

**3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge (patents filed, published, incubation center facilities in the HEI to be considered)**

The institution has created a strong ecosystem that fosters innovation, supports knowledge creation, and facilitates its transfer through structured initiatives. It has a research policy to create a structured and supportive framework that encourages and enhances research and innovation.

One of the key initiatives includes the establishment of an **Incubation Centre**, providing state-of-the-art infrastructure, mentorship, and financial assistance to budding entrepreneurs and start-ups. Such set up at institute level support the new ideas of students and the institute has earmarked funds to the tune of 10 lakhs for Indore Institute of Pharmacy. The centre enables **interdisciplinary collaborations** and **industry-academia partnerships** to transform ideas into market-ready solutions.

The institution is proactive in encouraging research through the filing and publication of **patents**. Its intellectual property files and published over the years have been significant, demonstrating commitment to intellectual property protection and innovation.

Mechanisms of knowledge transfer to bridge the gap between research and industry include **MoUs** with leading organizations. In this manner, the institution nurtures a culture of innovation and entrepreneurship that enables stakeholders to contribute to economic growth and societal progress.

This holistic approach has positioned the institution as a centre of innovation, knowledge creation, and technology transfer.

**3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge.**

## Event Report

### Car Rally and Guest Session- Women's Day Celebration 2024

Date of Event: 09<sup>th</sup> March., 2024

Time: 9:00 AM Onwards

Venue- Auditorium I

Expert- Women Empowerment & Gender Equity Session

Dr. Renu Jain- Vice Chancellor (DAVV, University)

Ms. Harshika Singh (IAS)- Commissioner, Indore Municipal Corporation

Car Rally Team-

Ms. Shreshtha Goyal and Team- Group Leader (Adventurous Group of Car Rally)

To celebrate the International Women's Day, 2024 IIP has organized a Special Lecture on Women Empowerment & Gender Equity Session. The event was graced by Honorable Group Advisor Sir Shri Arun Bhatnagar, Dr. Nimita Manocha (Principal IIP), Dr. Aradhana Chouksey (Principal IIMR), Dr. Keshav Patidar (Principal, IIST), Dr. Puneet Duggal (CEO), Principals of renowned schools (Sathya Sai, Daly College), Dr. Renu Jain- Vice Chancellor (DAVV, University) Ms. Harshika Singh (IAS)- Commissioner, Indore Municipal Corporation came together to begin the light lamping by praying and offering flowers to Goddess Saraswati. The lecture on the theme- "Women Empowerment & Gender Equity Session" was delivered by the Expert, Dr. Renu Jain- Vice Chancellor (DAVV, Indore) and Ms. Harshika Singh (IAS)- Commissioner, Indore Municipal Corporation. Distinguished speakers delivered keynote addresses highlighting the importance of women's empowerment and gender equity in achieving

Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

a more just and equitable society. They emphasized the need for collective action, policy interventions, and cultural shifts to address systemic barriers and biases that hinder women's progress.

Also, IIP hosted an empowering event, **The Women's Car Rally**, aimed at celebrating women's independence, driving skills, and promoting gender equality. 34 teams participated in this event. The event garnered significant attention and participation from both students and faculty members, fostering a spirit of empowerment and solidarity among attendees. Best decorated car for the mentioned theme award was presented to Rashmi Saji.

**On this occasion following guest were felicitated for their Commendable work.**

1. Academic Laureate Award for Excellence in Education: Shishukunj
2. Scholarly Luminary Award for Educational Innovation: Daly College - Ms Gungal Bindra Man
3. Academic Pinnaele Award for Excellence in Academia: Satya Sai Vidya
4. Academic Apex Award for Leadership in Learning: Isabel Swamy
5. Academic Virtuoso Award for Outstanding Contribution towards education - Ms. Anamika Singh
6. Academic Distinction Award for Contribution to Academic Arena: Ms. Punita Nehru

## A Report on National Science Day

**Date:** 28/02/2024, 2:30 pm onwards

**Venue:** Seminar Hall, IIP

### **INTRODUCTION:**

The Science Day Quiz Competition was organized by Indore Institute of Pharmacy to commemorate National Science Day on February 28, 2024. The event aimed to promote scientific knowledge and awareness among participants from various age groups. The competition was structured to engage participants in an intellectually stimulating environment while fostering a spirit of camaraderie and learning.

### **PARTICIPANTS:**

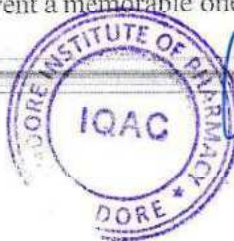

The competition witnessed enthusiastic participation from students. Participants were divided into 5 teams, ensuring a diverse mix of knowledge and expertise.

### **FORMAT:**

The quiz competition comprised multiple rounds featuring questions covering a wide spectrum of scientific disciplines, including physics, chemistry, biology, and general scientific knowledge. The format included multiple-choice questions round, pictorial round and rapid fire/ buzzer round to assess participants' depth of understanding and critical thinking abilities.

### **CONCLUSION:**

The Science Day Quiz Competition proved to be a resounding success, accomplishing its objective of promoting scientific curiosity and understanding. Participants left the event inspired and enriched, with a renewed appreciation for the wonders of science. The organizing committee expresses gratitude to all participants, volunteers, and sponsors for their invaluable contributions to making the event a memorable one.

### A Report on "Achieving Problem-Solution fit and Market fit"

**Date:** 24-01-2024:

**Time:** 1:30-3:30 pm

**Venue:** Audi-II, IIST campus

Under the start-up policy, a Workshop was conducted on January 24, 2024 by Indore Institute of Pharmacy, Indore. The topic of the session was "Achieving Problem-Solution Fit & Product-Market Fit." In this session, as a resource person, Mr. Jay Jain (Co-founder Astute Group, President TiE, MP) along with Dr. Aradhana Chouksey (Principal, IIMR) provided all important information related to start-ups development and success of a product or service.

