ESTABLISHMENT OF GREEN WAVES CLUB/ GREEN INITIATIVES

“Learning to live sustainably” is the core idea of constituting “Green Waves” Club. It is not just yet another extracurricular activity but the integral part of the value system followed by **Indore Institute of Pharmacy** to promote awareness not only inside the campus but to the wider world.

Many Green initiatives are started under **Green Waves Club** to conserve the nature at the campus and to inculcate the sense of responsibility towards **Mother Nature** among students and all the staff members.

The club was inaugurated by Hon’ble Chief guest Shri Patanjali (Principal Commissioner of Income Tax, Bhopal) who has worked for cleaning river Ganga and hosted sadhguru during “Rally for Rivers” campaign.

1. Green Waves Club

The novel initiative of launching of “Green Waves” Club at IIP lies in the fact that it moves beyond theories and textbooks aiming at solely concentrating on ‘doing’ to save the mother earth. It is an environmental activity directed to subtly sensitize students, Staff members and others through thought provoking ideas to curtail the mining of natural resources.

Under the dynamic leadership of Shri Arun S Bhatnagar, Director General of IIST/IIP/IIMR, who conceived this novel project and plan to engage the entire group of institutions to take forward this noble cause of saving the environment, the Green Waves Club was inaugurated on 1st July 2018.

Green Waves Club is established with following objectives

1. Conserving bio diversity by planting trees.
2. Cultivating organic vegetables and crops.
3. Say “Big No” to use of plastic bags, bottles and cans.
4. Water harvesting and water management in our day to day usage.
5. Promoting Agro-forestry.

2. Plantation Drives

Since 2018 every year plantation drives are organized and students are instructed to plant a sapling and take care of that sapling for entire

college life. He/She can cherish this memory even after leaving the institute.

Till date around **1504** different varieties of plants have been planted in various parts of campus during Plantation drives on various occasions. Before plantation the varieties are chosen meticulously according to the scientific value of particular plant and then healthy saplings are procured from forests and nursery.

IIP has a lush green campus where variety of trees are planted like Silver oak, variety of fruit Plants, ornamental plants which not only add the aesthetic value to the campus but also prevents soil erosion. This has also led to conserve the biodiversity and new species of birds are seen in the campus.

Scientific methods of Horticultural practices are adopted and organic vegetables are also grown in the campus that is being used in campus canteen.

3. Rain Water Harvesting

4. Vetiver/Khas Plantation around Runnel (Nala)

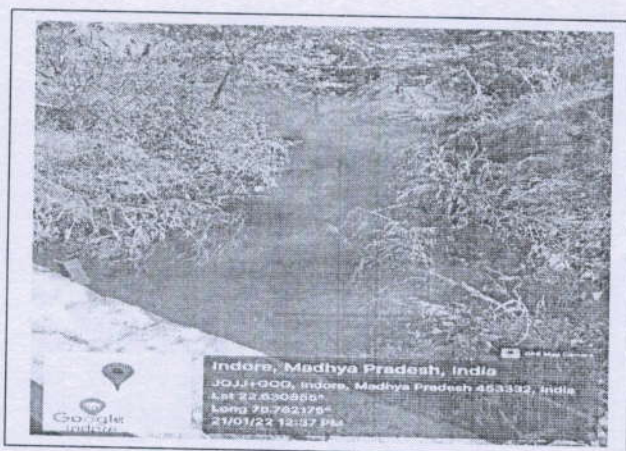

Through the IIP campusa runnel of around 8 Km length is flowing and extended to nearby villages where the water is used mainly for irrigation purpose.

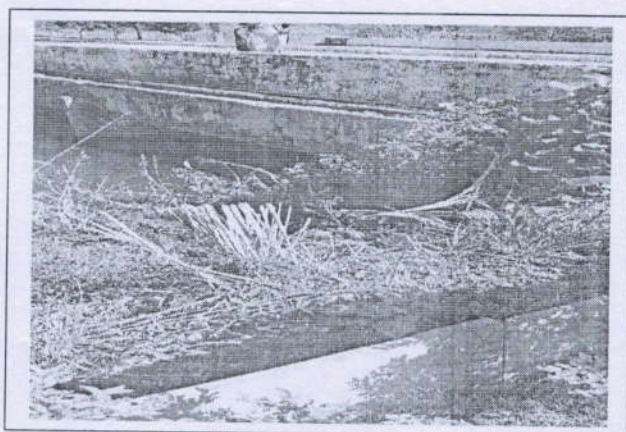

In campus Vetiver/khas plantation is done around the runnel with the idea of soil conservation and to improve the quality of its water.

