director General Shri Arun S. Bhatnagar hoisted the flag in the institute campus. The main attraction of Republic Day celebrations is singing of patriotic songs, speech on freedom fighters, and dance on republic day theme by students. Director General sir spoke a few words about freedom fighters and Corona Warriors. Then the Principal Pharmacy Dr. Dinesh Kumar Mishra has given a speech on how our freedom fighters fought against Britishers. In the end, the program was concluded by distributing sweets and snacks to all the students.

## Report "World Consumer Rights Day Celebration"

Indore Institute of Pharmacy, Indore celebrated World Consumer Rights Day on 15/03/22. On this event An Expert Lecture on the topic 'Significance of Fair Digital Finance' was conducted for students and Faculty members.

Resource person: Mr. Rajesh Bhandari, M. Com, LLB, MBA (Finance)

Venue: Indore Institute of Pharmacy, Indore

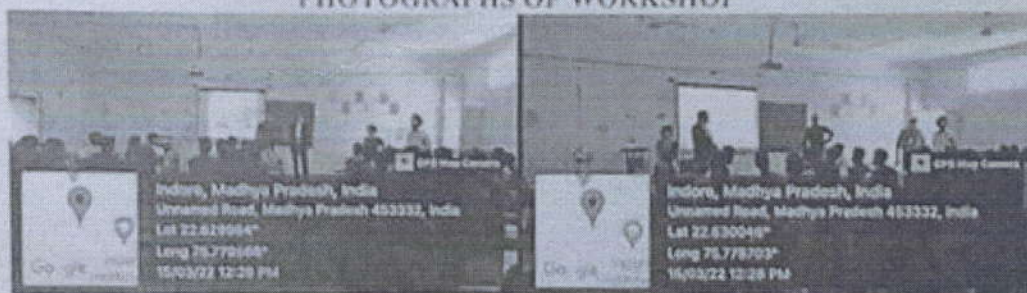

Date & Time: 15.03.2022, 12.15 PM onwards

The Expert lecture commenced with the welcoming remarks of Dr. Dinesh Kumar Mishra, Principal, Indore Institute of Pharmacy, Indore. Before starting the lecture Principal sir narrated the objectives of the lecture. More than 100 participants were present in the lecture. The lecture begins with the understanding the importance of Fair Digital Finance. Coordinator of the event Ms. Arti Majumdar and Ms. Komal Mahajan further clarified the aim of the workshop. World Consumer Rights Day is an annual event that brings the international consumer movement together to celebrate and show support. Participants commemorate the day by supporting all consumers' basic rights, asking that those rights be recognized and preserved, and denouncing market abuses and social injustices that jeopardize those rights.

Distinguished resource person, Mr. Rajesh Bhandari explained the importance of Fair Digital Finance and explained about how World Consumer Rights Day is significant in increasing global awareness about consumer rights and needs. He also cleared the pros and cons of Digital Financing.

At the end of workshop, Ms. Arti Majumdar Coordinator of the event proposed vote of thanks and acknowledged the contribution of eminent speaker, faculty, staff and participants. She also acknowledged the presence of faculty members and staff of IIP.

Director General welcomed Dr. Swarnlata Saraf expert speaker. He explained the importance of educating the younger generation about gender equity and sensitization, also brief about the position of women in society in the ancient era.

The lecture aimed at sensitizing the students and teacher about gender equity, giving head start to those who suffered, securing women at workplace and colleges to compete at par, and to help shift from existing gender stereo types. With time, age, culture, and hierarchy it may vary. Dr. Swarnlata Saraf spotted light on 6 different groups of gender equity, places where it needs to be followed and needs to make the coming generation aware about the topic. She also explained how gender sensitization takes place in society, such as socialization, which includes family and society, education, media and language. This leads us to think how much a person's upbringing may affect a person's thought process. More than 100 participants were present at the virtual platform. It was a learning and interactive session for the students as well as faculty members where she answered all the queries put up by the students to their full satisfaction.

Dr. Rekha Bisht, extended vote of thanks for giving the opportunity to witness such an informative and sensitive subject lecture and also extended gratitude to Director General sir and Dr. Dinesh Kumar Mishra, Principal IIP for organizing the event.

She also explained how gender sensitization takes place in society, such as socialization, which includes family and society, education, media and language. This leads us to think how much a person's upbringing may affect a person's thought process. More than 100 participants were present at the virtual platform. It was a learning and interactive session for the students as well as faculty members where she answered all the queries put up by the students to their full satisfaction.

Dr. Rekha Bisht, extended vote of thanks for giving the opportunity to witness such an informative and sensitive subject lecture and also extended gratitude to Director General sir and Dr. Dinesh Kumar Mishra, Principal IIP for organizing the event.

## INDORE INSTITUTE OF PHARMACY

The International Women's Day was celebrated at Indore Institute of Pharmacy, Indore on 8<sup>th</sup> March, 2019. The purpose of celebrating Women's Day is – To raise awareness about the status and dignity of women among the students. An essay writing competition on Women's day was been conducted in morning and many of the students had participated for that. It was interesting to know that boys have also participated for it. After the completion of essay writing competition, a short program was conducted in the multipurpose hall of our college. At the beginning of program our respected Principal sir Dr. Pankaj Dixit gave a short speech on Women's day. Then some fun events were designed to make the boys realize the women's daily household work and of course to have fun for all. The events included- Sari draping, Hair styling, button stitching. It was a lot of fun. At the end, prize distribution for the winners of essay writing competition was done.

