3.4.1.

Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the last five years

Indore Institute of Pharmacy believes in inculcating right moral ethos in their students along with creating perfect professionals. In order to achieve this goal, the institute launched the Samagra Samutkarsh Yojna, which aims for the holistic development and creating a good human being and a responsible citizen. Thus for the holistic development and to sensitize the students to social issues, the institute is actively involved in engaging and encouraging the contribution of their students by making them involved in College-Neighborhood-Community network and increasing student engagement in extension activities. Through these extension activities students are motivated to participate in need based outreach activities, such as blood donation camps, Road safety awareness, world health day, world environment day, tree plantation, etc. Participation in such activities encourages the sense of national integrity, environmental and social responsibility among the students.

The Institute participates and organizes various programs to educate students and community for prevention and control of diseases and sensitizes students to become educators to the masses by effectively transferring the information and knowledge acquired by them. Team of faculty members and students carried out activities related to the predominant socio-economic issues to create awareness.

Our institute has also adopted nearby village named Sindodi, Gram Panchayat Nerlai, Indore and carried out various activities under extension activities like Beti bachao-Beti padao program, plantation, mask and sanitization distribution program, health checkup camp, drug distribution camp and Swatch-Bharat programme. Active involvement of students is monitored in all the extension activities.

The institute ensures the involvement of the neighborhood community in its outreach activities. The institute also ensures the active involvement of students in various social activities that promote citizenship roles. For continuous monitoring of student involvement in such activities, the institute has one faculty coordinator who critically monitors the involvement of each and every student in various social activities, besides also tracking the achievement of students.

The students are also motivated to conduct awareness program on social issue like: health awareness, cleanliness drive, save girl child, gender equity and gender sensitization, awareness program about rationale use of medicine. For each activity, student coordinators are also assigned to coordinate the activity and manage the event.

Impact of such activities on students is as follows mainly:

- Team work during such activities.
- Development of skills in managing within the available resources during camping in NSS Camp.
- Development of mass communication skills.
- Inculcating values for social and environmental issues.
- Awareness regarding health related issues.

REPORT

Date: 07 June 2023

Name of Coordinator: Ms. Nayany Sharma

Name of volunteers: Ms. Ankita Bhadoriya.

World Food Safety Day (WFSD) celebrated on 7 June 2023 aims to draw attention to food standards. Foodborne diseases affect 1 in 10 people worldwide each year, and food standards help us to ensure what we eat is safe.

This year's theme was, "Food standards save lives", drawing attention and inspiring action to help prevent, detect, and manage foodborne risks, contributing to food security, human health, economic prosperity, agricultural production, market access, tourism, and sustainable development.

Food safety is a shared responsibility between governments, producers, and consumers. Everyone has a role to play from farm to table to ensure the food we consume is safe and healthy. Through World Food Safety Day, WHO works to mainstream food safety in the public agenda and reduce the burden of foodborne diseases globally. Food safety is everyone's business. Indore Institute of Pharmacy, Indore organized a poster-making competition to celebrate and create awareness of Food Safety and the right eating. The participants had shown their imagination through posters. The judge for the event was Dr. Dinesh Kumar Mishra, Principal Indore Institute of Pharmacy, Indore. Various senior faculty members also visited the competition and encouraged the participants. The winners were as follows:

Winner: Mr. Sumit Naroliya B. Pharm IV Sem

Runner up: Ms. Mahak Verma B. Pharm II Sem

Consolation prizes were given to all the participants.

The event was the result of motivation by Shri Arun S. Bhatnagar, Director General IIST-IIP-IIMR

A Report on International Day for Biological Diversity

Slogan Writing Competition was organized on the occasion of "International Day for Biological Diversity" on the theme "From Agreement to Action: Build Back Biodiversity".

Date: 23.05.2023, 1:00 pm onwards

Venue: Navsarjan Kaksh, IIP, Indore

Photographs of Slogan Writing Competition

Conception:

The United Nations has proclaimed May 22 The International Day for Biological Diversity (IDB) to increase understanding and awareness of biodiversity issues. The main aim is to increase understanding and awareness of biodiversity issues. As the global community is called to re-examine our relationship to the natural world, one thing is certain: despite all our technological advances we are completely dependent on healthy and vibrant ecosystems for our water, food, medicines, clothes, fuel, shelter and energy, just to name a few.

This involves respecting, protecting, and repairing our biological wealth.