Vetiver plants play a vital role in watershed protection by slowing down and spreading runoff harmlessly on the farmland, recharging ground water, reducing siltation of drainage systems and water bodies, reducing agro-chemicals loading into water bodies and for rehabilitation of degraded soils. It not only helps us in conserving water and increased water retention but also prevents soilerosion.

The use of vetiver grass has been regarded as a low-cost technology for soil and water conservation; on- and off-farm land and water sources stabilization and remediation of polluted soils; and enhancement of water quality for irrigation purposes when compared with other soil conservation technologies. It could be used as biological pest control and a dynamic tool for mitigating environmental and agricultural problems, thereby enhancing crop yield and supporting all-yearround agricultural cultivation.

Looking into above facts,impacts and resultant benefits vetiver grass is grown around the Runnel at IIP. As a technology it will enhance sustainable agricultural development in the campus as well as in nearby areas.

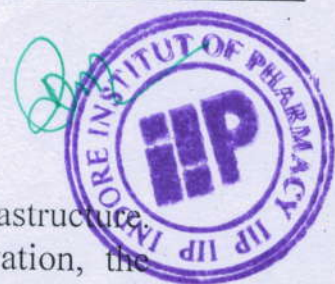

5. Organic Farming

IIP has a sprawling 50 acres lush green campus with beautiful infrastructure. From 2018, in order to improve air quality and resource conservation, the management started the practice of growing organic crops in 10 acres of area which was lying idle and unused. The objective of organic farming in the campus was to produce food of high nutritional grade in sufficient quantity and to use the grown crop in the campus canteen only in order to provide healthy food & vegetables to students & staff. The other objective was to encourage and enhance biological cycles within farming systems-involving microorganisms, soil flora and fauna and to maintain and increase long term fertility of soil without using chemical fertilizers and pesticides.

In the era of increased consumption of junk food, children and especially College going students have developed the habit of consuming unhealthy,

chemically spiced food. It has led to various health issues like obesity and other related problems. To provide healthy food in the college canteen to all its stakeholders is the ultimate object of practicing organic farming in the campus.

IIST launches green webs initiative

A green webs initiative was recently launched by Indore Institute of Science and Technology at college premises. College director General Aun S Bhatnagar said the initiative aims to conserve the plants and to increase awareness regarding plant

conservation among students. He added that about 1000 students planted saplings which are named after them. The reason behind naming was to keep students attached and so that they maintain the plant as well. Bhatnagar said organic farming is

also being done in the college premises and the produce will be used in college canteen. The chief guest of the programme was Bhopal income tax commissioner Shri Patanjali. The plantation drive was followed by felicitation of students excelling in academics.

पर्यावरण संरक्षण के लिए शुरू किया ग्रीन वेक्स क्लब

इंदौर। दीर्घकालिक जीवन की अवधारणा को ध्यान में रखते हुए आईआईएसटी, आईआईपी और आईआईएमभार कॉलेज में ग्रीन वेक्स क्लब की स्थापना की गई है। इसका मुख्य उद्देश्य एकसूत्रा करिबुल एक्टिविटी नहीं, बल्कि कैम्पस के साथ जनता में पर्यावरण संरक्षण के लिए जागरूकता बढ़ाना है। क्लब की संस्था के डायरेक्टर जनरल अरुण एस. भटनागर ने प्रस्तावित किया था। इसका शुभारंभ रैली फॉर रिवर्स कैम्पेन में महत्वपूर्ण भूमिका निभाने वाले आइसक विभाग (भोपाल) के प्रिंसिपल कमिश्नर पतंजलि ने किया। उन्होंने पर्यावरण त्रासदी के पांच तथ्य बताते हुए कहा कि आने वाले समय में देश का हर आठवां व्यक्ति कैन्सर से ग्रस्त होगा। यदि तापमान इसी तरह बढ़ता रहा तो 44 शहरों का अस्तित्व समाप्त हो जाएगा और धूल भी आंधियां चलेगी। कृषि वानिकी ही भूजल स्तर को बनाए रखने का एकमात्र उपाय है।

कॉलेज परिसर में उपलब्ध 6.5 एकड़ कृषि भूमि पर ऑर्गेनिक फार्मिंगका शुभारंभ भी किया। इसमें बोई गई सब्जियों का कॉलेज कैम्पस में प्रयोग किया जाएगा। इस मौके पर प्रतिभावान विद्यार्थियों को सम्मानित

