A REPORT ON IPR ACTIVITY

Indore Institute of Pharmacy, Indore has conducted a one day activity on World Intellectual Property Rights Day on 26th April 2024 at Seminar Hall, IIP. The activity was about "Basics of Patent". About 140 students of pharmacy department have actively participated in this activity.

The activity was started by the inauguration session. The activity was inaugurated by honorable Dr. Nimita Manocha, Principal & all the heads of department of institute.

The speaker & the guest of honour was Dr. Suresh Kumar Paswan, Associate Professor and a key member of the Institute IPR Cell at Shri G.S. Institute of Technology & Science, Indore.

The introductory session was taken by the speaker. In this session, a complete introduction on intellectual properties, intellectual property laws & their clauses. In this session, the students were taught about the Intellectual Property Rights & their principles. Also the students were given enough information about how to use this knowledge to proceed forward in a startup company. Also they have been taught how to use intellectual property laws in case of injustice and the legal options available in Indian judicial system.

They also address the students about complete information on intellectual properties like patent, copyright, trademark, design, trade secret etc. was given. Also the speaker explained the difference between these topics, also the validity for each right, judicial law available under each right & the limitations of each right. Also the students were needed to inculcate how the students can use the above taught intellectual property rights, claim the benefits & get security in their startups.

The program was concluded by the valedictory session which was undergone in presence of Dr. Nimita Manocha, Principal & Dr. Ritesh Patel, IPR Coordinator. The session was very useful to students as they became aware for importance of IPR. The session was ended with the interaction among the speaker and present students.

A Report on "Achieving Problem-Solution fit and Market fit"

Date: 24-01-2024:

Time: 1:30-3:30 pm

Venue: Audi-II, IIST campus

Under the start-up policy, a Workshop was conducted on January 24, 2024 by Indore Institute of Pharmacy, Indore. The topic of the session was "Achieving Problem-Solution Fit & Product-Market Fit." In this session, as a resource person, Mr. Jay Jain (Co-founder Astute Group, President TiE, MP) along with Dr. Aradhana Chouksey (Principal, IIMR) provided all important information related to start-ups development and success of a product or service.

Problem/solution fit refers to the relationship between a problem that needs solving and the solution that addresses that problem. In other words, it's about finding a solution to a problem that your potential customer shaves.

Problem/solution fit is essential because it helps ensure that your product or service addresses a real problem that your potential customers have. You need to have a good problem/solution fit to avoid developing a product or service with a clear purpose or value proposition. This can lead to poor sales and customer retention, resulting in a failed product or service.

On the other hand, having a strong problem/solution fit can lead to better customer acquisition and retention and a higher customer lifetime value. This is because customers are more likely to continue using and recommending your product or service if it solves a problem they have in a meaningful way.

The session commenced with a welcome gesture from the Principal of IIP, Dr. Nimita Manocha, who presented a memento and bouquet to Mr. Jay Jain Sir. The welcome for Dr. Aradhana Chouksey (Principal IIMR) Ma'am was extended by Dr. Rekha Bisht Singh (HoD Pharmacy Practice). In this session, Dr. Aradhana Chouksey conducted brainstorming practices, which led to a significant influx of ideas among the students.

After the session, Shri Arun S Bhatnagar (Hon'ble Group Advisor- SPARSH & SEWS) had a meeting with Mr. Jay Jain Sir. They discussed serious topics related to the establishment of Startup, CARE and Incubation cells for the career growth of students of IIST, IIP, and IIMR. Group Advisor Sir presented a planter and a book as a token of appreciation to Mr. Jay Jain

INDORE INSTITUTE OF PHARMACY

REPORT ON NATIONAL STARTUP DAY

Event: National Startup Day

Date: 16/01/2024

Venue: Seminar Hall, Indore Institute of Pharmacy, Indore

National Startup Day is observed annually on 16th January to appreciate and promote the Indian Startup Ecosystem. The Startup India initiative has played a pivotal role in shaping the startup ecosystem in India. Multiple initiatives like the Seed Fund Scheme, Fund of Funds Scheme, Credit Guarantee Scheme for Startups, MAARG mentorship platform, National Startup Awards, State Ranking Framework are some of the key pillars driving the spirit of entrepreneurship.