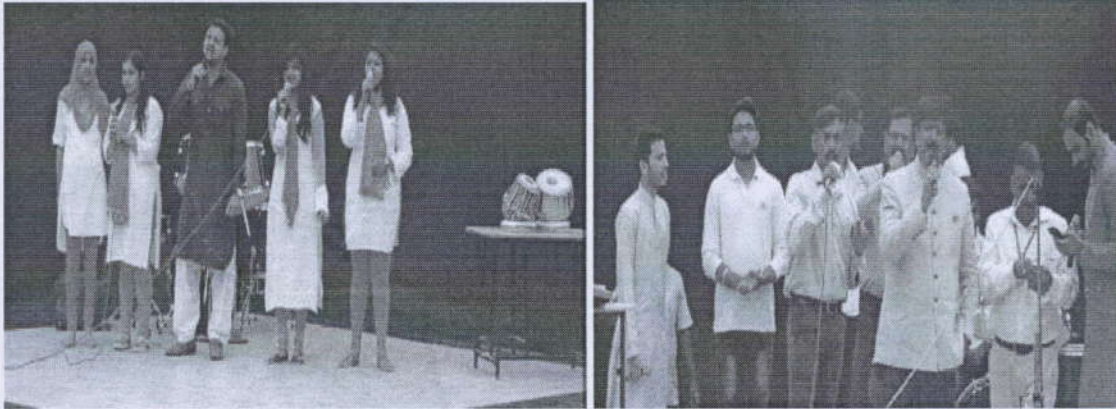

The expert talk began by opening remarks by Dr. Mousumi Kar, Professor, College of Pharmacy, IPS Academy, Indore who discussed on the pros and cons of codifying the customary laws. She stated that "the customary practices should not be codified as in the present form. There are many customs which are not women friendly. They have to be changed or modified before we go ahead with codification of customary practices". The stigma of, "she is a female, she will not be able to work" always is imposed in the context of female aspiring for a leadership role. Chai demanded for removal of this stigma. She was of the opinion that the younger generations need to participate in women empowerment discussions to facilitate concrete recommendations to the Govt. for the welfare of the people as a whole.

### Event Report

### Republic Day, 2020

India celebrates January 26 as its Republic Day every year. While India gained independence from the British Raj in 1947, it wasn't until January 26, 1950, that the Indian Constitution came into effect, and India became a sovereign state, declaring it a republic.

On this 71<sup>st</sup> Republic day, the Director General Shri Arun S. Bhatnagar hoisted the flag in the institute campus. The main attraction of Republic Day celebrations is singing of patriotic songs, speech on freedom fighters, and dance on republic day theme by students. Director General sir spoke a few words about freedom fighters and Corona Warriors. Then the Principal Pharmacy Dr. Dinesh Kumar Mishra has given a speech on how our freedom fighters fought against Britishers.

This year's celebration had an extra edge due to distribution of prizes in various events by students like singing and dancing. Mr. Udeshe Pawar won singing competition and the dances by Pharmacy students were appreciated. The program was concluded by distributing sweets and snacks to all the students.

**Resource Person: Dr. Parizad Elchidana, Manager, ACG World Wide, Mumbai (M.H.)**

We all are aware that women safety is one big move taken into consideration by most nations, though why only women, men too are and should be an equal part of it. Gender equity isn't only about women, but men too. To increase the awareness about the subject, Dr. Joy Benergee, Director welcomed Dr. Parizad Elchidana expert speaker. He explained the importance of educating the younger generation about gender equity and sensitization, also brief about the position of women in society in the ancient era.

The lecture aimed at sensitizing the students and teacher about gender equity, giving head start to those who suffered, securing women at workplace and colleges to compete at par and to help shift from existing gender stereo types. With time, age, culture, and hierarchy they may vary. Dr. Parizad Elchidana spotted light on Women and girls who are bearing the brunt of negative socioeconomic impacts, with an aggravation of existing socioeconomic gender disparities rather than emergence of new inequalities. Challenges facing girls, especially adolescent girls, already have worsened. With schools closed, or pivoted to remote learning, girls' education gains made over the last 25 years are at risk; and their vulnerability to harmful practices has increased – by 2030, a staggering 10 million more child marriages may occur; and global efforts to end female genital mutilation may be set back by at least 30 per cent. Unemployment rates have affected

## A Report on "Guest lecture on Gender Equity and Gender Sensitization"

A Guest lecture on Gender Equity and Gender Sensitization was organized by Indore Institute of Pharmacy, Indore on 16/09/2017

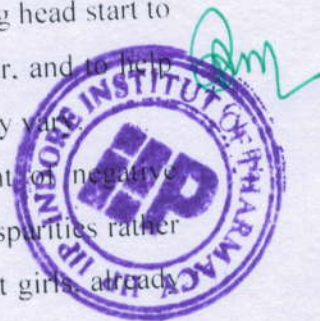

Date: 16/09/2017

Time: 12:00 pm

**Resource Person: Dr. Janak Palta, Head, JM Sustainable Development Center, Indore (M.P.)**

We all are aware that women safety is one big move taken into consideration by most nations, though why only women, men too are and should be an equal part of it. Gender equity isn't only about women, but men too. To increase the awareness about the subject, Dr. Joy Benergee, Director welcomed Dr. Janak Palta expert speaker. He explained the importance of educating the younger generation about gender equity and sensitization, also brief about the position of women in society in the ancient era.

The lecture aimed at sensitizing the students and teacher about gender equity, giving head start to those who suffered, securing women at work place and colleges to compete at par, and to help shift from existing gender stereo types. With time, age, culture, and hierarchy it may vary. Dr. Janak Palta spotted light on Women and girls who are bearing the brunt of negative socioeconomic impacts, with an aggravation of existing socioeconomic gender disparities rather than emergence of new inequalities. Challenges facing girls, especially adolescent girls, already have worsened.
