Internal Quality Assurance Cell

Letter No. IIP / 07 / 2023-24/I.Q.A.C.-Meeting

01 -07-2023

Circular

Subject – Quality cell meeting to the members.

Respected Members,

A IQAC meeting is scheduled on 03-07-2023 at 02:00 PM in institutional seminar hall. All the members of Internal Quality Assurance Cell are required to attend the meeting. The points to be discussed in the meeting are as follows:

Agenda

1. Approval of strategic plan for 2023-28.
2. Revision of Institutional NAAC Committee members.
3. Academic Calendar July – Dec 2023.
4. Approval & Implementation of SIG July-Dec 2023.
5. Status of admission 2023-24 as per PCI & DTE.
6. Implementation & Execution of LMS module in ERP.
7. Collaborative certificate program with NIPER Ahmedabad.
8. Approval of Event Calendar for July- Dec 2023.
9. Follow up of the Pharm.D application status.
10. Summary of the placement for the session 2022-23.
11. Maintenance of instrument lab
12. Proposal for signing MOU with NFB (National Facility for Biopharmaceuticals)

Letter No. IIP /07 / 2023-24/I.Q.A.C.-Meeting

Minutes of meeting of Quality Cell held on 03-07-23

Internal Quality Assurance Cell of IIP

The following members were present in the meeting

1. Shri Arun.S. Bhatnagar (Management Representative)
2. Dr. D.K. Mishra (Principal, IIP)
3. Dr. Gurmeet Chhabra
4. Dr. Rupesh .K. Gautam (Coordinator)
5. Dr. Nadeem Farooqui
6. Dr. Praveen Sharma
7. Dr. Rekha Bisht
8. Ms. Nayany Sharma
9. Mr. Gaurav Sarsodiya
10. Mr. Rajesh Bhandari
11. Mr. Saurabh Shrivastava
12. Mr. Gaurav Agarwal
13. Mr. Raj Khatri (Director & co-founder of swift formulation, Indore) (Industry Representative)
14. Dr. Karunakar Shukla (Society Representative)
15. Mr. Yash Rawka (Student Representative)
16. Mr. Saurabh Chauhan (Alumni Representative)

The meeting commenced by welcome note by Dr. D.K. Mishra to all members

1. Shri Arun.S. Bhatnagar Sir (Group Advisor IIST-IIP-IIMR) introduced the strategic plan 2023-28 with the objective of being well recognized as a center of academic excellence, inculcating competent technical skills to make our students Future Industry ready in research ecosystem along with holistic development. The strategic plan 2023-28, focuses on skill empowerment through SIGs in pharmaceutical technology, AI in health, clinical research and thereby foster an eco-system with technical competence and research. We should strive towards training our students to

be recognized and valued for their commitment in excellence, competence in pharmaceutical field coupled with high spiritual quotient.

The strategic plan 23-28 was unanimously accepted by the IQAC after the review from the stakeholders and implemented from July-24. Group advisor Sir suggested that faculties should function with the mindset towards achieving international recognition through collaborations in research in academics with the global universities.

2. The members of different criteria were revised and an institutional NAAC committee was reframed.
3. Academic Calendar- Dr. Nadeem Farooqui (Academic Head) prepared the academic calendar for session July- Dec 2023 and emphasized on the preparation of lesson plan, course file collection, distribution of academic workload for the session and strict adherence to 75% attendance made mandatory for the students. The faculties were advised for thorough preparation of lectures/ practical to be delivered by them in class. Prior information about the adjustment of classes to reported to academics by the concerned faculty is put forth.
4. Dr. Rekha Bisht discussed the SIG's planned for the session July- Dec 23 for the B.Pharm students of all batches.
5. Dr. Rupesh K.Gautam (IQAC coordinator) asked the admission team to brief on admission status where representative of admission team Dr. Pritesh Palliwal shared the data that we have full admission in B.Pharm Ist year -115 students and M.Pharm- 13 students in total of both the branches. As per previous discussion & decision with the management regarding D.pharm admission , there were no admission taken for D.pharma.
6. Dr. Rupesh K.Gautam (IQAC Coordinator) discussed with the Academic incharge to inform all the faculties to utilize ERP at it's fullest for LMS (Learning Management System) and to share lecture notes and assignment on the ERP.
7. A collaborative certificate program with NIPER Ahmedabad is in planning to instill scientific temperament in the students of B.Pharm, by attending training program sessions on sophisticated instrument handling.

8. Expert lectures on Research methodology, entrepreneurship and IPR programs are planned for deliverance and exposure to the students with the current scenario of the pharma world.
9. Dr. D.K. Mishra took the follow up of the application status for the integrated P.G. program Pharm. D which was applied on Feb 2023. The progress of the preparation of the RGPV inspection for Pharm.D was inspected in July 2023.
10. Mr. Darshan Jamindar discussed the placement results of B.Pharm final year in which 66 students were placed in different companies and further more students were guided to visit pharma industry for the interview arranged by the institute.
11. Dr. D.K. Mishra scrutinized the maintenance of the instrument lab and it's regular updation to be ensured by the faculty members.
12. Shri Arun.S. Bhatnagar proposed for the signing of a MOU between NFB (National Facility for Biopharmaceuticals), a GOI funded state of the art Research Innovation and Testing facility in GNK College campus , Mumbai for encouraging collaborative industry specific research, consultancy, testing and production help.

PROLOGUE

2023-2028

I am delighted to share our Vision, Mission and Strategy for 2023-2028.