Problem/solution fit refers to the relationship between a problem that needs solving and the solution that addresses that problem. In other words, it's about finding a solution to a problem that your potential customer shaves.

Problem/solution fit is essential because it helps ensure that your product or service addresses a real problem that your potential customers have. You need to have a good problem/solution fit to avoid developing a product or service with a clear purpose or value proposition. This can lead to poor sales and customer retention, resulting in a failed product or service.

On the other hand, having a strong problem/solution fit can lead to better customer acquisition and retention and a higher customer lifetime value. This is because customers are more likely to continue using and recommending your product or service if it solves a problem they have in a meaningful way.

The session commenced with a welcome gesture from the Principal of IIP, Dr. Nimita Manocha, who presented a memento and bouquet to Mr. Jay Jain Sir. The welcome for Dr. Aradhana Chouksey (Principal IIMR) Ma'am was extended by Dr. Rekha Bisht Singh (HoD Pharmacy Practice). In this session, Dr. Aradhana Chouksey conducted brainstorming practices, which led to a significant influx of ideas among the students.

After the session, Shri Arun S Bhatnagar (Hon'ble Group Advisor- SPARSH & SEWS) had a meeting with Mr. Jay Jain Sir. They discussed serious topics related to the establishment of Startup, CARE and Incubation cells for the career growth of students of IIST, IIP, and IIMR.

Group Advisor Sir presented a plantar book as a token of appreciation to Mr. Jay Jain

## INDORE INSTITUTE OF PHARMACY

### REPORT ON NATIONAL STARTUP DAY

Event: National Startup Day

Date: 16/01/2024

Venue: Seminar Hall, Indore Institute of Pharmacy, Indore

National Startup Day is observed annually on 16th January to appreciate and promote the Indian Startup Ecosystem. The Startup India initiative has played a pivotal role in shaping the startup ecosystem in India. Multiple initiatives like the Seed Fund Scheme, Fund of Funds Scheme, Credit Guarantee Scheme for Startups, MAARG mentorship platform, National Startup Awards, State Ranking Framework are some of the key pillars driving the spirit of entrepreneurship.

Programs like ASCEND (Accelerating Startup Calibre & Entrepreneurial Drive) for the North-Eastern region, Women for Startups for women entrepreneurs and Startup Angels for budding angel investors – have fostered and further strengthened the spirit of innovation and entrepreneurship across various ecosystem participants.

Indore Institute of Pharmacy has organized National Startup Day on 16/01/2024 at seminar hall of IIP. Information shared with students regarding various type of startup like, Project based funding is provided to startups and companies for product/technology development under its key Schemes including Biotech Ignition Grant (BIG), Small Business Innovation Research Initiative (SBIRI) and Biotechnology Industry Partnership Programme (BIPP).

The event was inaugurated by Dr. Nimita Manocha, Principal, IIP. Mr. Rajendra Bhanwar briefed about the National Startup policies.

The event was successfully coordinated by Dr. Praveen Sharma (Event Coordinator), faculty members and students participated and coordinated activity enthusiastically.

# Indore Institute of Pharmacy

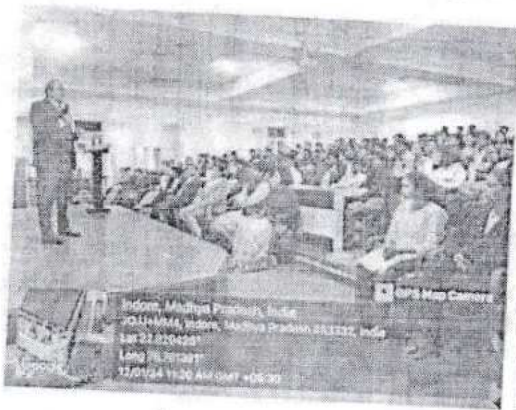

On January 12, National Youth Day, also known as Rashtriya Yuva Diwas, is observed to honor the life and legacy of renowned philosopher and spiritual guide Swami Vivekananda. National Youth Day promotes mindfulness.

National Youth Day or Rashtriya Yuva Diwas is celebrated on 12th January to commemorate the birth anniversary of Swami Vivekananda, one of the greatest philosophers and spiritual leaders. National Youth Day creates awareness and provides knowledge about the rights of people in India. It is a day to educate people to behave properly in the country. The main objective behind the celebration is to make a better future for the country by motivating the youths and spreading the ideas of the Swami Vivekananda.

In commemoration of the National Youth Day, Indore Institute of pharmacy, has organized National Youth Day on January 12, 2024 at 10:00am-12.30 pm. The program was planned and organized under the guidance of **Dr. Nimita Manocha, Principal, IIP**. The event commenced at 10:00am. **Dr. Keshav Patidar, Principal IIST**, **Dr. Aradhana Chouksey, Principal IIMR**, **Prof. Punnet Duggal, CAO, IIST/IIP/IIMR**, HODs and faculty members of IIP were also present in the event. Students actively participated in the events and gained knowledge regarding youth empowerment. The programme came to an end by 12.30am. The program was coordinated by **Dr. Rekha Bisht, HOD, Department of Pharmacy Practice** and **Dr. Sonal Vyas, Assistant Professor, IIP**.

**Surya Namaskar** started at 10: 00 am instructed by the **Dr. Yashwant Bhati, Certified National Yoga Coach**. He briefed the benefits of surya Namaskar. The Surya Namaskar is recognized to enhance immunity and improve vitality; the human body also gets Vitamin D from sun exposure, which is highly advised in all medical specialties worldwide.

