REPORT ON WORLD ENVIRONMENT DAY

Event: World Environment Day

Date: 05/06/2023

Venue: Herbal Garden, Indore Institute of Pharmacy, Indore

World Environment Day (WED) is celebrated annually on 5 June and encourages awareness and action for protection of the environment. It is supported by many non-governmental organizations, businesses, government entities, and represents the primary United Nations outreach day supporting the environment.

First held in 1973, it has been a platform for raising awareness on environmental issues as plastic pollution, marine pollution, over population, global warming, sustainable development and wild-life crime. World Environment Day is a global platform for public outreach. The theme of world environment day, 2023 is "solution for plastic pollution".

Indore Institute of Pharmacy has organized World Environment Day on 05/06/2023 at Herbal Garden, IIP. Plantation drive was organized to celebrate the event. 50 saplings were planted by faculty, students and nonteaching staff.

The event was inaugurated by Shri Arun S. Bhatnagar, Director General, IIST/IIP/IIMR. In the event oath ceremony was also conducted for 'one millet meal each day' to promote millet use by the people to stay healthy. Shri Bhatnagar briefed the gathering about the importance of millet in our daily meal. Dr. Dinesh Kumar Mishra, Principal Indore Institute of Pharmacy delivered the vote of thanks.

The event was successfully coordinated by Dr. Praveen Sharma (Event Coordinator) and Dr. Pritesh Paliwal (NSS Coordinator). Faculty, non-teaching staff and students participated and coordinated each activity enthusiastically.

Many children studying there attended the event and we interacted with them. Handouts were circulated and made them understand about maintain routine hygiene. After general interaction children sang out poems of good habits.

They were asked about their daily routine and quiz was played among them to motivate for a healthy lifestyle and interacted with village people.

As 24th March is known for World's TB Day to raise public awareness about the devastating health, social and economic consequences of tuberculosis (TB) and to step up efforts to end the global TB epidemic, we had a briefing session with them.

We guided them about the early symptoms, remedies and precautions to be provided for tuberculosis.

Lastly we distributed ice-cream among students as a token of gratitude and headed towards our institute.

PHOTOS OF THE BLOOD DONATION CAMP.

A Blood donation camp was organized by our NSS unit through which more than 120 units of blood was donated by both students and the staff members of our college as a gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.