Our vision is to deliver excellence in all our pursuits with focus on research, best practices in teaching, exceptional education and technical knowhow, excellent faculty and ethical behavior.

I expect all of you will be inspired to join our efforts and bring this plan to fruition.

According to my belief, colleges and Universities in 2028 will be judged not by the quality of education and their technical competencies, but how students shape up as good human beings while having wider identity and perception.

Vision Document of any institute is a roadmap or a path which will take the Institute to its desired destination, keeping in view the requirements of students, faculty, society as well as our beloved country.

In continuation with our Vision 2023, IIP is now ready with the Vision, Mission and Strategic planning for 2028, for its future goal to establish as a center of academic excellence. We aim to provide forum to our students, to achieve their fullest potential in all aspects of their persona by recognizing their inherent strength. Thus, we intend to develop a professional eco-system to enhance their technical competence in their related programs.

Education can be conclusive or complete, if our education system attains twin objectives i.e., prepare the student to take care of his inner self as well as how to meet the expectations/challenges of outer world.

When we talk about inner self, it encompasses all three aspects: body mind and soul.

Education must bring tranquility, harmony, blissfulness, dutifulness towards society and nation, along with technical competence of highest order.

In other words, our endeavor is to prepare our students for better standard of living as well as better standard of life.

The objectives of the Vision Document 2028 have been aligned with National Education Policy 2020 to make our beloved mother land 'Atmanirbhar Bharat' and to reach our goal to make \$5 trillion economy.

VISION DOCUMENT

2023-2028

"To be internationally recognized as a center of excellence in pharmacy education, assisting our students to be sound & industry ready to reach their maximum potentials. Thus, our students will be recognized and valued for their commitment for excellence, competence in the pharmaceutical field, and lifelong learning mind set coupled with high spiritual quotient, which will surely enable them to contribute effectively to mankind, nature and society at large."

13

Principal
Indore Institute of Pharmacy,
INDORE (M.P.)

MISSION 2023-2028

1. To promote a sound interdisciplinary research eco system for achieving competencies in the pharmaceutical by establishing research centre.
2. To enhance employability, entrepreneurial and innovation quotient amongst the students to make them ready for industry 4.2/5.0 and as well as creative leaders.
3. To provide exceptional education in pharmacy and technical knowhow to students in their respective fields so that they can lead effectively and contribute for new drug development and innovations.
4. To develop an environment friendly, green campus equipped with state of art infrastructure and amenities.
5. To provide a sound eco system by recruiting highly qualified, talented and motivated faculty and retaining them by improving our internal mechanisms and support system.
6. To equip students with the technical AI skills to meet the futuristic challenges and demand of AI in healthcare industry.

Principal
Indore Institute of Pharmacy,
INDORE (M.P.)

STRATEGIC PLANNING

2023-2028

1. Strengthening our core philosophy

- To support meritorious and talented students regardless of their economic circumstances.
- To retain and to recruit exceptional, dedicated faculty and committed staff of integrity.
- To emphasis on enhancing employability quotient with holistic development based on our Samgra Samutkatsh Yojana.
- To impart most advance technical knowhow through our SIGs that incorporated the tenets of NEP 2020 and NSDC Skill India program, IIP shall organize various SIGs for all semesters;

I year – Microsoft Excel training by Industry Professionals

II year – Technical SIGs – Tableting Technology; GLP Expertise

III year – SIGs in Advanced areas – Clinical Trial data management and pharmacovigilance; Advanced Instrument handling techniques

IV year – SIGs for Industry readiness - Quality management systems; Pharmaceutical Marketing; Data analytics and basic statistics; 3D-printing; Herbal drug cultivation and manufacturing; Artificial Intelligence in Pharmacy Practice, Data Analytics, ML.

2. Establishment of Research Centre:

- To make strategic investment in research infrastructure.
- The basis of PG courses in Pharmacy is quality research. The Institution is conducting PG programs in Pharmaceutics and Pharmaceutical Quality Assurance, which are the two core Industrial programs tightly knit with applied research. PharmD course is approved by PCI and will commence from July 2024 session.

The Research Center at IIP shall focus on novel areas of drug delivery systems, analytical & bioanalytic method development, impurity profile bio-active isolation in Pharmaceutical Research that includes but shall not be limited to-

- 3D-printing of dosage forms.
- Use of nanotechnology to develop and optimize drug delivery systems.
- Provide platform for manufacturing and screening of novel drug delivery systems.

Center for sophisticated instruments in pharmaceutical research.

3. Establishment of Incubation center in collaboration with MSME, Govt. of India.

In line with the 'National Innovation and Start-up Policy 2019 for students and faculty in HEIs was launched by Former Minister of Education, Shri Ramesh Pokhriyal 'Nishank' on 11th September 2019 at AICTE, New Delhi; the institute has taken steps towards development of its own incubation center in collaboration with MSME, Govt. of India that shall:

- Initiate the process of ideation amongst its students
 - Provide a platform for students to learn the nitty-gritty of entrepreneurship.
 - Encourage students by providing financial resources for start-up initiation.
- 4. Ensuring a robust ecosystem to enable our students, faculty and staff to achieve excellence in all their endeavors.**
- 5. Enabling faculty and students to work across traditional boundaries by promoting multidisciplinary approach.**
- 6. Upgradation of laboratories with advanced technology.**

The power of ideation and entrepreneurship amongst the students cannot be harnessed without state-of-the-art advanced laboratories. The thrust for laboratory developments at IIP includes labs like –

- Machine rooms – Core facility for drug manufacturing
- Instrument Room – Laboratory equipped with sophisticated analytical and accessory equipments for API characterization and analysis of dosage forms.