The yoga session was followed by motivational session on **exploring personal growth through self-reflection** by **Mr. Abhijet Vyas, Associate Director, Sales and Marketing, Infosys, Indore**. He encouraged the students to learn new technologies such AI. He also had interactions with students about their goals and answered their queries also.

## Institution's Innovation Council (IIC) Activity Report

### National Pollution Control Day An innovative Public Awareness Drive 2<sup>nd</sup> December 2023 (Saturday)

**Objective:- To pay homage to the victims of Bhopal gas tragedy and sensitize general public about the harms of various pollutions and thus learn from our past mistake**

National Pollution Control Day is observed in memory of those who lost their lives in the Bhopal Gas tragedy on 2nd December 1984. The day aims to bring awareness about the fatalities caused due to polluted water, land, and air. The primary goal of our event was to observe National Pollution Control Day by leveraging the power of social media platforms to raise awareness about environmental issues and encourage individuals to adopt sustainable practices. The day being a non-academic day, the entire event was conducted by the students from the comfort of their home and sensitizing people in their nearby communities.

The students used social media handles of Facebook and Instagram to further spread the word of awareness. Users were encouraged to share their thoughts, experiences, and tips for pollution control using these hashtags. Leveraging the reach of social media influencers in the environmental and sustainability space, some students even collaborated with influencers to share informative content and promote the campaign. This significantly increased our visibility among diverse audiences.

### Celebration of “National Energy Conservation Day”

Indore Institute of Pharmacy, Indore celebrated National Energy conservation day in the campus on 14/12/2023. In the beginning of the program, a lecture on the topic “Significance of Energy Conservation” was delivered by Mr. Ashutosh Kashiv. Through Animation video useful information about ‘ways to conserve energy’ was given to audiences.

Program was followed by the speech of Principal Dr. Nimita Manocha and Chief guest of the program Mr. Y. S. Chouhan (Retd. Executive Engineer MPEB).

At the last, Oath was taken by all the attendees in the presence of chief guest Mr. Y. S. Chouhan (Retd. Executive Engineer MPEB).

Vote of Thanks was given by Ms. Parul Vaishnav. In this program About 20 student volunteers and 10 Faculty members were present.

Report "Expert Lecture on "Topic on Research Methodology Eco-friendly Techniques Using Hydrotrophy, and Mixed Solvency Concept

Indore Institute of Pharmacy, Indore Organized "Expert Lecture on "Topic on Research Methodology Eco-friendly Techniques Using Hydrotrophy, and Mixed Solvency Concept" on 01/12/2023.

Resource person: Dr. R. K. Maheshwari, Ex- Professor & Head Pharmacy Department, SGSITS, MP, India

Venue: Seminar hall , IIP

Date & Time: 01.12.2023, 02:30PM onwards

The expert lecture commenced with the welcoming remarks of Dr. Nimita Manocha, Principal, Indore Institute of Pharmacy, Indore. Before starting the event Principal Madam narrated the objectives of the expert lecture. More than 30 participants were present in the workshop. The workshop begins Hydrotrophy and its scope in research field. How students can work on Hydrotrophy and mixed solvency concept in their research project.

Distinguished resource person Dr. R. K. Maheshwari, explained the importance of by using Hydrotrophy and mixed solvency method to improve drug solubility. She also answered the question by students.

At the end of the session, a memento was presented and vote of thanks was given by our Principal Dr. Nimita Manocha. She also acknowledged the presence of the faculty members and staff of IIP.

We thank Shri Arun S Bhatnagar Sir, Group Advisor SPARSH & SEWS, for continuous support, guidance, and motivation for organizing such events.

## A Report on Health Checkup camp on Explore and field visit for problem Identification

### IIC Activity

Indore Institute of Pharmacy in association with Choithram Hospital & Research Centre at Narlai Village, for the public & school students Narlai and S Village, which is the adopted village by IIST Group of Institutions.

### Field Visit

30 students of B. Pharm II<sup>nd</sup> year and III<sup>rd</sup> year visited village Narlai with three faculty members Mr Gaurav Sarsodia, Mr. Rohit Sahu and Ms Anita Patidar and provide information about health Checkup camp.

### Object

To conduct health checkup camp for villager and to identify their major health issues and provides sufficient information and medicines.

### Activity

We had 15 eminent specialized doctors from Choithram Hospital-:, gynecologist, paediatric, gastroenterologist, orthopaedic, general physician & ENT. Our students and faculties were fully involved in the health check and conducted tests like Blood pressure, blood sugar; Blood group, BMI. There was eye checkup and ENT checkup too. The health camp was conducted from 10 am to 3 pm. Our Honourable director sir inaugurated the camp and principals of IIST and IIMR, Dr Keshav sir and Dr Aradhana Chouksey mam graced the occasion.

Following Dr. were present in Health Camp

1. Dr. Moulshree Sharma (Medicine)
2. Dr. Garima Parsai (Dietition)
3. Dr. Akanksha Pandey (Prdiatrics)
4. Dr. Chaitali Sainkar (OBGY)
5. Dr. Ajay Shrivastava (Orthopaedic)
6. Dr. Anshu Raj (ENT)
7. Dr. Priyank Shah (Gastroenterologist)
8. Dr. MK. Sachin

INDORE (M.P.)

### Survey

A health checkup of 218 Patients was conducted. IIP faculties conducted blood group testing of 75 school students, which was requested by their School principals for records and data and analyzed data

### PROBLEM IDENTIFICATION:

A survey was conducted by our students of IIP during the camp, for determining the status of health condition and awareness of the villagers. Dispense health-related information, distribute medicine for common ailments

They stated:

- Majority of the patients were, above 55 years. Out of which around 60-hypertensive patients;
- 45 Patients are found to diabetic.
- 87 school children were checked for common ailments like cough, cold, poor appetite.
- Evaluate the living conditions and determine the obstacles and challenges to work on solving their problems.

