## INDORE INSTITUTE OF PHARMACY

### Additional Data Index Criterion No 4.1(4.1.1)

**4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning. Viz, classrooms, laboratories, computing equipment etc.**

The Institute has first-rate physical and infrastructural facilities that span 8432 square meters, guaranteeing that instructional approaches are implemented effectively in diploma, degree, and postgraduate applications. The affiliating university, RGPV, Bhopal, and the All India Council of Technical Education, New Delhi, as well as the Pharmacy Council of India, New Delhi, have mandated standards for the proper upkeep and upgrading of all the facilities.

**The institute has 9 classrooms** 04 for UG, 01 for Diploma. 02 for PG and 02 for Pharm D.

**The institute has 18 laboratories.** For the purpose of making pharmaceutical products, the laboratories contain Pharmaceutics 06, Pharmaceutical Chemistry 04, Pharmacology 03, Pharmacognosy 01, Pharmacy Practice 01, Biotechnology 01, Pharmaceutical Analysis 01, and Quality Assurance 01, as well as sophisticated instrument room 01 and machine room 01 for manufacture.

The facility has two computer laboratories with 62 PCs, an animal home, a medicinal garden, and contemporary ICT classes. It holds activities, places a high value on the holistic development of students, and has a sizable playground for both indoor and outdoor games. Sports week, intercollege tournaments, and cultural activities are organized by the group. The institute's gym is outfitted with everything needed to help students get physically healthy. Arrangement for pupils to incorporate yoga and meditation into their everyday schedules. A clean canteen, an ATM, an ambulance, hostel for girls and boys, staff housing, parking, security, CCTV monitoring, and transportation are among the amenities.

**Class rooms:** Every classroom is a suitable size, ranging from 75 to 100 square meters, with sufficient lighting, proper ventilation, and a pleasant atmosphere. There are enough well-equipped and roomy classrooms at the university to accommodate theory instruction. Modern ICT tools are installed in classrooms to let teachers use a variety of instructional strategies. There is CCTV monitoring in every classroom.

**Indore Institute of Pharmacy**

Affiliated to - BPPU(Bhopal) | Approved by - AICTE(New Delhi) & PCI(New Delhi)  
Register - Under UGC Act

**Laboratories:** There are 18 well-equipped laboratories at our institute. The institute provides state-of-the-art gear and equipment in its laboratories so that students can work on projects, research projects, and practical classes. Every laboratory is functional and kept up-to-date for conducting research as well as curriculum-oriented lab exercises. Every laboratory is properly ventilated and lighted. Every laboratory is equipped with standard features and services such as fuming chambers and exhaust fans to minimize pollution when needed. The workbenches are smooth, easily cleanable, and ideally composed of non-absorbent material. The water taps are directly mounted on sinks and are leak-proof. Draining is effective. There is an aseptic chamber in the microbiology lab. Every laboratory has a different section and CCTV surveillance and is kept in good condition. Fire extinguishers are installed outside of the lab.

**Seminar Hall:** There is 01 seminar hall at the institute with public address systems and a smart board. The seminar halls each have space for up to 50 members. State and national level lectures are often held at the Institute in these halls. Each department has the particular tools and resources needed for research, teaching, learning, etc.

**Computing Equipment's:** With 120 computers overall, the institute offers enough computing resources for both staff and students. Every PC has a 60 Mbps high-speed internet connection. There are two student computer centers at the institute. With 30 computers for students and 1 for each faculty, each computer lab is 150 square meters in size. the Intel i5 12th Generation -12500 setup with Windows 11 OEM, 16 GB RAM, and 512 GB M.2 NVME SSD. CCTV monitors every computer lab.

The Institution uses ERP software to manage all of its processes effectively. This facility covers academic management, branch changes, student entrance, and attendance tracking, among other things. All departments, including the sections for accounts, establishment, and students, use ERP software.

**Machine Room:** Designed as a model pharmaceutical manufacturing section machines like Tablet punching machine, Sieve shaker, Ball mill, single compartment disintegration machine Multipurpose machine for mixing and coating of pharmaceutical material ect.

**Instrument room:** Designed as a model pharmaceutical QA , QC lab having machines like UV, HPLC, Tablet 3D printer, Dissolution apparatus etc.

**Pharmacy Medical Shop:** "CHARAK" Model Pharmacy for purpose of teaching dispensing of prescription, storage and handling of medicines.