Programs like ASCEND (Accelerating Startup Calibre & Entrepreneurial Drive) for the North-Eastern region, Women for Startups for women entrepreneurs and Startup Angels for budding angel investors – have fostered and further strengthened the spirit of innovation and entrepreneurship across various ecosystem participants.

Indore Institute of Pharmacy has organized National Startup Day on 16/01/2024 at seminar hall of IIP. Information shared with students regarding various type of startup like, Project based funding is provided to startups and companies for product/technology development under its key Schemes including Biotech Ignition Grant (BIG), Small Business Innovation Research Initiative (SBIRI) and Biotechnology Industry Partnership Programme (BIPP).

The event was inaugurated by Dr. Nimita Manocha, Principal, IIP. Mr. Rajendra Bhanwar briefed about the National Startup policies.

The event was successfully coordinated by Dr. Praveen Sharma (Event Coordinator), faculty members and students participated and coordinated activity enthusiastically.

Indore Institute of Pharmacy, Indore organized an Expert Lecture & Workshop National Entrepreneurship Day, on 21st November 2023. On this event a Guest Lecture & workshop on the topic Basic Entrepreneurship Workshop was conducted for students and Faculty members.

Resource person: Dr. Aradhana Chouksey, Principal IIMR, Indore
Venue: Seminar Hall – 2, IIST
Date & Time: 21.11.2023, 11:30AM onwards

The Guest Lecture commenced with the welcoming remarks of Dr. Nimita Manocha, Principal, Indore Institute of Pharmacy, Indore. Before starting the event Principal Madam made the audiences aware of the contribution of Youngsters in the current world and pharma sector. More than 100 participants from UG and PG were present. The lecture begins with an icebreaker quiz.

Expert of the session Dr. Aradhana Chouksey Mam explained that how one should select the business and points to consider during a business idea selection. The workshop aimed to cultivate business-ready professionals and ignite the entrepreneurial spirit among students. The workshop engaged both undergraduate and postgraduate students in activities and quizzes, providing valuable insights into entrepreneurship and business strategies. It was a day dedicated to nurturing the aspirations of budding young entrepreneurs.

We thank Shri Arun S Bhatnagar Sir, Group Advisor SPARSH & SEWS, for continuous support, guidance, and motivation for organizing such events.

Report

Resource Person: Mr. Rakesh Soni, Founder & Managing Partner, Intellect Goodwill LLP

Venue: Seminar Hall-3, Block-C, IIST

Date & Time: 18.10.2023, 01:00 PM onwards

An Expert Lecture on "Introduction & Importance of Intellectual Property Rights (IPR) in Pharmaceutical Industry" organized by Indore Institute of Pharmacy, Indore on 18th October 2023 under the guidance of Dr. Nimita Manocha, Principal and Dr. Gurmeet Chhabra, Head of Department (Pharmaceutical Chemistry). The guest speaker of the session was Mr. Rakesh Soni, Founder & Managing Partner, Intellect Goodwill LLP, Indore (M.P.). A total of more than 125 participants were present in seminar hall.

The objective of the lecture was to give a brief introduction on IPR and explained the various related terms such as copyrights, patents etc. This session also includes discussion on other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Artistic works like music and literature, as well as some discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property.

The speaker highlighted that the purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods. Intellectual property rights refers to the general term for the assignment of property rights through patents, copyrights and trademarks. The speaker also answered the queries of the participants raised by the moderator of the session. The program proved to be very informative for all the participants and got a lot of appreciation from faculty members, staff and dear students.

The program was coordinated by Department NAAC Criteria 3, in charge & members viz. Dr. Rekha Bisht and Mrs. Yashu Chourasiya. The whole session was coordinated by Dr. Ritesh Patel.

At the end of the session, a memento was presented and vote of thanks was given by Principal Dr. Nimita Manocha. She also acknowledged the presence of the faculty members and staff of IIP.