It was noted that the

1. Diabetic and hypertensive patients were not regular and not taking their medications properly as prescribed by the doctor. POOR MEDICAL MANAGEMENT.
2. Unmaintained life style of people.
3. Children had poor health. Many of students were suffering from malnutrition due to taking poor diet.

### SOLUTION PROVIDED.

1. Students of IIP, counseled the patients (-diabetic and hypertensive) On Medication management. They were suggest them to complete the course and take medicines on time and follow routine check up
2. Counseled the patients (-diabetic and hypertensive) on Diet plan and lifestyle management (Exercise)
3. Counseled the students and parents on balanced diet and protein rich diet for ensuring good growth and development of children's (-diabetic and hypertensive)

Approved by All India Council of Technical Education, New Delhi

Sarpanch of Gram Panchayat Narlai was appreciating this Health Checkup camp. He was expressed his thanks to Shri Arun s Bhatnagar, Doctors, and Health Checkup camp Team for conduction of Health Checkup camp. He said that this type of activity is very helpful for the all villagers and improve their health and mental awareness. A health camp conducted fulfilled our role as pharmacists, whereby our students of IIP, counseled the patients on Medication management (specially the diabetic and hypertensive) and its relevance and diet control. Additionally they advised parents on healthy, protein rich diet for children. This is befitting to our purpose of the theme- Patient safety.

**A REPORT ON “MY STORY- MOTIVATIONAL SESSION BY  
SUCCESSFUL INNOVATORS”**

A motivational session was held on 24.11.23 by Shri Arun S. Bhatnagar- Group Advisor (SPARSH & SEWS) under IIC activity.

Date: 24.11.2023, 10:00 am

Venue: Auditorium-2, IIST

Faculty Coordinator- Ms. Shivangi Patidar

Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

## Indore Institute of Pharmacy, Indore

The motivational session led by Shri Arun S Bhatnagar aimed to inspire, enlighten, and empower the audience through a unique blend of wisdom, experience, and motivational insights. The session was organized as part of the Institution's Innovation Council (IIC) activities.

He is a Senior Govt. of India bureaucrat of 1983 batch with overall experience of 45 years. He started his career in 1975 as an Assistant Professor in Economics. After appearing in the All India Civil Services Exam in 1982, he joined IRS in 1983.

Shri Bhatnagar superannuated in 2015 from the post of Principal Commissioner of Income Tax from Delhi, joined corporate sector as an advisor for business development and marketing strategy from 2015 to 2017.

He was appointed as Director General of the group of Indore Educational Institutes i.e. Indore Institute of Science and Technology, Indore Institute of Pharmacy and Indore Institute of Management and Research, in December 2017. He completed executive general management program from Indian Institute of Management, Bangalore as well as certified courses from Duke University and University of Maryland, USA and was awarded for best practices instituted by Ministry of Finance, Govt. of India.

Shri Bhatnagar's hobbies are poetry, meditation, reading and sports. He is about to release collection of his poem "Sancheta Ke Shan". Group Advisor sir has also been Invited as guest

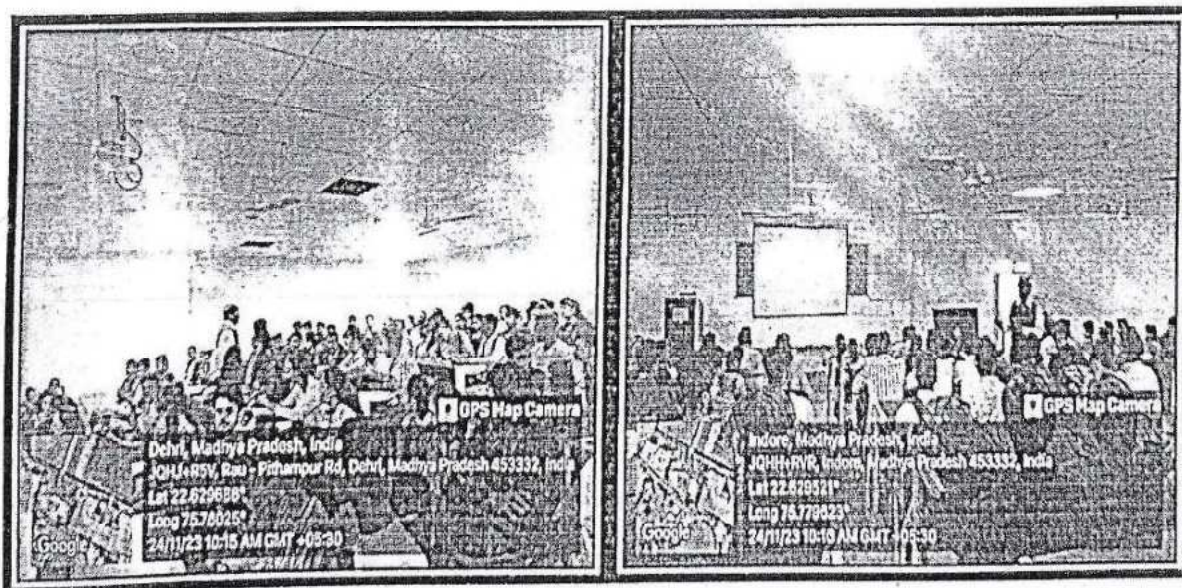

Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

## Indore Institute of Pharmacy, Indore

speaker on themes like 'spiritual management of life and work', 'in pursuit of excellence', 'theory and practice of meditation', 'digital pedagogy', 'how to achieve success in career', 'challenges before Indian economy' etc.

He is differentiated by an uncommon expertise in Economics combined with strong industry acumen, allowing him to view opportunities with a wide lens to identify business drivers, understand complex issues, take action and drive results. He is also a proud recipient of "Captain of Industry " award in the year 2019 by Hon'ble Chief Minister Of MP.