Indore Institute of Pharmacy

Affiliated to - BOP (Bhopal) | Approved by - AICTE (New Delhi) & PCI (New Delhi)
Register - Under UGC (17)

- Medicinal garden and Pharmacognosy laboratory – Facility for optimized herbal drug manufacturing and extraction technology development.
 - Biotechnology, Microbiology and Pharmacology Lab – Facility for cell culture, callus culture and animal experimentation.
- 7. More emphasis on industry academia relationship to bridge the gap.**

The vision of the Institute is to produce competent industry professionals and hence industry relationship is priority at IIP. The nearby location of industrial area is favorably explored by the institution for frequent visits of its faculty and students.

The gap-bridging is done by organization of frequent industry visits, guest lectures and training workshops, Internship programers.

- 8. MOUs/tie-ups with National and International Universities and research organizations.**

Competency building amongst students is achieved via functional MOUs with National and International Universities and research organizations NFB, TCS e.g., conduct of SIG course from NIPER, IIM, IICT etc.

- 9. Initiation of new courses in emerging areas like Pharm D and MBA Pharmaceutical Management (M.Pharm Bio-technology).**

Covid-19 has shifted the focus of Pharmacy industry from being a medicine provider to a healthcare provider and pharmacist is now looked upon as a key component of healthcare system and a frontrunner for the Covid-19 warrior spot.

To provide students with an opportunity to explore career as a healthcare professional, the institution has envisioned launching PG program in Pharm D and Pharmaceutical Management.

The current scenario shows students' inclination towards healthcare sector and may bring favorable outcomes for students pursuing both PG programs.

10. Creation of the success stories of the students and alumni.

"Nothing succeeds like success". Indeed, a budding pharmacist is always for a look out for inspiration to thrive in his ventures and bring into reality his ideation. Who other than his senior fellows would bear the torch?

The Institute has created a registered society for Alumni of IIP and is delightfully providing a platform, where success stories can mingle and get shared between the group of enthusiastic budding pharmacists and their mentors. These efforts are continuously motivating students to do well in their careers.

11. Faculty engagement in research and advanced learning in view of NEP.

NEP has mandate for accreditation of all higher education institutions, and entrusts novel pedagogy, curriculum and academic flexibility to students. This is ensured only when faculty shall be engaged in research and advanced learning methods.

At IIP, this is ensured by a structured framework for teachers that provide a round the clock guidance to them to achieve their annual targets. In research and learning comprising of participation in SWAYAM, NPTEL, MOOC courses not only as learners but also as mentors.

Research projects conduct, writing for grants, paper publications, paper presentation and patent filing workshop on IPR(Assocham-MSME platform). All these activities are promoted by the Research Promotion Policy Document, 2022 at IIP.

12. Promotion of extension/out-reach activity through social connects.

The NEP aims to create good human beings with high EQ and SQ. This can only be done if the student learns to connect to society and works for its betterment. These values shall be inculcated in students at IIP via platforms like NCC, NSS, Red cross, Rotary Club activities that will include spreading awareness of Govt. policies in the society and also shall help in creation of responsible citizen.

Indore Institute of Pharmacy

Affiliated to - BOP (Bhopal) (Approved by - AICTE (New Delhi) & PCI (New Delhi))
Register - Under UGC (17)

1. The projects will be jointly carried out by **National Facility for Biopharmaceuticals** and **Indore Institute of Pharmacy** depending upon the requirements and infrastructure facilities, leading to research & other value-added services/projects.
2. The collaborative work for education, research, seminars and projects will be decided with mutual discussion and consent of **National Facility for Biopharmaceuticals** and **Indore Institute of Pharmacy**.
3. **National Facility for Biopharmaceuticals** and **Indore Institute of Pharmacy** will mutually advice and support in planning and executing programs promoting excellence in respective areas of research.
4. **National Facility for Biopharmaceuticals** will also be providing guidance for the purpose of conducting collaborative research project.

It is therefore agreed by the two parties to co-operate with each on the following points.

1. JOINT CONFERENCE/WORKSHOPS

Both the parties agree to hold/conduct, whenever feasible (At least one in a year), national events, Joint workshops, conferences, training programs within the areas of mutual interest like:

- ✓ All B. Pharm/M. Pharm Subject areas
- ✓ Advanced Pharmaceutical Science
- ✓ Pharmacovigilance
- ✓ Clinical Data Management
- ✓ Clinical Research
- ✓ Drug Regulatory Affairs
- ✓ Medical Coding
- ✓ Medical Writing
- ✓ Medical Summarizing
- ✓ Medical Transcription
- ✓ Placements
- ✓ Bioanalytical techniques in Biopharma
- ✓ Data Analytics
- ✓ Insights of Clinical Trials
- ✓ Bioinformatics and Biostatistics

Registered Under UGC 2(F)

2. VALUE ADDED COURSES / INDUSTRIAL TRAINING

Both the parties are agreed that will design and conducted the Value-added courses and industrial training for existing/ other pharmacy students if needed.