Objective:

Biological diversity is often understood in terms of the wide variety of plants, animals and microorganisms, but it also includes genetic differences within each species — for example, between varieties of crops and breeds of livestock — and the variety of ecosystems (lakes, forest, deserts, agricultural landscapes) that host multiple kind of interactions among their members. Biological diversity resources are the pillars upon which we build civilizations. But loss of biodiversity threatens all, including our health. It has been proven that biodiversity loss could expand zoonoses - diseases transmitted from animals to humans- while, on the other hand, if we keep biodiversity intact, it offers excellent tools to fight against pandemics like those caused by coronaviruses. Given the importance of public education and awareness about this issue, the UN decided to celebrate the International Day for Biological Diversity annually.

Details of the Program:

To increase understanding and awareness of biodiversity issues. There are three main goal the conservation of biological diversity (or biodiversity); the sustainable use of its components; and the fair and equitable sharing of benefits arising from genetic resources. Indore Institute of Pharmacy celebrated International Day for Biological Diversity (IDB) on 22nd may 2023. On this day Slogan Writing Competition was organized on the theme "From Agreement to Action: Build Back Biodiversity". Event was inaugurated by Dr. Nadeem Farooqui- Professor and HOD. Sir has motivated students for their active participation. Time duration for the competition was about 1.5 hours. Judge for the competition was Dr. Nadeem Farooqui- Professor and HOD.

Winners for Slogan Writing Competition:

First Prize: Sumit Naroliya (B Pharm 4th sem)
Second Prize: Sakshi Bafna (M Pharm 2nd sem)

This year, it is more important than ever that every one of us stands up and says, "We're part of the solution!"

Report on “World Red Cross Day”

Indore Institute of Pharmacy, Indore celebrated World Red Cross Day. On the occasion of World Red Cross Day on 8th May 2023, General Health checkup Camp was planned for the faculty members, staff members and students. Immediately after planning the program, approval to organize the body checkups was approved and the preparations were started. Notice and circular were prepared and circulated among all the faculty members, staff members and students.

Venue: Indore Institute of Pharmacy, Indore

Date: 8th May 2023

Time: 2.00 pm to 4.00 pm

Conception

World Red Cross day is celebrated every year on 8th May to mark the World Red Cross day. Every year, a specific theme this year 2023 was celebrated on the theme, “**To highlight the universal, human, and diverse aspects of the Red Cross Movement**”.

Details of the Programme

The event was started in presence of Respected Chairman Sir, Respected DG Sir, and Respected Principal Sir IIP, Respected Principal Sir IIST, Principal Sir IIMR, Faculty members, staff members and students.

World Red Cross day is celebrated to promote awareness regarding health as well as to celebrate efforts and success of healthcare workers. To honor healthcare profession and promote awareness regarding health, Indore Institute of Pharmacy, Indore organized general health checkup camp (checking parameters: Blood pressure, Body mass index, Blood glucose level, Body Temperature, Height, Blood Group etc) for all the faculty members, staff members and students in IIP building, IIST campus.

At the end of event, Ms. Deepika Bhawsar Coordinator of the event proposed vote of thanks and acknowledged the contribution of eminent student Volunteers, faculty, staff and participants.

A Report on World Health Day

Poster Making Competition was organized on the occasion of "World Health Day" on the theme "Health for All".

Date: 06.04.2023, 2:00pm onwards

Venue: Navsarjan Kaksh, IIP, Indore

Photographs of Competition

Conception:

World Health Day is celebrated since 1950, commemorating the establishment of the World Health Organization in 1948. The main aim is to promote healthy living and raising awareness about various health-related issues. As we approach World Health Day, we are reminded of the significant impact that mental health has on our overall well-being. As WHO says, there is no Health without Mental Health, and mental health is more than the absence of mental disorder.

Objective:

The objective of World Health Day 2023 is to raise awareness about global health issues and highlights the importance of health and well being. Nobel cause for celebrating World Health Day as it serves a reminder to governments, organizations, and individuals around the world to prioritize and invest in health and wellness. It provides an opportunity to spread awareness about diseases, public health issues and the importance of preventive measures, especially current time of Covid-19. Celebrating a day, especially a Health Day encourages us take charge of our health and well-being by adopting healthy habits and seeking medical attention when necessary.

A Report on One Day Health Awareness Programme

A One Day Health Awareness Programme was organized by Indore Institute Of Pharmacy, Indore.

Date: 24.03.2023, 2:00 pm

Venue: Sindodi Village, Indore

Faculty Coordinator- Ms. Anita Patidar

Photographs of Health Awareness Programme

The One Day Health Awareness Program was conducted to create health awareness among the village people so we went to the village that our institute has adopted- Sindodi. We reached Sindodi till 1:00 pm and gathered in a school (Shaaskiya Madhyamik Vidyalaya, Sindodi).

