A report on workshop conducted by CDC

Subject: Workshop Report

Date: September 11, 2023 - September 23, 2023

Introduction:

This report summarizes the workshop conducted by the Career Development Cell (CDC) department at the Indore Institute of Pharmacy (IIP) for the final-year students. The workshop, held from

September 11 to September 23, 2023, aimed to prepare students for successful campus placements by focusing on resume writing, group discussion, grooming, and personal interview preparation.

Workshop Schedule:

Resume Writing (Day 1-5): The first five days were dedicated to resume writing. Students received guidance on creating effective resumes, including structuring, highlighting achievements, and showcasing their skills and experiences. Mock resume reviews and personalized feedback were provided to help students develop compelling resumes.

The subsequent five days concentrated on mastering group discussion skills. Students learned strategies for initiating discussions, active participation, and conflict resolution.

Grooming (Day 11-15): The following five days emphasized the importance of grooming and projecting a professional image. Topics included attire, body language, and effective communication.

Interactive activities and role-plays were conducted to boost students' self-confidence and interpersonal skills.

Personal Interview Preparation (Day 16-20): The final five days were dedicated to personal interview preparation. Students were guided on how to answer commonly asked interview questions.

Outcomes and Feedback:

The workshop received positive feedback from the participants. Students reported increased confidence, improved communication skills, and a better understanding of resume writing, group

discussion, grooming, and personal interview preparation. Many expressed their appreciation for the practical exercises and personalized feedback.

Conclusion:

The Resume Writing, Group Discussion, Grooming, and Personal Interview Preparation Workshop, organized by the CDC department at IIP, successfully equipped our final-year students with essential skills for campus placements.

We remain committed to providing our students with the tools they need to excel in their careers and look forward to conducting more workshops of this nature in the future.

Sincerely,

Dr. Veena Dadwani

REPORT on : APTITUDE & REASONING WORKSHOP | FINAL YEAR B. PHARMA 8 sem

Workshop Overview

The 3-day aptitude and reasoning workshop was conducted for the final-year B.Pharma students, focusing on enhancing their quantitative aptitude, logical reasoning, and problem-solving skills. The workshop aimed to equip the students with the necessary tools to excel in placement exams and competitive tests, such as those for pharmaceutical companies and other technical roles.

Dates: January 16th, 17th, and 19th, 2024 Duration: 1:30PM TO 3:00PM

Venue: Seminar Hall 01 (A block)

Instructor: Mr. Abhishek Bhatnagar

Day 1: January 16th, 2024

Topic Focus: Quantitative Aptitude – Fundamental Concepts

The first day concentrated on laying the foundation of quantitative aptitude. The session started with a quick introduction to the type of questions typically asked in placement exams, followed by detailed explanations of basic concepts.

Doubts were cleared on the spot, and detailed solutions were provided.

Day 2: January 17th, 2024

Topic Focus: Logical Reasoning and Analytical Skills

The second day was dedicated to reasoning, with a focus on both verbal and non-verbal reasoning skills. The importance of logical reasoning in decision-making and problem-solving in real-life scenarios was explained.

. An interactive game involving reasoning problems helped keep the session lively and engaging.

Day 3: January 19th, 2024

Topic Focus: Advanced Aptitude

The final day was aimed at testing and sharpening the knowledge gained over the first two days. It included more advanced concepts of aptitude and reasoning and questions asked in some MNCs

Workshop Highlights

Interactive Learning: Every session included live problem-solving exercises, quizzes, and interactive discussions, which kept students engaged.

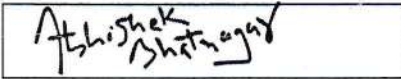

Practical Approach: Real-world applications and shortcuts were shared to simplify complex problems.

Student Feedback: Overwhelmingly positive feedback was received, with students appreciating the detailed explanations and the focus on practical questions relevant to exams.

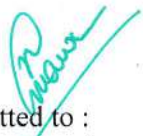

Conclusion

The workshop was highly successful in equipping B Pharma final-year students with the necessary skills in both aptitude and reasoning, preparing them for placement tests and competitive exams. This structured and comprehensive workshop will serve as a model for future sessions aimed at preparing students for professional success in competitive environments.