3. TRAINING

National Facility for Biopharmaceuticals can conduct training sessions to students on Experimental and Applied Microbiology, Molecular cloning in Prokaryotes, Downstream processing and Protein Purification, Fermentation Process & High Cell Density Cultivation, Bioanalytical techniques in Biopharma, Techniques in Mammalian cell culture, Data Analytics, Insights of Clinical Trials, Bioinformatics and Biostatistics at Indore Institute of Pharmacy, Indore (M.P.) or National Facility for Biopharmaceuticals, Guru Nanak Khalsa College of Arts, Science & Commerce, Nathalal Parekh Marg, Matunga East, Mumbai whichever is feasible.

4. SERVICES TO STUDENTS

Both the parties will involve and cooperate for the services to the students that may be provided by National Facility for Biopharmaceuticals at Indore Institute of Pharmacy, Indore (M.P.) or National Facility for Biopharmaceuticals, Guru Nanak Khalsa College of Arts, Science & Commerce, Nathalal Parekh Marg, Matunga East, Mumbai whichever is feasible.

- ✓ Skill development
- ✓ Pharmacovigilance internship/certified training & Jobs
- ✓ Advanced Pharmaceutical Science internship & Jobs
- ✓ Clinical Trials internship/ certified training & Jobs
- ✓ Clinical Data Management training & jobs
- ✓ Drug Regulatory Affairs training & jobs
- ✓ Research paper / Report writing guidance
- ✓ Animal studies guidance
- ✓ Clinical & pharmaceutical research guidance
- ✓ Experimental and Applied Microbiology
- ✓ Molecular cloning in Prokaryotes
- ✓ Downstream processing and Protein Purification

- ✓ Bioinformatics and Biostatistics

5. SERVICES TO THE COLLEGE / INSTITUTES

Both the party will involve and cooperate for the services to the party or other colleges that may be provided by National Facility for Biopharmaceuticals like:

- ✓ Certified Training to Faculties & Students on different medical & pharmaceutical & biopharmaceuticals domains and Value-added courses
- ✓ Induction program for fresher
- ✓ Tie ups for all academic related activities
- ✓ Guest lectures
- ✓ Contract research
- ✓ Summer internship training programs
- ✓ Association for workshops & conferences
- ✓ Accreditation consultancies
- ✓ Research grant assistance
- ✓ Projects and research collaboration
- ✓ Project and research grant assistance

6. SERVICES /TRAINING STANDARD

Standard for any service will be based on International/National regulations and guidelines of the concern departments.

7. PERIOD OF AGREEMENT

This MoU becomes effective upon the date of the last Party to sign _____ and will continue in effect for three years. It may be modified by mutual written consent or terminated by either party upon a 30-day advanced written notice to the other party. The Parties agree to evaluate the MoU periodically during the effective period, but at least once annually, on or before the anniversary of the effective date. Upon evaluation, either Party shall have the option of continuing, modifying, or canceling this agreement as per mutual understanding.

INDORE INSTITUTE OF PHARMACY

A Report on Health Checkup Camp Conducted on Explore and field visit for problem Identification

IIC Activity

Indore Institute of Pharmacy in association with Choithram Hospital & Research Centre conducted a *Health Checkup Camp* on 23rd Nov 2023 at Narlai Village, for the villagers & school students of Narlai, Sindodi and Muklaye Village, which is the adopted village by IIST Group of Institutions.

Field Visit by:

- 30 students of B. Pharm IInd year and IIIrd year of IIP. Faculty Coordinator Dr Rekha Bisht and Faculty in charge : Mr. Rohit Sahu along with Two Faculty members: Gaurav Sarsodia, and Ms Anita Patidar and two Peons.
- IIP arranged for college bus for the transportation for the Students and faculties to Narlai Village.
- 15 eminent specialized doctors from Choithram Hospital:-Gyneacologist, Paediatrician, Gastroenterologist, Orthopaedic Doctor, general physician & ENT specialist. Five Nurses accompanied them. Hospital Administrators, Mr coordinated the health camp.

Object

To conduct health checkup camp for villagers and school students of Narlai, Sindodi, and Muklaye Village. This activity was important to provide treatment, consultancy and also to identify their major health issues and provide sufficient information regarding medication management and diet control.

Activity

- We had 15 eminent specialized doctors from Choithram Hospital:-, Gynaecologist, Paediatric, gastroenterologist, orthopaedic specialists, General Physician & ENT provided consultancy services.
- **Health Checkup:** ECG (for patients referred by doctors) & ENT Checkup , Blood pressure, blood sugar, BMI. Our students and faculties were fully involved in some of the health checkup tests..
- Blood group Testing for school students: This was required for their data collection by school authorities.
- **Free medications** were dispensed to patients
- The health camp was conducted from 10 am to 3 pm. Our Honorable director sir inaugurated the camp and principals of IIST and IIMR, Dr Keshav sir and Dr Aradhana Chouksey mam graced the occasion.
- Following Dr. were present in Health Camp

1. Dr. Moulshree Sharma (Medicine)
2. Dr. Garima Parsai (Dietitian)
3. Dr. Akanksha Pandey (Paediatrics)
4. Dr. Chaitali Sainkar (OBGY)
5. Dr. Ajay Shrivastava (Orthopaedic)
6. Dr. Anshu Raj (ENT)
7. Dr. Priyank Shah (Gastroenterologist)
8. Dr. MK. Sachin

PROBLEM IDENTIFICATION:

A survey was conducted by our students of IIP during the camp, for determining the status of health condition and awareness of the villagers.