A Report on Workshop by Successful Entrepreneur/Start-up founder

Introduction:

On 16.10.2023, the students of Indore Institute of Pharmacy Yash Rawka and Priyanshi Jain enthusiastically introduced Sarvagya Healthcare, a startup initiated by students from the Indore Institute of Pharmacy. Their focus was on creating top-notch hygiene products accessible to everyone, regardless of their socio-economic background. Their mission revolved specifically around highlighting the importance of feminine hygiene, aiming to address this critical aspect with their products.

Activities:

1. Importance of Hygiene:

A detailed presentation on the significance of hygiene, particularly in the context of feminine hygiene. They also addressed common misconceptions and myths surrounding menstrual hygiene and discussed the health implications of poor hygiene practices.

2. Sanitary Pads:

The presentation included an overview of sanitary pads, covering their various types and essential attributes to consider when choosing the right product. Key factors like comfort, absorption, and leakage protection were highlighted, educating the participants on what to prioritize in their selection.

3. Comparison: Sarvagya vs. Market Products:

Their presentation also compared Sarvagya's sanitary pads to market products, showcasing our commitment to superior quality in aspects like leakage prevention, softness, comfort, price, durability, and absorption.

4. Interactive Session:

The workshop featured interactive sessions where participants actively engaged in discussions, sharing their experiences and concerns regarding menstrual hygiene. The founders encouraged an open dialogue, addressing questions and doubts, creating an informative and welcoming atmosphere for all attendees.

5. Hands-on product Experience:

Participants were given the chance to directly touch and feel Sarvagya Healthcare's sanitary pads, allowing them to experience firsthand the softness and quality of our products. The founders explained the thoughtful design behind our pads, emphasizing their comfort and efficiency, aiming to meet the needs of the users effectively.

The workshop on entrepreneurship and innovation by Yash and Priyanshi of Sarvagya Healthcare was a holistic and enlightening session. It not only shed light on the entrepreneurial journey but also served as a platform to educate and create awareness about the importance of hygiene, specifically menstrual hygiene, among the participants.

**Report “Workshop on Entrepreneurship and Innovation
Topic “Career Opportunity”**

Indore Institute of Pharmacy, Indore Organized “Workshop on Entrepreneurship and Innovation” Topic “Career Opportunity” on 09/10/2023.

Resource person: Ms. Shilpy Singh, Head, Project Management & Technology Transfer
Piramal Pharma Solution, Piramal Group
Venue: Auditorium – 2, IIST
Date & Time: 09.10.2023, 09:30AM onwards

The workshop commenced with the welcoming remarks of Dr. Nimita Manocha, Principal, Indore Institute of Pharmacy, Indore. Before starting the event Principal Madam narrated the objectives of the workshop. More than 100 participants were present in the workshop. The workshop begins with the understanding the importance of Product Lifecycle Management (PLM) and career opportunities in the PLM. How students can focus and improve their skills and can join the different departments in future.

Distinguished resource person, Ms. Shilpy Singh explained the importance of Product Lifecycle Management and explained about the Pharma Industry and the concepts of Product Lifecycle Management. She also answered the question by students.

At the end of the workshop, a memento was presented and vote of thanks was given by our Principal Dr. Nimita Manocha. She also acknowledged the presence of the faculty members and staff of IIP.

We thank Shri Arun S Bhatnagar Sir, Group Advisor SPARSH & SEWS, for continuous support, guidance, and motivation for organizing such events.

NOTE SHEET

IIP/ Notesheet.....

Date: 17/08/2023

To,

**The Group advisor
IIST/IIP/IIMR, Indore,**

Subject: - Regarding approval for one day intercollegiate workshop on 3D printing technology for B. Pharm final year.

Respected Sir,

With reference to the above-cited subject, this is to inform you that IIP is about to initiate one day intercollegiate workshop on 3D printing Technology for **B. Pharm final year** students on 26th Aug. 2023 at IIP.

Seats are limited for 50 students.

Per student registration fees for work shop will be Rs. 250

Organizing institute will provide the lunch and the certificates of participants to the registered students.

I request you to kindly approve the permission for the one-day workshop.

submitted for consideration.

Thanks

NOTE SHEET

IIP/ Notesheet.....