Overview of the significance of GDs in academic and professional contexts.

Session 2: Communication Skills for GDs

Techniques for initiating and contributing meaningfully to discussions.

Exercises to enhance clarity, conciseness, and confidence in speech.

Session 3: Critical Thinking and Argumentation

Analyzing GD topics to form structured and logical arguments.

Case studies and brainstorming activities to practice critical thinking.

Session 4: Group Discussion Etiquette

Understanding respectful listening, turn-taking, and team collaboration.

Role-playing exercises to simulate real GD scenarios.

Closing Session:

. Dr. Veena Dadwani shared insights on the importance of GDs in showcasing leadership and teamwork skills.

Participant Feedback

Students found the workshop highly relevant and engaging. Key takeaways included:

Improved understanding of GD expectations and evaluation criteria.

Confidence in applying communication and critical thinking skills in real-world GDs.

Conclusion

The "Do's and Don'ts of Group Discussion" workshop was a valuable learning experience for the VIII Semester students. It equipped them with essential skills to excel in group discussions, contributing to their overall professional readiness.

Making students Industry Ready: Technical interview session

Venue: T-14, IIP

Dates : 2.3.2024 to 20-4-2024

Technical interview session was organized for B.Pharm final year students who are aiming to take jobs in pharmaceutical sectors after completion of their B.Pharm degree. The purpose of organizing the session was to prepare the students for their placements. Training sessions were also to teach students about the look, sound, and feel of actual interviews. Mock interview was also organised which provides an opportunity to student's actually practicing going through an interview, answering and asking questions, and hopefully learning about the rhythm and possible interview questions they will face in real life. The interview questions were related to their field of study and their scope of improvement in respective field. It was an interactive session and was well received by the students. The session was organised under the guidance of Principal Dr Nimita Manocha. The students were given the question booklets so that they can use it for quick and future reference. Following areas were mainly covered:

- **Pharmaceutics and dosage calculations**
- **Biopharmaceutics**
- **Medicinal Chemistry**
- **Documentations and validations**
- **Analytical instrumentation**
- **Herbal drug technology.**

LEARNING OUTCOME:

- Students' got tips to increase their employability skills.
- Students' confidence level increased.
- Students were aware about their shortcomings, so that they can improve.

Workshop Report: Confidence Boost: Overcoming Stage Fear and Public Speaking Anxiety

Organized by: Career Development Cell (CDC)

Hosted by: Indore Institute of Pharmacy

Target Audience: VII Semester Students

Workshop Details

Dates: 24-25 May 2024

Venue: IIP

Objectives of the Workshop

The workshop aimed to help students build confidence and overcome stage fright, equipping them with essential public speaking skills to excel in academic and professional scenarios. Key focus areas included:

Overcoming Stage Fear: Techniques to manage anxiety and build self-assurance while addressing an audience.

Public Speaking Skills: Learning to structure and deliver impactful presentations.

Engagement Strategies: Developing techniques to captivate and maintain audience attention.

Workshop Highlights

Session 1: Understanding Stage Fear

Exploring the causes and psychological impact of stage fright.

Relaxation exercises and breathing techniques to manage anxiety.

Session 2: Building Confidence

Role-playing activities to practice speaking in front of small groups.

Positive visualization exercises to boost self-belief.

Session 3: Mastering Public Speaking

Structuring speeches: crafting a compelling opening, main content, and conclusion.

Voice modulation, body language, and non-verbal communication tips

Session 4: Practical Applications

Students presented short speeches on assigned topics.

Trainers provided personalized feedback and tips for improvement.

Closing

Session:

The workshop concluded with motivational insights from the trainers, followed by a Q&A session where students shared their concerns and clarified doubts.

Conclusion

The "Confidence Boost: Overcoming Stage Fear and Public Speaking Anxiety" workshop successfully addressed the challenges faced by students in public speaking. It provided them with actionable strategies and boosted their confidence, preparing them for future academic and professional endeavor.

Sincerely,

Dr. Veena Dadwar