Although Shri Bhatnagar has received numerous accolades for his work and achievements over years, he says his greatest reward is the love, affection and respect he has gained from the students across all disciplines. He is a true visionary who is currently leading IIST Group of Institutions with completely different ideologies with the objective of transforming the youth of today to be better professionals, better entrepreneurs and above all better human beings.

## Indore Institute of Pharmacy, Indore

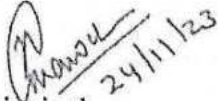

He aimed to inspire, enlighten, and empower the audience through a unique blend of wisdom, experience, and motivational insights. The session was organized as part of the Innovation and Incubation Cell (IIC) activities. The goal was to ignite motivation, boost morale, and foster a positive mindset among the attendees.

A Q&A session followed, allowing participants to seek advice and guidance from those who had navigated similar journeys.

The workshop consisted of time management, stress reduction, and work-life balance were conducted. Breakout sessions addressed specific concerns raised during interactive activities, promoting a personalized approach to overcoming challenges.

Attendees left with a clearer understanding of their goals, a stronger sense of purpose, and a network of like-minded individuals. The event fostered a positive and empowering atmosphere that will hopefully have a lasting impact on the personal and professional lives of those who participated.

**Report "Expert Lecture & Workshop on National Entrepreneurship Day, Topic: Basic Entrepreneurship Workshop"**

Indore Institute of Pharmacy, Indore organized an Expert Lecture & Workshop National Entrepreneurship Day, on 21<sup>st</sup> November 2023. On this event a Guest Lecture & workshop on the topic Basic Entrepreneurship Workshop was conducted for students and Faculty members.

Resource person: Dr. Aradhana Chouksey, Principal IIMR, Indore  
Venue: Seminar Hall – 2, IIST  
Date & Time: 21.11.2023, 11:30AM onwards

The Guest Lecture commenced with the welcoming remarks of Dr. Nimita Manocha, Principal, Indore Institute of Pharmacy, Indore. Before starting the event Principal Madam made the audiences aware of the contribution of Youngsters in the current world and pharma sector. More than 100 participants from UG and PG were present. The lecture begins with an icebreaker quiz.

Expert of the session Dr. Aradhana Chouksey Mam explained that how one should select the business and points to consider during a business idea selection. The workshop aimed to cultivate business-ready professionals and ignite the entrepreneurial spirit among students. The workshop engaged both undergraduate and postgraduate students in activities and quizzes, providing valuable insights into entrepreneurship and business strategies. It was a day dedicated to nurturing the aspirations of budding young entrepreneurs.

We thank Shri Arun S Bhatnagar Sir, Group Advisor SPARSH & SEWS, for continuous support, guidance, and motivation for organizing such events.

**Objective:**

National Education Day embarks on the journey of Maulana Abul Kalam Azad in India. His contribution gives relevant importance today and inspires the student's nation-wide. His contribution to the education sector is highly appreciated and celebrated in India on November 11 every year. It is said that it was Azad's efforts that made India realize the importance of education and why it is every citizen's basic right. He was referred to as Mir-i-Karawan by Jawaharlal Nehru because of his intellectual skills and outstanding personality

### Objectives

To organize a school level event – IDEATHON, this will test the innovative ability of the students. This is an idea generation event and students will prepare their idea and present them via PPT.

### Outcomes

The student from various schools participated in the event. The students were given three broad themes on which they had to prepare their PPTs. All the students were actively involved and used their innovative skills to prepare the solution on the given problem statements and they prepared the PPT for the same in the given format.

**Brief Profile of Judge:** Experience of our esteemed judge Mr. Shivang Trivedi is as follows:

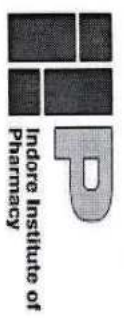

- Managing Director Codenscious Technologies
- IIT Roorkee 2017 batch
- Work with Deloitte, IOCL, Cyitent etc. as consultant

Also Associated as Trainer and heading innovation cell of IIP & IIST under the Institution Innovation Council program of the Ministry of Education. Innovation cell is working for developing some prototypes for Border Security Forces and opening a Brain Computer Interface Lab in the College

### Summary:

IIP, Indore organized IDEATHON (Innovative Idea presentation through Power Point) on 3<sup>rd</sup> Nov 2023. The event was a sub-event of the annual event Apratim Pratigya Pratispardha'2023. The event was an exclusive event for 11<sup>th</sup> & 12<sup>th</sup> class students from the schools of Indore. It was an idea generation competition and presentation of the same through PPT, that was based on a theme selected by the students out of **three broad themes**. The students after coming to the campus on the day of the IDEATHON were given a problem statement on the chosen broad theme, and then they were given 1.5 hours' time to prepare a PPT on the given topic. In the final round of the IDEATHON, students were required to present their solution in the form of PPT in front of the Judges. The final round was conducted in the presence of the Hon'ble DG Sir – Shri Arun S Bhatnagar and Judge of the event was Mr. Shivang Trivedi.

**Result:** A total of 6 teams participated in the event from different schools and 3 were announced as 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> prize winners. The details of winning teams are follows:

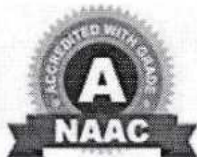

1<sup>st</sup> Prize – St. Norbert School – Rs 6000/- Cash prize

2<sup>nd</sup> Prize – Chameli Devi Public School – Rs 4000/- Cash prize

3<sup>rd</sup> Prize – Shri Neema Vidya Niketan School – Rs 2000/- Cash prize

**Report “Workshop on Entrepreneurship and Innovation  
Topic “Career Opportunity”**

**Indore Institute of Pharmacy, Indore Organized “Workshop on Entrepreneurship and Innovation” Topic “Career Opportunity” on 09/10/2023.**

Resource person: Ms. Shilpy Singh, Head, Project Management & Technology Transfer  
Piramal Pharma Solution, Piramal Group  
Venue: Auditorium – 2, IIST  
Date & Time: 09.10.2023, 09:30AM onwards

The workshop commenced with the welcoming remarks of Dr. Nimita Manocha, Principal, Indore Institute of Pharmacy, Indore. Before starting the event Principal Madam narrated the objectives of the workshop. More than 100 participants were present in the workshop. The workshop begins with the understanding the importance of Product Lifecycle Management (PLM) and career opportunities in the PLM. How students can focus and improve their skills and can join the different departments in future.