Survey: A health checkup of 218 Patients was conducted. They stated:

- Majority of the patients were above 55 years. Approx. 60-hypertensive patients;
- 45 Patients are found to diabetic.
- 87 school children were checked for common ailments like cough, cold, poor appetite.
- The students evaluated the status of patients health condition and their living conditions & lifestyle to identify the obstacles and challenges they faced .

It was noted that the

1. Diabetic and hypertensive patients were not regular and not taking their medications properly as prescribed by the doctor. **POOR MEDICAL MANAGEMENT.**
2. Unmaintained life style and not balanced Diet of people.
3. Children had poor health. Many of students were suffering from malnutrition due to taking poor diet.

SOLUTION PROVIDED.

1. Students of IIP, counseled the patients (diabetic and hypertensive) on Medication management. They advised them to complete the course and take medicines on time and follow routine check up
2. Counseled the patients on Diet plan and lifestyle management (Exercise)
3. Counseled the students and parents on balanced diet and protein rich diet for ensuring good growth and development of children..
4. Dispensed & distributed medicine for common ailments
5. Shared health-related information

Sarpanch of Gram Panchayat Narlai appreciated this Health Checkup camp. He expressed his thanks to Shri Arun s Bhatnagar, Doctors, and Health Checkup camp Team for conduction of Health Checkup camp. He said that this type of activity is very helpful for the all villagers to improve their health and mental awareness.

The health camp conducted, fulfilled our role as pharmacists, whereby our students of IIP, counseled the patients on Medication management (specially the diabetic and hypertensive) and diet control. Additionally they advised parents on healthy, protein rich diet for children. This Activity is befitting to our purpose of the role of pharmacists in the well being of the society- Patient safety.

Policy for promotion of Research and Publication

FOR STUDENTS

Student at IIP, can gain valuable research experience and contribute to the academic community through publishing their work. To encourage the efforts of students, IIP offers financial support.

Publication Incentives:

- Category 1: Rs. 1,000 for article publication in conference.
- Category 2: 50% of registration fees for article publication in IEEE / Scopus indexed conference.
- Category 3: Rs. 4,000 for article publication in UGC CARE journal.
- Category 4: Rs. 12,000 for article publication in SCOPUS/WoS indexed journal.
- Category 5: Rs. 40,000 for article publication in SCI / SCIE indexed Journal.

Distribution of incentive amount:

- First author: 100% (if applicable).
- Second author: 70% (if applicable).
- Third author: 40% (if applicable).

Additional Notes:

- Only one grant will be given for one publication.
- Students can claim only one grant in one category during their tenure of program. (Except SCI/SCIE publication category).
- All publications and presentations must acknowledge IIP affiliation.
- All grants are subject to the availability of funds.
- Students must apply for funding through the Research and Development Cell (RDC) and respective department.

A Report

On Workshop on "3D Printing Technology"

**Organized by Indore Institute of Pharmacy Indore on
26/08/2023**

Event Details:

- ❖ **Name of Workshop:** 3D printing Technology
- ❖ **Name of the Speaker:** Huzefa Babji (3D prototyperz)
- ❖ **Date of Seminar:** 26th August
- ❖ **Number of Participants:** 40 Students
- ❖ **Objectives of Seminar:** To understand the concept & importance of 3D printing Technology future.
- ❖ **Outcome of Seminar:**
Students & Faculties will be able to:
 - Understand types of 3D Printing technology available in market and how it works.
 - Understand the range of pharmaceutical products that can be printed on 3D printers and type of Material used for it.

Event description:

Objective: 3D Printing technology is one of the most popular manufacturing processes in the industry. As Pharmacist, a student should be aware of advanced manufacturing process like 3D printing. To fulfill this skill in the students, a training workshop on programming in ultimaker Cura and operate modeling software like Auto CAD and practical session on 3D printing machine to make different part as application has been organized. This program will help students with their projects, competitions and create better career profiles.

About Expert Session: - This session was organized by the Head of Department of Pharmaceutics- **Dr. Nadeem Farooqui**. Total 49 students of different branch took the benefit of the session. The session was very interesting, and participants actively interacted with the expert. The session had successfully met the objectives for which it was planned and organized.

Indore Institute of Pharmacy

Indore Institute of Pharmacy College Indore has organized One day workshop for B Pharmacy 7th Sem students on "3D Printing Technology". The aim of the workshop is to make students aware about concept & importance of 3D printing Technology. The workshop was also attended by the students of IPS and Medicap College. The workshop started with welcoming guest by respected principal sir Dr. Gurmeet Singh Chhabra and few encouraging words about the current scenario in industry from principal sir.

Session wise Content

The workshop was divided in three sessions.

Session-1: Introduction

In first session Mr Huzefa Babzi sir has presented and explained to students about background of how 3D printing technology evolved. They also explained about the various types of 3D printing technology available in market and how they differ in printing object. Mr Huzefa Babzi sir has also shown the recent trends or developments in the world regarding 3D printing Technology. Sir has also explained them about how 3D priming technology is used in range of areas like manufacturing, Health care & Medicines, Education, Fashion, construction industry. How 3D printing technology is changing the job creation in the world.