Date: 24/08/2023

**To,
The Group Advisor,
IIP/IIST/IIMR Indore,**

Subject: - Regarding remuneration of Resource Person of 3D printing workshop.

Respected Sir,

With reference to the above cited subject, IIP has organized a **workshop on 3D printing on 26th August 2023**. The external Resource Person for the Workshop was Mr.Huzefa Babji, 3D Prototyperz.

Kindly give the approval for persue workshop and a budgetary allocation of INR 2500.00 for same.

Thank You,

**PRINCIPAL
IIP, INDORE**

A Report

On Workshop on “3D Printing Technology”

Organized by Indore Institute of Pharmacy Indore on
26/08/2023

Event Details:

- ❖ **Name of Workshop:** 3D printing Technology
- ❖ **Name of the Speaker:** Huzefa Babji (3D prototyperz)
- ❖ **Date of Seminar:** 26th August
- ❖ **Number of Participants:** 40 Students
- ❖ **Objectives of Seminar:** To understand the concept & importance of 3D printing Technology future.
- ❖ **Outcome of Seminar:**
Students & Faculties will be able to:
 - Understand types of 3D Printing technology available in market and how it works.
 - Understand the range of pharmaceutical products that can be printed on 3D printers and type of Material used for it.

Event description:

Objective: 3D Printing technology is one of the most popular manufacturing processes in the industry. As Pharmacist, a student should be aware of advanced manufacturing process like 3D printing. To fulfill this skill in the students, a training workshop on programming in ultimaker Cura and operate modeling software like Auto CAD and practical session on 3D printing machine to make different part as application has been organized. This program will help students with their projects, competitions and create better career profiles.

About Expert Session: - This session was organized by the Head of Department of Pharmaceutics- **Dr. Nadeem Farooqui**. Total 49 students of different branch took the benefit of the session. The session was very interesting, and participants actively interacted with the expert. The session had successfully met the objectives for which it was planned and organized.

About Workshop:

Principal
Indore Institute of Pharmacy,
INDORE (M.P.)

Indore Institute of Pharmacy College Indore has organized One day workshop for B Pharmacy 7th Sem students on “3D Printing Technology”. The aim of the workshop is to make students aware about concept & importance of 3D printing Technology. The workshop was also attended by the students of IPS and Medicap College. The workshop started with welcoming guest by respected principal sir Dr. Gurmeet Singh Chhabra and few encouraging words about the current scenario in industry from principal sir.

Session wise Content

The workshop was divided in three sessions.

Session-1: Introduction

In first session **Mr Huzefa Babzi** sir has presented and explained to students about background of how 3D printing technology evolved. They also explained about the various types of 3D printing technology available in market and how they differ in printing object. Mr Huzefa Babzi sir has also shown the recent trends or developments in the world regarding 3D printing Technology. Sir has also explained them about how 3D printing technology is used in range of areas like manufacturing, Health care & Medicines, Education, Fashion, construction industry. How 3D printing technology is changing the job creation in the world.

Session-2: Application of 3D Printing in Pharmaceutical Field

In the Second session Ms. Parul Vaishnav (Assistant Professor) has explained to students regardless of the specific applications of 3D printing in Pharmaceutical Field. 3D printers offer rapid turnaround times when it comes to taking a digital concept, and placing the physical results of that concept into a user’s hand. As the technology surrounding it improves, 3D printers will become increasingly versatile. They’ll be used for an ever growing number of tasks, in a manner similar to the last two decades of digital expansion via personal computers. Imagine third world village printing vital medical equipment on demand. Imagine hospitals being able to print organs on demand instead of waiting for a donor. 3D printers have virtually limitless potential as the technology driving them improves. They also offer typical consumers endless opportunity for product customization. Imagine never needing to break in a new pair of shoes again. You also won’t have to worry about selecting the shoe size that’s the closest fit – instead, you’ll be able to scan your feet and design a shoe that fits them perfectly.

Session-3: Hands on experience on 3D Printer

The session third was started with hands on experience on 3D printing machine. Students started to print design of medicine on 3D Printer, and they are very surprised to see working

Principal

of 3D Printing process and motion of various component of 3D printer. They are clicking photos and videos of 3D design printing process of product.