Distinguished resource person, Ms. Shilpy Singh explained the importance of Product Lifecycle Management and explained about the Pharma Industry and the concepts of Product Lifecycle Management. She also answered the question by students.

At the end of the workshop, a memento was presented and vote of thanks was given by our Principal Dr. Nimita Manocha. She also acknowledged the presence of the faculty members and staff of IIP.

We thank Shri Arun S Bhatnagar Sir, Group Advisor SPARSH & SEWS, for continuous support, guidance, and motivation for organizing such events.

## Indore Institute of Pharmacy, Indore

### A Report on Workshop by Successful Entrepreneur/Start-up founder

#### Introduction:

On 16.10.2023, the students of Indore Institute of Pharmacy Yash Rawka and Priyanshi Jain enthusiastically introduced Sarvagya Healthcare, a startup initiated by students from the Indore Institute of Pharmacy. Their focus was on creating top-notch hygiene products accessible to everyone, regardless of their socio-economic background. Their mission revolved specifically around highlighting the importance of feminine hygiene, aiming to address this critical aspect with their products.

#### Program Details

Date: 16.10.2023, 1:30 pm

Venue: T-14 Classroom

Faculty Coordinator- Ms. Parul Vaishnav

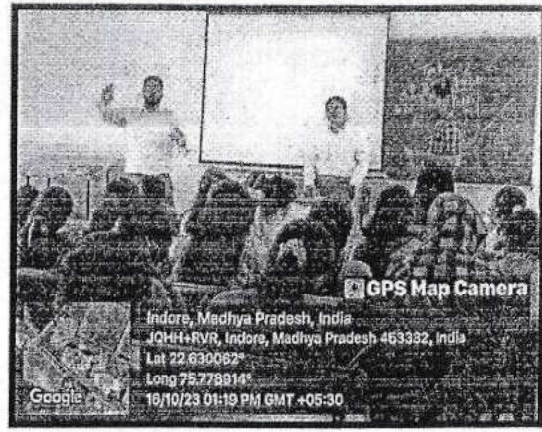

Presenters: Yash Rawka and Priyanshi Jain, Founders of Sarvagya Healthcare

#### Photographs

## Activities:

### **1. Importance of Hygiene:**

A detailed presentation on the significance of hygiene, particularly in the context of feminine hygiene. They also addressed common misconceptions and myths surrounding menstrual hygiene and discussed the health implications of poor hygiene practices.

### **2. Sanitary Pads:**

The presentation included an overview of sanitary pads, covering their various types and essential attributes to consider when choosing the right product. Key factors like comfort, absorption, and leakage protection were highlighted, educating the participants on what to prioritize in their selection.

### **3. Comparison: Sarvagya vs. Market Products:**

Their presentation also compared Sarvagya's sanitary pads to market products, showcasing our commitment to superior quality in aspects like leakage prevention, softness, comfort, price, durability, and absorption.

### **4. Interactive Session:**

The workshop featured interactive sessions where participants actively engaged in discussions, sharing their experiences and concerns regarding menstrual hygiene. The founders encouraged an open dialogue, addressing questions and doubts, creating an informative and welcoming atmosphere for all attendees.

### **5. Hands-on product Experience:**

Participants were given the chance to directly touch and feel Sarvagya Healthcare's sanitary pads, allowing them to experience firsthand the softness and quality of our products. The founders explained the thoughtful design behind our pads, emphasizing their comfort and efficiency, aiming to meet the needs of the users effectively.

The workshop on entrepreneurship and innovation by Yash and Priyanshi of Sarvagya Healthcare was a holistic and enlightening session. It not only shed light on the entrepreneurial journey but also served as a platform to educate and create awareness about the importance of hygiene, specifically menstrual hygiene, among the participants.

### Report

Resource Person: Mr. Rakesh Soni, Founder & Managing Partner, Intellect Goodwill LLP

Venue: Seminar Hall-3, Block-C, IIST

Date & Time: 18.10.2023, 01:00 PM onwards

An Expert Lecture on "Introduction & Importance of Intellectual Property Rights (IPR) in Pharmaceutical Industry" organized by Indore Institute of Pharmacy, Indore on 18<sup>th</sup> October 2023 under the guidance of Dr. Nimita Manocha, Principal and Dr. Gurmeet Chhabra, Head of Department (Pharmaceutical Chemistry). The guest speaker of the session was Mr. Rakesh Soni, Founder & Managing Partner, Intellect Goodwill LLP, Indore (M.P.). A total of more than 125 participants were present in seminar hall.

The objective of the lecture was to give a brief introduction on IPR and explained the various related terms such as copyrights, patents etc. This session also includes discussion on other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Artistic works like music and literature, as well as some discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property.

The speaker highlighted that the purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods. Intellectual property rights refers to the general term for the assignment of property rights through patents, copyrights and trademarks. The speaker also answered the queries of the participants raised by the moderator of the session. The program proved to be very informative for all the participants and got a lot of appreciation from faculty members, staff and dear students.

The program was coordinated by Department NAAC Criteria 3, in charge & members viz. Dr. Rekha Bisht and Mrs. Yashu Chourasiya. The whole session was coordinated by Dr. Ritesh Patel.