Session-2: Application of 3D Printing in Pharmaceutical Field

In the Second session Ms. Parul Vaishnav (Assistant Professor) has explained to students regardless of the specific applications of 3D printing in Pharmaceutical Field. 3D printers offer rapid turnaround times when it comes to taking a digital concept, and placing the physical results of that concept into a user's hand. As the technology surrounding it improves, 3D printers will become increasingly versatile. They'll be used for an ever growing number of tasks, in a manner similar to the last two decades of digital expansion via personal computers. Imagine third world village printing vital medical equipment on demand. Imagine hospitals being able to print organs on demand instead of waiting for a donor. 3D printers have virtually limitless potential as the technology driving them improves. They also offer typical consumers endless opportunity for product customization. Imagine never needing to break in a new pair of shoes again. You also won't have to worry about selecting the shoe size that's the closest fit – instead, you'll be able to scan your feet and design a shoe that fits them perfectly.

Session-3: Hands on experience on 3D Printer

The session started with hands on experience on 3D printing machine. Students started to design of medicine on 3D Printer, and they are very surprised to see working

Internal Quality Assurance Cell

Letter No. IIP /09 / 2023-24/I.Q.A.C.-Meeting

09-01-2024

Circular

Subject – Quality cell meeting to the members.

Respected Members,

A IQAC meeting is scheduled on 11-01-2024 at 02:00 PM in institutional seminar hall. All the members of Internal Quality Assurance Cell are required to attend the meeting. The points to be discussed in the meeting are as follows:

Agenda

1. Received approval for Pharm.D.
2. Academic calendar Jan- June 2024
3. Proposal for the upgradation of instrument lab for purchase of new instruments-FTIR, HPLC.
4. Increase in the number of research papers in journals.
5. Approval for new research policy
6. Received approval as Host Institute under incubation committee component of MSME Innovative scheme
7. Planning of industry visit.
8. Approval & Implementation of SIG Jan-June 24
9. Implementation of SOP Academics.
10. Conduction of Placement Drives for final year students
11. Planning of GPAT classes.

Letter No. IIP /09 / 2023-24/I.Q.A.C.-Meeting

Minutes of meeting of Quality Cell held on 11-01-24

Internal Quality Assurance Cell of IIP

1. Shri. Arun S. Bhatnagar (Management Representative)
2. Dr. Nimita Manocha (Principal, IIP)
3. Dr. Rupesh Gautam (Coordinator)
4. Dr. Gurmeet Chhabra (Exam coordinator)
5. Dr. Nadeem Farooqui (Academic coordinator)
6. Dr. Pritesh Paliwal
7. Dr. Rekha Bisht
8. Mr. Darshan Jamidar (Head- Placement)
9. Mr. Gaurav Sarsodiya
10. Mrs. Nayany Sharma
11. Mr. Ankit Jain (Director academics, IIST Group)
12. Mr. Rajesh Bhadari (GM, Finance)
13. Dr. Saurabh Shrivastava (Dy Director, HR)
14. Ms. Shilpy Singh (EXPERT from Industry: DGM Technology Transfer, Piramal)
15. Dr. Karunakar Shukla (Society representative)
16. Mr. Yash Rawka (Student representative)
17. Mr. Saurabh Chouhan (Alumni representative)

The meeting commenced by a warm welcome note by Dr. Rupesh K Gautam (IQAC Coordinator)

1. IQAC Coordinator Dr. Rupesh Gautam informed committee that the approval for the Pharm .D was received on 30th November 2023.
As per the discussion with management and Principal IIP, admissions for the Pharm .D for the session 2023-24 will not be taken as the approval received is late.
2. Dr. Nadeem Farooqui (Academic Incharge) prepared the academic calendar for Jan – June 24 which included the distribution of workload and lecture plan submission for the assigned subjects to the faculties.

3. The upgradation of the instrument lab was being inspected and purchase of new instruments FTIR &HPLC was proposed.
4. Dr. Nimita Manocha (Principal, IIP) encouraged the Faculties to publish new research articles and Review papers in journals to enhance their overall academic growth.
5. The research policy for the year 2024 was being approved.
6. Dr. Nadeem Farooqui (Incharge of Incubation) informed the committee about receiving of the approval as the Host Institute for implementation of Incubation Component under MSME Innovation Scheme on 3rd January 2024.
7. Dr.Nimita Manocha instructed the training and Placement Cell to plan for the industrial visit for the B.Pharm & M.Pharm students.
8. The SIG for Jan –June 2024 was approved and the committee instructed the academic incharge, Dr. Nadeem Farooqui to add the SIG in timetable and asked the SIG coordinators to prepare & complete SIGs timely.
9. Academic SOP was approved and academic incharge Dr. Nadeem Farooqui suggested to adhere to the components of SOP strictly. Principal IIP, Dr. Nimita Manocha asked the academic incharge to report periodically about the adherence to the SOP.
10. Mr. Darshan Jamindar (Training & Placement Officer) was instructed to conduct the placement drives for the final year students in various companies as per the choice & requirement of the students.
11. IQAC instructed to conduct a crash course for GPAT 2024 for final year students on every working Saturday for the students interested in competitive exams.

Policy for promotion of Research and Publication

FOR STUDENTS

Student at IIP, can gain valuable research experience and contribute to the academic community through publishing their work. To encourage the efforts of students, IIP offers financial support.

Publication Incentives:

Category 1: Rs. 1,000 for article publication in conference.

Category 2: 50% of registration fees for article publication in IEEE / Scopus indexed conference.

Category 3: Rs. 4,000 for article publication in UGC CARE journal.

Category 4: Rs. 12,000 for article publication in SCOPUS/WoS indexed journal.

Category 5: Rs. 40,000 for article publication in SCI / SCIE indexed Journal.

