National Consumer Rights Day was commemorated with an enlightening expert lecture at Indore Institute of Pharmacy on January 09th, 2024. The event brought together expert, faculty members, and the students to discuss the significance of consumer rights in the contemporary landscape.

India celebrates National Consumer Rights Day on 24th December every year to raise awareness about consumer rights and responsibilities. Ensuring consumer awareness entails providing buyers with information about products, goods, services, and their rights. This awareness is essential to enable consumers to make well-informed decisions and choices that align with their needs.

The day commemorates the day when the Consumer Protection Act 1986 received the President's assent on December 24, 1986.

In commemoration of the National Consumer Rights Day, Indore Institute of pharmacy, has organized National Consumer Rights Day on January 09th, 2024 at 3:00pm-4:00pm. The program was planned and organized under the guidance of **Dr. Nimita Manocha, Principal, IIP**. The event commenced at 3:00pm. HODs and faculty members of IIP were also present in the event. Summary

Ganesh Chaturthi was observed on the IIP campus. The Lord Ganesh idol was fully decorated with flowers, petals and rangoli. In the morning, the idol was taken from the boy's hostel to the b-block by all of the students present, including Principal Madam as well as the wardens and faculty members. All of them were singing, dancing and throwing colors at each other in between. The Lord Ganesh idol was placed in the mess area along with the whole morning of evening rituals of arti and puja as well as a cultural programme that was conducted by ladies and boys students from the respective dormitory in addition to faculty members in the late evening. The visarjan ceremony was held on the 20th September with early rituals, puja and arti in the presence of Principal Madam, all of the department heads, campus faculty and staff as well as students from both the girls' and boys' dormitory.

It is honoured as Lord Shiva and Goddess Parvati were moved by his devotion to his parents and his cunning in winning the race, and they bestowed upon him the fruit of knowledge as well as immortality. This is the reason we always ask Lord Ganesha's blessing before starting anything new.