At the end of the session, a memento was presented and vote of thanks was given by Principal Dr. Nimita Manocha. She also acknowledged the presence of the faculty members and staff of IIP.

## A Report

### On Workshop on “3D Printing Technology”

Organized by Indore Institute of Pharmacy Indore on  
26/08/2023

#### Event Details:

- ❖ Name of Workshop: 3D printing Technology
- ❖ Name of the Speaker: Huzefa Babji (3D prototyperz)
- ❖ Date of Seminar: 26<sup>th</sup> August
- ❖ Number of Participants: 40 Students
- ❖ Objectives of Seminar: To understand the concept & importance of 3D printing Technology future.
- ❖ Outcome of Seminar:  
Students & Faculties will be able to:
  - Understand types of 3D Printing technology available in market and how it works.
  - Understand the range of pharmaceutical products that can be printed on 3D printers and type of Material used for it.

#### Event description:

**Objective:** 3D Printing technology is one of the most popular manufacturing processes in the industry. As Pharmacist, a student should be aware of advanced manufacturing process like 3D printing. To fulfill this skill in the students, a training workshop on programming in ultimaker Cura and operate modeling software like Auto CAD and practical session on 3D printing machine to make different part as application has been organized. This program will help students with their projects, competitions and create better career profiles.

**About Expert Session:** - This session was organized by the Head of Department of Pharmaceutics- Dr. Nadeem Farooqui. Total 49 students of different branch took the benefit of the session. The session was very interesting, and participants actively interacted with the expert. The session had successfully met the objectives for which it was planned and organized.

About Workshop

Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

Indore Institute of Pharmacy College Indore has organized One day workshop for B Pharmacy 7<sup>th</sup> Sem students on "3D Printing Technology". The aim of the workshop is to make students aware about concept & importance of 3D printing Technology. The workshop was also attended by the students of IPS and Medicap College. The workshop started with welcoming guest by respected principal sir Dr. Gurmeet Singh Chhabra and few encouraging words about the current scenario in industry from principal sir.

### Session wise Content

The workshop was divided in three sessions.

#### Session-1: Introduction

In first session **Mr Huzefa Babzi** sir has presented and explained to students about background of how 3D printing technology evolved. They also explained about the various types of 3D printing technology available in market and how they differ in printing object. Mr Huzefa Babzi sir has also shown the recent trends or developments in the world regarding 3D printing Technology. Sir has also explained them about how 3D printing technology is used in range of areas like manufacturing, Health care & Medicines, Education, Fashion, construction industry. How 3D printing technology is changing the job creation in the world.

#### Session-2: Application of 3D Printing in Pharmaceutical Field

In the Second session Ms. Parul Vaishnav (Assistant Professor) has explained to students regardless of the specific applications of 3D printing in Pharmaceutical Field. 3D printers offer rapid turnaround times when it comes to taking a digital concept, and placing the physical results of that concept into a user's hand. As the technology surrounding it improves, 3D printers will become increasingly versatile. They'll be used for an ever growing number of tasks, in a manner similar to the last two decades of digital expansion via personal computers. Imagine third world village printing vital medical equipment on demand. Imagine hospitals being able to print organs on demand instead of waiting for a donor. 3D printers have virtually limitless potential as the technology driving them improves. They also offer typical consumers endless opportunity for product customization. Imagine never needing to break in a new pair of shoes again. You also won't have to worry about selecting the shoe size that's the closest fit – instead, you'll be able to scan your feet and design a shoe that fits them perfectly.

#### Session-3: Hands on experience on 3D Printer

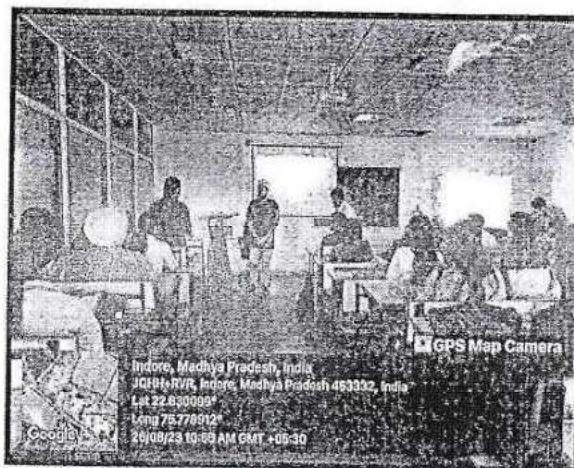

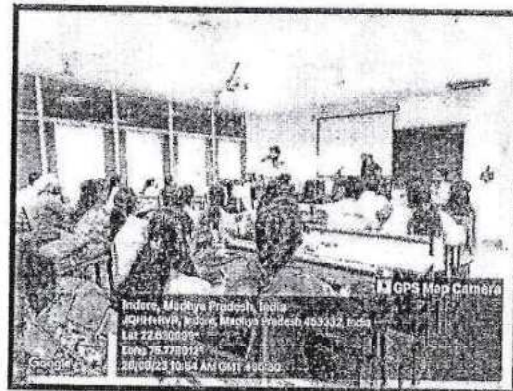

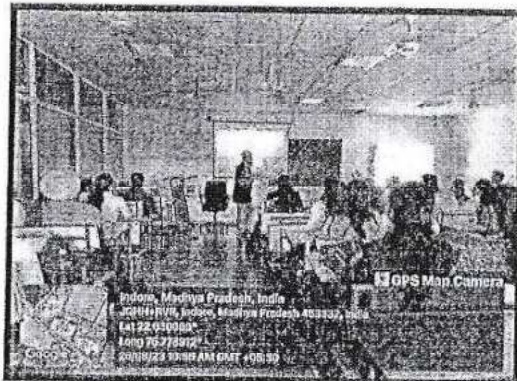

The session third was started with hands on experience on 3D printing machine. Students started to print design of medicine on 3D Printer, and they are very surprised to see working

Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

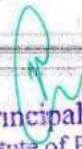

of 3D Printing process and motion of various component of 3D printer. They are clicking photos and videos of 3D design printing process of product.