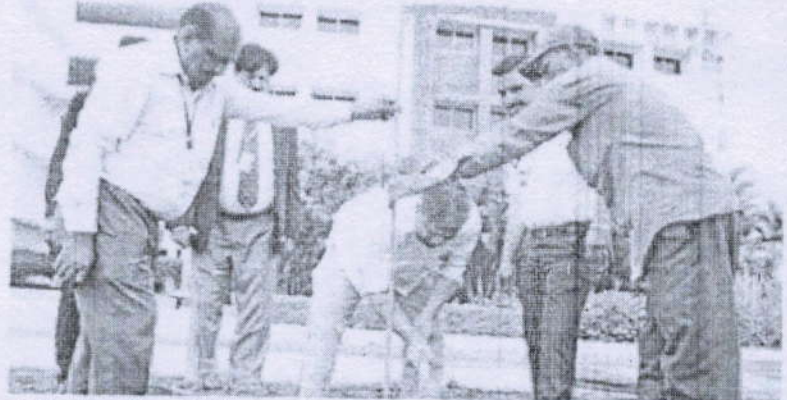

भी किया गया। ग्रीन वेक्स क्लब के तहत पौधारोपण, जैविक खेती, एनास्टिक बैग के इस्तेमाल पर पूर्ण रोक, जल संवर्धन और कृषि वानिकी जैसी गतिविधियां की जाएंगी। प्रिंसिपल डॉ. वीआर एफुडीर, डॉ. संजय जैन व डॉ. मयंक सखसेना ने इस्टीमेट के बारे में जानकारी दी। चीफ एडमिन ऑफिसर मुकेश तिवारी ने परिसर में उपलब्ध सुविधाओं की जानकारी दी। वहीं चीफ स्नेसमेंट ऑफिसर एस किट्टूर ने शत प्रतिशत स्नेसमेंट की जानकारी दी।

इस अवसर पर डेली कॉलेज के बोर्ड ऑफ गवर्नर्स के उपाध्यक्ष देवराज बड़गार, बोर्ड मेंबर संजय पाहवा, अभिमन्यु गढ़, उपप्राचार्य अहमद अंसारी, ओल्ड डेलियर्स एसोसिएशन के अध्यक्ष कृपाल सिंह, कोषाध्यक्ष हर्ष सोमैया, सचिव मयूर सिंह झाबुआ, जैविक खेती के विशेषज्ञ एवं उद्योगपति अंबरीश केला, अनिल वाघ, तथा टी प्रो नामक एनजीओ के सदस्यों ने भी पौधारोपण के कार्यक्रम में हिस्सेदारी की।

आइआइएसटी : ग्रीन वेक्स इनिशिएटिव शुरू

हरियाली बचाने और बढ़ाने के लिए इंदौर इन्स्टिट्यूट ऑफ साइंस एंड टेक्नोलॉजी (आइआइएसटी) में ग्रीन वेक्स अभियान की शुरुआत की गई। इसमें एक साथ सैकड़ों छात्रों ने पौधारोपण किया। कॉलेज के डायरेक्टर जनरल अरुण एस भटनागर ने बताया, कार्यक्रम का मकसद हरियाली को बचाना तथा छात्रों में हरियाली के प्रति जनजागृति लाना है। ग्रीन वेक्स

इनिशिएटिव में छात्रों के नाम के साथ पौधे लगाए जा रहे हैं ताकि पौधों के साथ उनका अटैचमेंट रहे और वे उनकी देखभाल करते रहें। कॉलेज कैम्पस में नीम, कदम, बबूल आदि के पौधे खास तौर पर रोपे गए हैं। इसके साथ ही कॉलेज परिसर में ऑर्गेनिक खेती भी शुरू की गई है, जिसके उत्पाद कॉलेज के कैम्पस में उपयोग किए जाएंगे। इस कार्यक्रम के मुख्य अतिथि भोपाल के इनकम टैक्स कमिश्नर पतंजलि थे। कार्यक्रम को संबोधित करते हुए पतंजलि ने कहा, हरियाली हमारी धरोहर है, चूंकि ये प्रकृति ने हमें मुफ्त दी है, इसलिए हम इसका

महत्व नहीं समझ रहे हैं। कार्यक्रम को संबोधित करते हुए अरुण भटनागर ने कहा, हर छात्र को जीवन में कम से कम एक पौधा लगाना चाहिए। इस मौके पर मेधावी छात्रों का सम्मान भी किया। उन्हें उपहार स्वरूप मोबाइल दिए गए।