Many children studying there attended the event and we interacted with them. Handouts were circulated and made them understand about maintain routine hygiene. After general interaction children sang out poems of good habits.

They were asked about their daily routine and quiz was played among them to motivate for a healthy lifestyle.

At the end ice-cream were distributed among students as a token of gratitude.

Objective:

The objective of World Consumer Rights Day 2023 is to raise global awareness about the rights and needs of consumers. It's also a day to demand that the rights of consumers are respected and protected. It provides an opportunity to draw attention to market malpractices, which undermine the rights of consumers and what more can be done to empower buyers.

Report

Program: Education Awareness

Village: Narlai

Day and date: Wednesday/ 08/02/2023

Time: 11:15 am-12:30 pm

Indore Institute of Pharmacy organized an awareness program on **Importance of Education** in Narlai Village, Indore on 08/02/2023 in coordination with NSS.

The sarpanch of the village was present during the awareness program. He gave welcome speech and appreciated the efforts put by Indore Institute of Pharmacy for conducting such awareness programs in their villages. He mentioned that such activities help the villagers to understand the importance of education. He also said that villagers need to be aware about Education. The coordinator of the campaign Ms. Yashu Chourasia explained the importance of the Education to the Students. They were also explained about the importance of coming school regularly. Through these kinds of awareness programs, IIP is trying to put their focus on creating awareness towards education their students are playing important role in creating such awareness program.

Student volunteers rally carrying banners passed through entire village.

61th National Pharmacy Week

Theme: 'Pharmacy of the World-India'

20/11/2022 to 26/11/2022

Report

The 61st National Pharmacy Week, themed "Pharmacy of the World-India," was observed by the Indore Institute of Pharmacy from November 21–25, 2022.

Students and faculty members enthusiastically and fervently celebrated the entire pharmacy week. Shri Arun S. Bhatnagar, Director General of IIST/IIP/IIMR, officially inaugurated the event and newly established medical store of IIP, "Charak aushadhlay". In his remarks, he emphasized the value of the pharmacy profession as a vital component of the healthcare system.

Numerous competitions, including those for no-flame cookery, floral design, photography and selfie booth making were held by the different clubs of IIP. Following the opening day, there was a session on 3-D printing in collaboration with 3-D Prototyperz, a village tour in association with NSS team, and an internal health checkup. Additionally, IIP students had the chance to participate in a virtual training session on "Insight in ACG's Oral Dosage Technology" that ACG hosted for the Indore Institute of Pharmacy.

The vibrant cultural performance by the students marked the end of the full week. The entire evening was jam-packed with entertainment and learning.

The student's passionate and active engagement was acknowledged by Dr. Dinesh Kumar Mishra, Principal of IIP. Dr. Rekha Bisht, associate professor at IIP, was in charge of organising the event.

Day-3 23/11/22

Village Tour and In-house Health Check-up camp

On the third day National Pharmacy Week, Indore Institute of Pharmacy organized a village tour. The tour was conducted in sindodi village, adopted by IIP. The students of IIP actively participated in the tour. The students and the faculty members went to the primary school of the village and distributed them the stationary items like colors, pen, pencils, drawing sheets etc. Poster drawing competition was also organized by the students of IIP for the school kids. They were also educated about the importance of water and about the maintenance of health and hygiene. The rally in village was also conducted by the students to create awareness about the importance of health and hygiene among the villagers. The event coordinator was **Dr. Pritesh Paliwal** and **Dr. Sukhdev Bhamoriya**.

Health Camp

On the occasion of 'National Pharmacy Week-2022' 'In-House Health Checkup' had been conducted in IIP building. In this activity, general body checkup (checking parameters: Blood pressure, Body mass index, Blood glucose level etc.) of the faculty members, staff members, drivers and students had been conducted.

The aim of the activity was to promote awareness of people's general health and well-being.

The event was successfully coordinated by Department of Pharmacology. Dr. Rupesh K. Gautam and Mr. Rohit Sahu were the coordinators of the activity. The students also participated and coordinated each activity enthusiastically.