(57) Abstract :

The present invention provides a herbal mosquito repellent Dhoop batti. The composition of the Dhoop batti, comprising of Neem Powder 11.22%; Cow Dung 42%; Cinnamon powder 6.54%; Loban 5.32%; Bay leaf 8.40%; Clove powder 1.98%; Tulsi 7.05%; Maida 5.63%; Camphor 2.14%; Lemongrass oil 4.44%; Peppermint oil 2.14%; Eucalyptus oil 3.14%; and Water. The preparation process comprising of drying and mixing leaves of Tulsi, Bay and Neem; mixing Loban, Maida, Clove and Cinnamon Powder; adding dried Cow dung and Camphor; half quantity of essential oils of eucalyptus oil 1.57%, peppermint oil 1.15% and lemongrass oil 2.22% to the mixture; and water; converting the mixture into desired shape; allowing to dry; spraying the remaining quantity of essential oils and drying at 120°C for 15minutes. The herbal dhoop batti, herbal components are derived from the leaves of Tulsi, Bay and Neem, including Loban, Maida, Clove and Cinnamon Powder; Cow dung and Camphor; a blend of plant-based components, including eucalyptus oil, peppermint oil and lemongrass oil. The mosquito repellent dhoop batti is economical and useful in mosquito infestation and is in the form of an incense. The Dhoop batti can provide significant impact in the control of mosquito-borne disease, such as malaria and dengue fever, and yellow fever as well as prevent the discomforting consequences of insect bites.

(57) Abstract :  
 The invention focuses on synthesizing seven novel compounds of benzothiazole clubbed thiazolidinones (RG1-RG7), characterized via IR and <sup>1</sup>H-NMR spectra. In-vitro antimicrobial screening was conducted against two Gram+ve, two Gram-ve bacterial strains, and three fungal strains. Compounds RG2 and RG6 were found to be the most potent against E. coli at MIC values of 62.5 µg/ml and 50 µg/ml, while compounds RG4 and RG5 showed potent activity against S. aureus and P. aeruginosa at MIC values of 62.5 µg/ml. Most newly prepared derivatives were found to have lower antifungal action against fungal strains A. niger, C. albicans, and A. clavatus compared to standard agents like griseofulvin and nystatin. Compounds RG2, RG3, RG5, and RG6 demonstrated moderate to good antimalarial activity against Plasmodium falciparum, with IC50 values of 0.48, 0.56, 0.43, and 0.88 µg/ml compared to standard drugs like chloroquine and quinine.

# Certificate of Registration for a UK Design

Design number: 6297186

Grant date: 26 July 2023

Registration date: 18 July 2023

**This is to certify that,**

in pursuance of and subject to the provision of Registered Designs Act 1949, the design of which a representation or specimen is attached, had been registered as of the date of registration shown above in the name of

Dr. Biswajit Basu, Mrs. Moushumi Baidya, Dr. Sunkara Murali Krishna, Dr. Rekha

Bisht, Dr. Muzaffar Ahmed Farooqui, Mr. Ashok Kumar, Miss Ankita Porey, Mr.

Souvik Kundu, Mr. Rahul Patra, Mrs. Devlina Pal

in respect of the application of such design to:

**Spirometer for Measurement of Lung Capacity**

International Design Classification:

Version: 14-2023

Class: 24 MEDICAL AND LABORATORY EQUIPMENT

Subclass: 01 APPARATUS AND EQUIPMENT FOR DOCTORS, HOSPITALS AND LABORATORIES

(57) Abstract :  
 The present invention provides a polyherbal formulation. The polyherbal formulation, comprising of Saccharum officinarum L; Curcuma; Syzygium aromaticum; Trachyspermum ammi; Piper nigrum; Zingiber officinale; Glycyrrhiza glabra; Mentha; and pharmaceutically acceptable excipients; wherein the weight of Saccharum officinarum L 25%; Curcuma 15%; Syzygium aromaticum 6.25%; Trachyspermum ammi 6.25%; Piper nigrum 7.5%; Zingiber officinale 7.5%; Glycyrrhiza glabra 12.5%; Mentha 1.25%; Vasaka leaves 6.25% and pharmaceutically acceptable excipients 10.00%. The polyherbal formulation, wherein the formulation is in the form of an ayurvedic vati. The polyherbal formulation, wherein the formulation is useful as an anti-tussive agent. The polyherbal formulation, wherein the formulation is herbal alternative to cure cough relief, sore throat, and dryness. The polyherbal formulation has their usefulness as potential anti-tussive agent.

(57) Abstract : DEVELOPMENT CHARACTERIZATION AND EVALUATION OF ANTI-INFLAMMATORY AND ANTI-ARTHRITIC POTENTIAL OF ETORICOXIB TOPICAL GELS A method of treating the concern peptides with anti-inflammatory activity, compositions containing one or more of the peptides, and the use of the peptides to treat diseases in animals, notably humans and other mammals, that are linked to excessive inflammation. The existing specification describes pharmaceutical compositions that are designed as an oral suspension for administration, the suspension including solid particles of a non-steroidal anti-inflammatory drug (NSAID) in an oil carrier that includes one or more free fatty acids, a glycerolipid, and a phospholipid, as well as methods of making such pharmaceutical compositions, and uses for treating chronic inflammation and/or inflammatory diseases in a person. Because the substances described here are COX inhibitors, they can be used to treat and/or prevent a variety of illnesses, such as fever, inflammation, and diclofenac. The procedures for applying such topical gels to treat wounds and other skin conditions are presented. FIG.1