सदगुरु ट्रस्ट : जय जयवंती नदी किनारे होगा सघन पौधा रोपण

श्री सदगुरु गुरुकुल विद्यालय ट्रस्ट ने जय जयवंती नदी किनारे पर सघन पौधारोपण का संकल्प लेते हुए ग्रीन सैड की

स्टूडेंट्स के नाम पर लगा रहे पौधे

हरियाली बचाने के लिए ग्रीन वेल्स इनिशिएटिव शुरू

इंदौर, 1 जुलाई. हरियाली बचाने के लिए इंदौर इंस्टिट्यूट ऑफ साइंस एंड टेक्नोलॉजी में ग्रीन वेल्स अभियान की शुरुआत की गई. कार्यक्रम के दौरान एक साथ सैकड़ों छात्रों ने पौधारोपण किया.

कॉलेज के डायरेक्टर जनरल अरुण एम. भटनागर ने बताया कि इस कार्यक्रम का मकसद हरियाली को बचाना तथा छात्रों में हरियाली के प्रति जन जागृति लाना है. ग्रीन वेल्स इनिशिएटिव में छात्रों के नाम के साथ पौधे लगाए जा रहे हैं ताकि पौधों के साथ अटेंचमेंट रहे और उसकी देखभाल करते रहें. पौधारोपण में वही पौधे लगाए गए हैं जिन पर पक्षी आकर बैठे और एक पर्यावरणीय वातावरण तैयार हो सके. नीम, कदम, बबूल आदि के पौधे खास तौर पर रोपे गए हैं. इसके साथ ही कॉलेज परिसर में आर्गेनिक खेती भी शुरू की गई है जिसकी सज्जियां व अन्य उत्पाद कॉलेज के कैंटीन में उपयोग किये जाएंगे. शुरुआत के मुख्य अतिथि भोपाल के इनकम टैक्स कमिश्नर श्री पतंजलि थे. कार्यक्रम को संबोधित करते हुए श्री पतंजलि ने कहा कि हरियाली हमारी भरोहर है चुंकी ये प्रकृति ने हमें मुफ्त दी है इसलिए हम इसका महत्व नहीं समझ रहे हैं. आने वाले समय में ये प्राकृतिक संपदा नहीं रही तो जीवन मुश्किल हो

जाएगा. कार्यक्रम को संबोधित करते हुए श्री भटनागर ने कहा कि हर छात्र की जीवन में कम से कम एक पौधा लगाना चाहिए. पौधों के साथ अटेंचमेंट के लिए इसमें छात्रों के नाम भी लिखे जा रहे हैं.

मेधावी विद्यार्थियों का सम्मान

साथ ही इस अवसर पर मेधावी विद्यार्थियों का सम्मान भी किया गया। यह छात्र इंदौर के आसपास के शहरों के थे। उन्हें कक्षा 12वीं में 70 प्रतिशत से ज्यादा अंक लाने पर सम्मानित किया गया. उपहार स्वरूप इन बच्चों को एक मोबाइल भी प्रदान किया गया. इस कार्यक्रम में सोप्यल कांसट्रेट वेलफेयर सोसायटी का विशेष सहयोग रहा.

Sub: Invitation to deliver a Guest Lecture to the students of IIST/IIMR on the topic
"Sustainable Growth and Students' Responsibility", 16 August, 2019

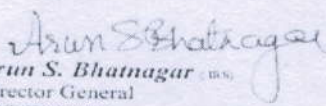

Dear Madam,

We at IIST/IIP/IIMR Indore believe in holistic development of youth by encouraging them to excel in academics as well as to become socio-environmental aware citizen. We are happy to inform you that to promote the sustainable development, enhancement of Green Index and conserving nature through organic farming among our students, we have formed a club named "Green Waves". We have undertaken a project of planting the varieties of plants to enhance biodiversity, prevents soil erosion and retention of ground water at our campus and surroundings.

Our Institute is organizing an Induction Program for its newly admitted students on 16 August 2019 (10:30 AM). On this occasion, we cordially invite you to solicit your gracious presence as Chief Guest & to deliver the expert lecture on the topic, "Sustainable Growth and Students' Responsibility" and Plantation Drive with students.

I will be extremely grateful if you could grace the occasion. Looking forward to your confirmation.

Best Regards,

Arun S. Bhatnagar (IRS)
Director General
IIST/IIP/IIMR

Green Wave Club report 2021-2022

In this year we organized conservation pledge program for Indore institute of Pharmacy students. The detail of the program as follows.

1. **Tree plantation:** Students of Indore institute of science and technology planted various types of trees.