Day 4-(24/11/22)

A Training Session ‘Virtual Training on “Insight in ACG’s Oral Dosage Technology”

Indore Institute of Pharmacy organized a ‘Virtual Training on “Insight in ACG’s Oral Dosage Technology” for the student by ACG, Mumbai. The online training session included the various lectures by the experts of ACG. The experts delivered their session on various advance techniques used by the ACG for capsule manufacturing. The entire training program was divided into four sessions. The expert speakers of the sessions were Mr. Ketan Parmar (Marketing Executive & assistant to chairman ACG), Santosh Kulkarni (Product Manager at ACG Inspection) , Abhay Joshi (Business Development ACG Films & Foil), Jnanadeva Bhat (R&D Head ACG Capsules)

Such training sessions are essential for the development of practical abilities of the students in testing methods, protocols, equipment, and the significance of Automation. Students also learned about the numerous machines, tools, and technologies used in the pharmaceutical industry.

REPORT ON NATIONAL CONSTITUTION DAY 2022

On the occasion of National Constitution Day, Pledge taking ceremony was organized at Indore institute of Pharmacy on 26th November 2022. The approval for the Pledge taking ceremony was taken and preparations were done accordingly. Notice and circular were also prepared and circulated among all the students.

Conception

National Constitution Day is commemorated every year on 26th November. The Indian Constitution came into effect on January 26, 1950. India celebrates Constitution Day or National Law Day, every year on November 26 as it marks the day the Indian Constitution was adopted by the Constituent Assembly in 1949.

It was in 2015 when the Government of India decided to establish November 26 as Constitution Day to advance "constitutional values among residents". The day was declared in the year which marked the 125th birth anniversary of Dr Bhimrao Ambedkar, the chairman of the Drafting Committee of the Constitution.

Objective

26th November is also known as National Law Day. The main aim of Constitution Day is to create awareness about the Constitution among the citizens of India and to propagate constitutional values.

The Preamble of the Constitution of India declares the country as a sovereign, socialist, secular and democratic republic and aims to secure justice, liberty, and equality for all citizens and promote fraternity to maintain the unity and integrity of the nation.

Details of the Programme

To create awareness about the Constitution among the citizens of India and to propagate constitutional values among all students and Faculties. Indore Institute of Pharmacy has organized National Constitution Day on 26th November 2022. A Pledge taking ceremony was organized. Students along with Faculties took pledge.

REPORT ON NATIONAL NUTRITION WEEK 1st -7th SEPTEMBER 2022

On the occasion of National Nutrition Week 1st -7th September 2022, Awareness program in the adopted village and Poster Competition was planned. The approval for the same was taken immediately and preparations were started. Notice and circular were prepared and circulated among all the students.

Conception and Objective:

In India, the first week of September is celebrated as National Nutrition Week. The purpose of this week is to raise awareness among the general public about the value of healthy eating practices and proper nutrition for upholding a healthy lifestyle. A balanced diet and an active, healthy lifestyle are required for this. The government launches programmes to promote nutrition awareness throughout this week.

National Nutrition Week: Theme

Every year, as part of National Nutrition Week, the government also introduces a special theme that focuses primarily on that year's theme. Last year, the government announced this theme for the week - feeding smart right from start. The theme for this year is "Celebrate a World of Flavors".

National Nutrition Week: Significance

In order to keep this cycle under control, well-balanced and nutritious food is crucial. Nutrition is at the centre of our daily life.

The Food and Nutrition Board of the Government of India's Ministry of Women and Child Development organizes an annual week-long celebration of National Nutrition Week to inform people about this basic phenomenon. The importance and role of healthy diet in the human body are emphasized. A balanced diet full of essential nutrients is essential for healthy development and function. The Indian government has started programmes that emphasise good nutrition, wholesome food, and a healthy lifestyle.

Details of the Programme

To raise the awareness regarding importance and role of healthy diet and essential nutrients in the human body for healthy development and function Indore Institute of Pharmacy has celebrated National Nutrition Week (1st -7th September 2022). On 06/09/2022 Faculty Coordinators of Indore Institute of Pharmacy, Indore Mr. Rohit Sahu and Ms. Yashu Chourasia along with 25 students went to Government Primary School of Narlay Villagle to create awareness about nutritions in daily routine. School's Principal Mr. Mukesh Mishra and staff members were present in the program. Student coordinators made the school students aware about the importance of essential nutrition and healthy diet through speech, poetry, poster and game. At the end of the program fruits and biscuits were distributed to the students of the school.

Poster Competition was also organized at IIP on 7th Sept 2022 on the theme "World of Flavors". Students from different semester actively participated in the competition. Time limit was 60 minutes. Judges for the competition was Dr. Dinesh Kumar Mishra, Principal IIP and Dr. Rekha Bisht. Winner for Poster competition were Ayushi saxena (B.Pharm II year) and Sumit Naroliya (B.Pharm II year).