Distribution of incentive amount:

- First author: 100% (if applicable).
- Second author: 70% (if applicable).
- Third author: 40% (if applicable).

Additional Notes:

- Only one grant will be given for one publication.
- Students can claim only one grant in one category during their tenure of program. (Except SCI/SCIE publication category).
- All publications and presentations must acknowledge IIP affiliation.
- All grants are subject to the availability of funds.
- Students must apply for funding through the Research and Development Cell (RDC) and respective department.

FOR FACULTIES

IIP encourages faculty to engage in scholarly pursuits through financial incentives for various publication and research activities.

Category 1: Journal Publication Incentives:

- Rs. 4,000 for article publication in UGC CARE journal.
- Rs. 12,000 for article publication in SCOPUS/Web of science indexed journal.
- Rs. 40,000 for article publication in SCI / SCIE indexed Journal.

Category 2: Conference Publication Incentives:

- Rs. 1000 for article publication in conference.
- Rs. 6000 for paper publication in SCOPUS/IEEE/Web of science indexed conferences.

Category 3: Book Publication Incentives:

- Book publication with National Publisher and with ISBN No: Rs. 7000
- Book publication with International Publisher and with ISBN No. Rs. 15000

Category 4: Book chapter Publication Incentives:

- Edited Book chapter with International Publisher and with ISBN No. Rs 2000.

Category 5: Patent/ Copyright / Design Patent Incentives:

- Registration fees of Copyright and Patent will be paid by the Institution. (As per recommendation of institute R and D Cell).

Category 6: Workshop / Conference Attended / Professional Membership Incentives:

- Conference / Workshop attended national and International in India: 50% of registration amount + Duty leave.
- Conference / Workshop attended outside of India: 50% of registration amount or Rs 15000 whichever is minimum.
- Membership of professional bodies cost: 50% of registration amount.

Distribution of incentive amount:

- First author: 100% of publication cost.

- Second author: 70% of publication cost.
- Third author: 40% of publication cost.
- Forth author: 20% of publication cost.

Additional Notes:

- Budget Allocation for once publication year.
 - Professor: Rs. 1,00,000 *
 - Associate Professor: Rs. 60,000 *
 - Assistant Professor: Rs. 30,000 *
- Faculty can claim for category wise in one publication year are as follow:

Category	Maximum you can apply in one publication year
Category - 1	03
Category - 2	01
Category - 3	01
Category - 4	01
Category - 5	02
Category - 6	01

- All publications and presentations must acknowledge IIP affiliation.
- All grants are subject to the availability of funds.
- Faculty must apply for funding through the Research and Development Cell (RDC) and respective departments.
- Only one grant will be given for one publication.
- Policy is effective from 1st Jan 2024.

***Funding limitations are not applicable for SCI/SCIE publications.**

GUIDELINES FOR IIP

General Instruction for Students

1. Strict discipline in class for both students as well as faculty
2. Very Crystal Clear Policy of attendance – Refer Annexure 1
3. Very Crystal Clear Policy of Medical Consideration – Refer Annexure 1
4. Emphasis on Communication skills and aptitude
5. Encouraging Entrepreneurship skills and startups
6. Students must ensure that their personal information is update like parent's mobile number, address etc

General Instruction for faculty members

1. Punctuality must be observed at all cost.
2. Daily and timely ERP attendance is mandatory for SIG's, Regular classes etc.
3. Whosoever would like to take leave should be inform quite in advance.
4. No class should remain unattended
5. Evaluation scheme must be display and shared with the students in advance.
6. Strict implementation of Academic SOP – Refer Annexure 2
7. Adopting Best Practices in teaching (At least two days in advance lecture notes through ERP and list of reference books must be given. Faculty while preparing lecture notes should write the names of reference books) – Refer Annexure 2
8. Emphasis on review/research papers for faculty members – Refer Annexure 3
9. SIG's and must be link with outcome like NPTEL Certification, Mini Project etc
10. Lecture engagement must be done properly and if you engaged the lecture then you must be present on time and mark in ERP in Engaged Lecture category.
11. Faculty must be available for whole duration in Lab session also and perform experiment or coding experiment by yourself.
12. Every working Saturday one faculty must be conduct session on technical topic in front of other faculty members
13. Syndicate Incharge must ensure that their respective students personal information is update like parent's mobile number, address etc in ERP as well as in department.
14. The following documents must be submitted by concern coordinators before starting of any new semesters are as follows:
 - a. Load Calculation (Academic coordinator)
 - b. Load Distribution along with addition responsibilities (Concern branch HOD/Principal)
 - c. Name of Lab In charge (Concern branch HOD/Principal)
 - d. Mentor Mentee List and Final Year Placement Mentee List (Concern branch HOD/Principal)

Internal Quality Assurance Cell

Letter No. IIP/10/2023-24/I.Q.A.C.-Meeting

16-05-2024

Circular

Subject: Quality Cell meeting intimation to the members.