 December 14th
National Energy Conservation Day

B.Tech. | M.Tech. | D.Pharm | B.Pharm | M.Pharm
 BBA | BBA(FT) | B.Com.(Hons) | B.Sc.(Math, CS, Stat) | MBA
 IIST Campus, Opp. IIM(Indore), Rau-Pithampur Road, Rau, Indore 459331
 info@indoreinstitute.com | www.indoreinstitute.com | 1800 103 3069

2. Conservation Pledge:

CONSERVATION PLEDGE

Complete this pledge and do your part to conserve natural resources and protect the natural areas that we are so lucky to have here in India

I promise to do my best to:

Water Conservation

- ☞ turn off the water while brushing my teeth.
- ☞ take short showers instead of baths.

Energy Conservation

- ☞ turn off the lights when the room is not being used.
- ☞ not stand and hold the refrigerator door open.
- ☞ turn off computers, monitors and games when not in use.

Waste Reduction

- ☞ RECYCLE! At home and on the go. Recycling helps to save energy and natural resources.
- ☞ get reusable shopping bags and have the family use them when shopping.
- ☞ pack my lunch in a reusable bag or container.

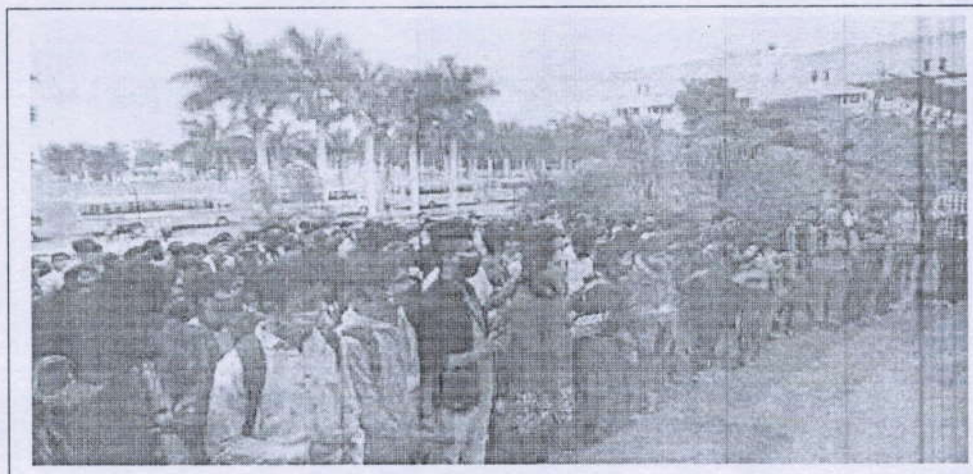

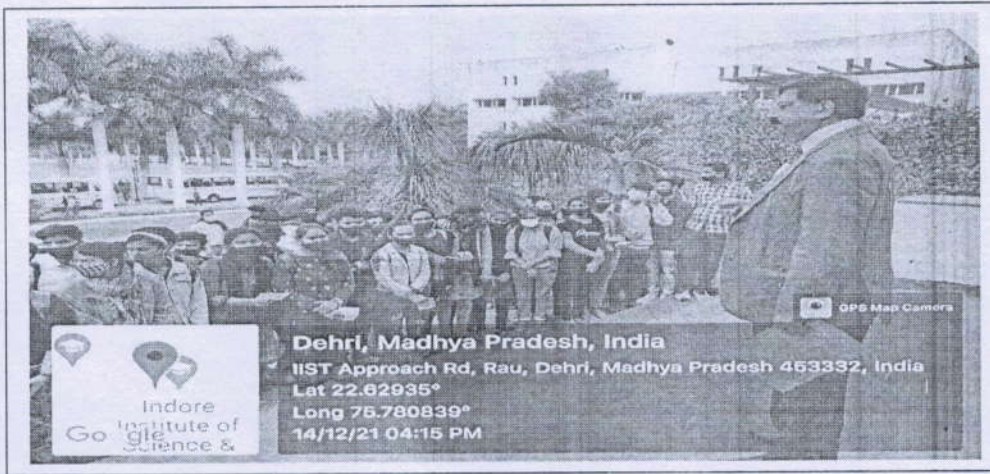

Air Quality

- ☞ bike or walk instead of riding in the car.
- ☞ ride the bus or carpool.
- ☞ ask parents about natural cleaning instead of using chemicals.

Land/Natural Area Protection

- ☞ pick up trash in my neighborhood.
- ☞ not throw trash on the ground.

Conservation Pledge under green wave club
