GOOD LABORATORY PRACTICES & SAFETY MEASURES

For B Pharm second year students, a 30 hr certificate course, SIG, on Good Laboratory Practices & Safety Measures was organised. The SIG was inaugurated by Honourable DG Sir. One week SIG consists of various modules. The SIG was conducted to enhance the basic knowledge of student's accordance to GLP. It enhanced student's knowledge on GLP guidelines. It also helped them understanding the industry specific implementation and conduction of GLP. Understanding the basic documentation of analytical methods was also accomplished. Along with GLP they also became aware about the safety measures employed in laboratories.

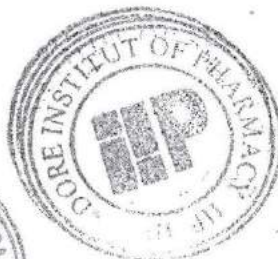

The SIG was inaugurated on 10th October 2022 by Principal Sir, all faculty members and students. After formal inauguration Module 1 was started by Expert Mr. Sachin Bathma MD in AASRA. He gave brief introduction of GxP to students explaining its purpose and importance in pharmaceutical industry.

Module 2 was taken by Dr. Gurmeet Chhabra explaining importance of GLP in pharmaceutical industries. Then Module 3 was taken by Mr. Gaurav Sarsodiya in which he explained about handling of chemicals and also dealing with the hazardous substances. Further Modules were taken by Dr. Priya Jain & Ms. Saloni Yadav as per the schedule in which she explained about glasswares including its handling, cleaning and drying. The module is consisting of both theory and practical exposure to students. The faculties conducted some practical training related to glassware handling, calibration, basic laboratory techniques etc. This benefitted the students to understand the concept thoroughly.

The expert from industry is Mr. Sachin Bathma MD Axiom Analytical Service & Recruitment Agency. All industry and academic experts explained students about GLP and its implementation in industry and laboratories. All also discussed about various safety measures to be taken in pharmaceutical industries.

All modules helped students to understand the working in laboratory and industry. Online assessment was taken from students. Students were benefitted by providing those certificates at the end of the SIG. Also feedback were taken by them to know their views and any suggestions from them. The One week SIG was successfully completed on 17th October 2022.
