National Consumer Rights Day was commemorated with an enlightening expert lecture at Indore Institute of Pharmacy on January 09th, 2024. The event brought together expert, faculty members, and the students to discuss the significance of consumer rights in the contemporary landscape.

India celebrates National Consumer Rights Day on 24th December every year to raise awareness about consumer rights and responsibilities. Ensuring consumer awareness entails providing buyers with information about products, goods, services, and their rights. This awareness is essential to enable consumers to make well-informed decisions and choices that align with their needs.

The day commemorates the day when the Consumer Protection Act 1986 received the President's assent on December 24, 1986.

In commemoration of the National Consumer Rights Day, Indore Institute of pharmacy, has organized National Consumer Rights Day on January 09th, 2024 at 3:00pm-4:00pm. The program was planned and organized under the guidance of **Dr. Nimita Manocha, Principal, IIP**. The event commenced at 3:00pm. HODs and faculty members of IIP were also present in the event. Students actively participated in the events and gained knowledge regarding consumer rights. The programme came to an end by 4:00pm. The program was coordinated by **Dr. Gurmeet S. Chhabra, HOD, Department of Chemistry, IIP**.

Our eminent expert speaker for the day was Mr. Nayan Bhidodiya, Assistant Professor, Indore Institute of Management and Research, Rau, Indore. He enlightened students about consumer rights, delved into case studies, and discussed laws pertaining to consumer rights. This aimed to provide students with knowledge about their rights as consumers. He illustrated with examples of everyday items, emphasizing how students should analyze their purchases to ensure they are beneficial for them.

A Report on Gandhi Jayanti

Indore Institute of Pharmacy, Indore organized Cleanliness Drive under Swachh Bharat Swasth Bharat Abhiyaan Programme on the occasion of Gandhi Jayanti. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, all the students had to participate. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole campus. The sweepers of the institution had to be the observers. Our Principal started the programme by cleaning the corners of the playground. Then the teachers and students followed suit. Some of us picked brooms and started our job. Some of the students did the dusting of the rooms and others went to the playground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for two to three hours, we all assembled in the seminar hall. There we were given refreshment.

Thereafter our Principal delivered the speech telling us the importance of sanitation. He also honored the sweepers of the institution for their noble job. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country forever.
