## RAJIV GANDHI PROUDYOGIKI VISWAVIDYALAYA BHOPAL

Established under Act. No. 13 of 1998

**Ordinance No. 19 (B)**

**(Section 40 (1))**

**Ordinance of Master of Pharmacy**

**Two Years Post Graduate Degree Course**

**(For the Candidates admitted in 1<sup>st</sup> year on and after July, 2021)**

**(Under Credit Based Semester System applicable from July, 2021.**

**(Approved on 22 July, 2021)**

### 1. Short Title and Commencement:

These regulations shall be called as "The Revised Regulations for the Master of Pharmacy (M. Pharm.) Degree Program – "Credit Based Semester System (CBSS)". They shall come into effect from the Academic Year 2021-22. The regulations framed are subject to modifications from time to time by the authorities of the university.

### 2. Minimum qualification for Admission:

2.1 Candidate should pass in B. Pharm. Degree examination of an Indian university established by law in India from an institution approved by Pharmacy Council of India and has scored not less than 55 % of the maximum marks (aggregate of 4 years of B. Pharm.). Candidates belonging to SC/ST categories will get relaxation as per the norms of State Government of Madhya Pradesh.

2.2. Applicants possessing valid GPAT score shall be given preference over to those candidates who do not possess GPAT score.

2.3 The admissions to M. Pharm. course shall be governed by the rules of the Technical Education and Skill Development Department, Government of Madhya Pradesh, Bhopal and/or any other competent authority authorized by the State government of Madhya Pradesh for this purpose.

2.4 Every student, selected for admission to post graduate pharmacy program should have obtained registration with the State Pharmacy Council or should obtain the same within one month from the date of his/her admission, failing which the admission of the candidate shall be cancelled.

Note: It is mandatory to submit a migration certificate obtained from the respective university where the candidate had passed his/her qualifying degree (B. Pharm.)

### 3. Duration of the program:

The program of study for M. Pharm. shall extend over a period of four semesters (two academic years).

#### 4. Medium of instruction and examinations:

Medium of instruction and examination shall be in English.

Working days in each semester shall consist of not less than 100 working days. The odd semesters shall be conducted from the month of June/July to November/December and the even semesters shall be conducted from the month of December/January to June / July in every calendar year.

#### 5. Attendance and progress:

A candidate is required to put in at least 80 % attendance in individual courses considering theory and practical separately. The candidate shall complete the prescribed course satisfactorily to be eligible to appear for the respective examinations.

#### 6. Program/Course credit structure:

As per the philosophy of Credit Based Semester System, certain quantum of academic work viz. theory classes, practical classes, seminars, assignments, etc. are measured in terms of credits. On satisfactory completion of the courses, a candidate earns credits. The amount of credit associated with a course is dependent upon the number of hours of instruction per week in that course. Similarly, the credit associated with any of the other academic, co/extracurricular activities is dependent upon the quantum of work expected to be put in for each of these activities per week/per activity.

##### 6.1 Credit assignment:

6.1.1 Theory and Laboratory courses are broadly classified as Theory and Practical. Theory courses consist of lecture (L) and Practical (P) courses consist of hours spent in the laboratory. Credits (C) for a course is dependent on the number of hours of instruction per week in that course, and is obtained by using a multiplier of one (1) for lecture and a multiplier of half (1/2) for practical (laboratory) hours. Thus, for example, a theory course having four lectures per week throughout the semester carries a credit of 4. Similarly, a practical having four laboratory hours per week throughout semester carries a credit of 2.

6.1.2 The contact hours of seminars, assignments and research work shall be treated as that of practical courses for the purpose of calculating credits. i.e., the contact hours shall be multiplied by 1/2. Similarly, the contact hours of journal club, research work presentations and discussions with the supervisor shall be considered as theory course and multiplied by 1.

#### 7. Minimum credit requirements:

The minimum credit points required for the award of M. Pharm. degree is 95. However, based on the credit points earned by the students under the head of co-curricular activities, a student shall earn a maximum of 100 credit points. These credits are divided into Theory courses, Practical, Seminars, Assignments, Research work, Discussions with the supervisor, Journal club and Co-Curricular activities over the duration of four semesters. The credits are distributed semester-wise. Courses generally progress in sequence, building competencies and their positioning indicates certain academic maturity on the part of the learners. Learners are expected to follow the semester-wise schedule of courses given in the syllabus.

## 8. Examinations/Assessments

**8.1 End Semester Examinations :** The End Semester Examinations for each theory and practical course through semesters I to IV shall be conducted by the university except for the subject with asterix symbol (\*) in table I and II for which examinations shall be conducted by the subject experts at college level and the marks/grades shall be submitted to the university

### 8.2 Internal assessment: Continuous mode:

The marks allocated for Continuous mode of Internal Assessment shall be awarded as per the scheme given below.

Table – 1: Scheme for awarding internal assessment: Continuous mode

Theory	
Criteria	Maximum Marks
Attendance (Refer Table – 2)	8
Student – Teacher interaction	2

where  $C_1, C_2, C_3, \dots$  is the total number of credits for semester I, II, III... and  $S_1, S_2, S_3, \dots$  is the SGPA of semester I, II, III, .....

**17. Declaration of class:**

The class shall be awarded on the basis of CGPA as follows:

First class with distinction: CGPA of 7.50 and above

First class: CGPA of 6.00 to 7.49

Second class: CGPA of 5.00 to 5.99.

**18. Project work:**

All the students shall undertake a project under the supervision of a teacher in Semester III and IV and submit a report. One copy of the project report shall be submitted to University.

The external examiner appointed by the University shall evaluate the project at the time of the Practical examinations in consultation with internal.

**19. Award of Ranks:**

Ranks and Medals shall be awarded on the basis of final CGPA. However, candidates who fail in one or more courses during the M. Pharm program shall not be eligible for award of ranks. Moreover, the candidates should have completed the M. Pharm program in minimum prescribed number of years, (two years) for the award of Ranks.

**20. Award of degree:**

Candidates who fulfill the requirements mentioned above shall be eligible for award of degree during the ensuing convocation.

**21. Duration for completion of the program of study:**

The duration for the completion of the program shall be fixed as double the actual duration of the program and the students have to pass within the said period, otherwise they have to get fresh Registration.

**22. Revaluation/Retotaling of answer papers:**

As per the prevailing norm of University.

Condonation of Deficiency: One grace mark will be given to the candidate who is either failing a semester or missing distinction/ first division by one mark, on behalf of the Vice Chancellor in the M. Pharm. examination.

  
Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

**23. Re-admission after break of study:**

Candidate who seeks re-admission to the program after break of study has to get the approval from the university by paying a condonation fee. At any time of course a student can have a maximum break of two years only.