Respected Member's

Quality Cell of Indore Institute of Pharmacy meeting is scheduled on 17-05-2024 at institutional seminar hall at 9:00 AM. All the members of Internal Quality Assurance Cell required to attend the meeting. The points to be discussed in the meeting are as follows:

Agenda

1. Academic-Planning of commencement of session July-Dec., 2024 as per RGPV guidelines/ calendar.
2. Proposal and stringent follow up of the implementation of Standard Operating Procedure (SOP) designed by Group Advisor sir and Director Academics.
3. Event Calendar approval for session July-Dec., 2024.
 - IIC/NSS/extension and outreach activity
4. SIG approval for July-Dec., 2024
5. Preparation for Pharm D
 - Recruitment of faculties for Pharm-D
 - Allocation of classroom and labs
6. Performance analysis of students

- Review and assessment of result analysis and placements.
7. Updating of sophisticated instrument lab and planning for purchase of new instruments.
 8. Preparation of upcoming PCI inspection.
 9. Status of AQAR preparation for 2023-24.
 10. Proposal planning for workshop, guest lectures and IIC events for session July-Dec. 2024.
 11. Discussion on enhancement of the MoUs.
 12. Implementation of new research policy.
 13. Discussion on incubation projects and preparation of MSME incubation center (Host institute).
 14. Planning of Alumni contribution and interaction meeting.
 15. Proposal to appoint class representatives.

Ipca: A consumer-led global pharmaceutical company, creating healthy doses of life since 1949. When you operate in an industry like pharmaceuticals, your work goes way beyond creating 'products for customers'. It is different from any other domain – there lies a higher sense of responsibility and a need for utmost integrity in everything you do. As you serve millions of lives, high quality standards become a pre-requisite, and safety of your people and consumers always comes first. All this, while ensuring that each life you touch is treated with respect and dignity. This is how Ipca works. For more than 60 years, Ipca has been a crucial healthcare partner in over 120 countries across the 6 continents. We are a fully-integrated pharmaceutical company that manufactures over 350 formulations and 80 APIs for various therapeutic segments. Today, Ipca is one of the world's largest manufacturers and suppliers of over a dozen APIs. These are produced from scratch at fully-automated manufacturing facilities, approved by the world's most discerning drug regulatory authorities like UK-MHRA, EDQM-Europe, and WHO-Geneva, among others.

Taking the industry forward

- One of the largest suppliers of these APIs worldwide with manufacturing leadership in over 12 APIs globally
- 15 APIs & 11 Formulations manufacturing facility across the globe
- Leading brands in Pain, Rheumatology, Antimalarials and Hair care therapy in India
- 5 formulations rank amongst the top 300 brands of Indian Pharmaceutical Market as per IQVIA October 2023

GROUP OBSERVATIONS/ DISCUSSION

Principal,
Indore Institute of Pharmacy,
INDORE (M.P.)

After the visit there was a session conducted by, HR head at Ipca Laboratories Ltd. In the discussion he told about the history how Ipca started, the milestone company have achieved in a very short span. The story behind Ipca success and the headquarters of the company around the globe. He also told about the career opportunities and options student can explore to work with the firm.

There was a quick question-answer session regarding the career opportunities, interviews, technical round and many more questions are asked by students out of the curiosity to prevail a good career in pharmaceutical industry.

CONCLUSION

The wonderful opportunity provided by the institute to students to explore the practical side of the pharmaceutical industry. The visit was full of informative sessions, a tour to the various departments, interaction with the team and many more. The visit ends with the refreshment to the students and faculties.

Lupin's manufacturing philosophy is simple yet strategic — we consider the needs and priorities of our key stakeholders to provide maximum impact. We are focused on innovation, and the development of safe, effective life-saving drugs for our patients. We encourage lean manufacturing and work towards eliminating inefficiencies. We facilitate teamwork and problem solving, attracting and retaining a diverse workforce. Our manufacturing footprint — 15 world-class facilities spread across India, the U.S., Brazil and Mexico — are designed to deliver the promise of caring that Lupin has come to symbolise – that no patient shall be denied access to high-quality, affordable medicines. We hold ourselves to the highest ethical standards, investing in technology, automation and modern systems to minimise human error, maintain quality and enhance profitability. The focus on manufacturing excellence allows us to maintain our pre-eminence as a leader in formulations and APIs. It has helped us achieve best-in-class standards in both manufacturing and quality operations.

TO WHOM IT MAY CONCERN

This is to certify that Miss Upma Shukla, D/O Mr Rakesh Shukla, a Pharmacy student from **INDORE INSTITUTE OF PHARMACY, INDORE(M.P)** has completed internship at Azis Labs Pvt.Ltd. The duration of the internship was from 18th August to 8th September 2023.

Her role was to familiarize herself with all the processes at the organization. She spent a significant amount of time in each department and learnt in-depth what the flow of work is like. Miss Upma Shukla is a diligent individual and particularly inquisitive.

We hope her time spent at Azis Labs was fruitful. We wish her all the success in his future.

ACTION TAKEN REPORT BASED ON FEEDBACK 2023-2024

B. PHARMACY

Category	Questions	Action taken by Department
Course Wise Feedback	I have been able to contact faculty when I needed to.	Syndicate incharges were advised to increase frequency of their meetings with their syndicates. Faculties are to be easily available and approachable through WhatsApp and on tele-calls and meeting in faculty cabin.
	Overall rating of the program	Exposure to wider scope and career opportunities through expert lectures, workshops, field trips, educational tours, industrial visits, internship programs are planned for enhancing student knowledge and career scope in the profession.
Program Wise Feedback	Internship Support	Training and placement teams were advised to increase support for training and arrange internship for students in various companies. Each faculty were given group of 10 students to guide and mentor them.
	The ability to work as individual as well as collaborate with others and take lead to attain a common goal	For project work, faculties are advised to form a group/ team of 2-4 members which will enhance their teamwork, leadership skills and technical skills whereas practice school students undergo individual training in healthcare centers to develop their identity in professional field.
