Annexure 3 to the MSA

Terms & Conditions ("T&C") for Internet Services from Bharti Airtel Limited

CONTRACT TERMS:

1. The terms in this T & C are to be read in conjunction with the MSA / Agreement for the Provision of the Services ("Agreement") that is signed between the Customer and Bharti Airtel Limited. Reference to the MSA / Services agreement is to be given in the addendum. In the absence of a signed MSA / Service agreement, Bharti Airtel's standard MSA / Service agreement will be deemed accepted as the reference agreement. The T&C's apply to the Services ordered by the Customer Application Form (CAF) signed on date 20/02/2019(dd/mm/yyyy).
2. Following the execution of this T&C, and provided that (i) Airtel has received from Customer all necessary contractual documents and technical information that it deems necessary for Service provisioning and implementation (including a signed Customer Application Form), and (ii) the Service provisioning is deemed technically feasible by Airtel, then Airtel shall proceed with the provisioning and implementation of the Service. Unless otherwise agreed in writing, Customer shall be responsible to arrange for any equipment or matching facilities by the INSTALLATION REPORT (Date and shall indemnify Airtel from any cost or expense incurred by Airtel for Customer's failure to do so).
3. Upon its completion of provisioning and implementation of the Service, Airtel shall notify the Customer of Service being ready on per site basis. This notification will be sent via email to the Customer nominated contact as per the CAF. Customer shall thereupon have three (3) business days to perform its own acceptance tests based on testing parameters shared with Airtel in advance and to either: (i) accept delivery of the Service by notifying Airtel via an email/written communication; or (ii) submit to Airtel a Service Non-compliance Notice specifically identifying any non-compliance of the Service. If Airtel is able to confirm or validate such Service Non-compliance, then Airtel shall proceed to rectify such Service Non-compliance and a new date for Service delivery and re-testing shall be agreed by the Parties.
4. The date Airtel notifies the Customer of the Service being ready shall be deemed the Installation Report Date. If, within three (3) business days after Airtel's first notification of Installation Report Date to the Customer, either: (i) Customer fails to notify Airtel of its acceptance, or (ii) Airtel does not receive a Service Non-compliance Notice from Customer detailing any non-compliance, then in either case, the Installation Report Date shall be deemed to have correctly occurred, the Service shall be deemed to have correctly been delivered and accepted, and Airtel shall have full right to commence invoicing Customer for the Service as of the said Installation Report Date on per site basis.
5. The "Initial Term" for the Service shall start on the Installation Report Date and continue for an initial term consistent with the Service duration set forth in the Customer Application Form (CAF). Upon the expiration of the Initial Term, this Agreement shall be renewed automatically for successive Terms equivalent in duration to the Initial Term unless terminated by either Party by providing a three (3) month written notice of its intention not to renew this Agreement prior to the end of the Initial Term or any current Renewal Term.
6. All charges payable by the Customer for the Services are exclusive of any and all applicable taxes, including value added taxes, sales taxes, duties, fees, levies or surcharges imposed by, or pursuant to the laws, statutes or regulations of any governmental agency or authority, all of which shall be the sole responsibility of Customer and paid promptly when due by the Customer. All amounts payable by Customer under this Agreement shall be made without any deduction, set-off or counterclaim.
7. Any upgrade / downgrade of Service will be considered extraneous to this contract and will require modification / renewal with mutual consensus. Airtel at its sole discretion may bill for the originally contracted Service for the term of the contract and Customer is in agreement to pay billed amount.
8. For the completion of the Service, Airtel may have to deliver, install and maintain equipment ("Equipment") on Customer's site(s). Unless explicitly sold to Customer, the Equipment remains the exclusive property of Airtel and shall be returned to Airtel immediately upon request in the same condition as it was initially provided excepting reasonable wear and tear. Airtel at its sole discretion may not allow termination of other network links on its equipments. Further Customer shall also be responsible for the protection of such Equipment from loss, theft, damage, or destruction of any kind while in its possession and shall bear all such risks with respect to the Equipment until it is returned to Airtel.
9. Customer shall use and keep all Airtel Equipment in good working condition.
10. The equipments should be kept in neat and controlled HVAC environment, complying to the ITU-T K series recommendations for environmental conditions.
11. Proper earth for Earth-Neutral voltage to be 2V and the earthing resistance to be maintained less than or equal to one Ohm not only for safety of personnel but performance, as specified in ITU-T SG5 recommendations.
12. Conditioned power supply with sufficient power backup for the equipments to be provided.
13. Separate conduit/ducts with minimum distance of 12 inches for routing of data and power cables.
14. Provide free of charge, when so required by Airtel, all facilities and resources whatsoever necessary for the proper installation, operation and maintenance of the Equipment(s) required for provisioning of the Service including, but not limited to, power points, electricity, conduits, pipes, Floor space required: 1mts*1mts*2.2mts height (front and rear access required) for telecom Rack, Air-conditioned and dust free environment (22 c +/- 1c), dedicated earthing for equipment, UPS 240v/50hz/32Amps power points- 2nos, Earth-neutral voltage of UPS output should be less than 2 volts Cutouts in false floor for cable entry 200mm*200mm, 24 hours x 365 days power supply for Airtel equipment with a notice of 24hours in case the power needs to be cut, etc.
15. Customer shall at its own expense obtain such consents, authorizations, or approvals as may be required by Airtel to enter the Customer's sites and to allow Airtel to access, bring upon, install, store, use, maintain and Service Airtel's equipment on the Customer's site(s). For the avoidance of doubt, it is hereby agreed by the Parties that any delay by the Customer in obtaining any such consents or authorizations required under this clause will delay the performance of Airtel's obligations under this Agreement without any liability being incurred by Airtel.
16. Airtel shall not be responsible for installation and maintenance of any equipment not supplied by it.
17. Any equipment bought from Bharti Airtel Limited will be governed by the T&C's for equipment sale and need to be signed independently.
18. All capitalized terms not defined in the T&C shall have the meanings assigned to it under the Service Agreement. For avoidance of any doubt, all terms and conditions which are not explicitly mentioned here will be continued to be governed by the Service Agreement.
19. All complaints SLA will be 4 hours with Working hrs (9am to 9 pm)
20. All requests will be resolved between 24hrs - 72hrs.
21. Circuit's origination from tier-3 cities, called as remote towns/locations, will have differed SLA, as the engineer has to travel from Nearest Tier-2 Cities.
22. In case, Customer's owned equipment's used for network built up as CPE, then the downtime caused due to his/own equipments will not be considered for SLA calculations.

 - Terminating the voice communication at a telephone within India.
 - Establishing connection to any Public Switched Network in India and/or establishing gateway between Internet & PSTN/ISDN/PLMN in India.
 - Use of dial up lines with outward dialing facility from nodes.
 - The Customer is permitted to use encryption upto 40 bit key length in the RSA algorithms or its equivalent in other algorithms without having to obtain permission. However, if the encryption requirement is higher than this limit, the Customer shall obtain the permission of the concerned Telecom Authority and shall deposit the encryption key, split into two parts, with such Telecom Authority.
 - Airtel may block internet sites as identified and directed by the Department of Telecommunications, Telecom Authority or any other authorities agency from time to time.
 - Customer has given Bharat Airtel to understand that the required measures are taken by Customer to ensure that spam/malicious traffic is not generated from customer end. Any time spam activity/unwanted/malicious is observed from customer end, Airtel will terminate the link immediately without any further notice.
 - Customer agrees that while Network and Services must be available for normal purposes, Airtel may terminate the link, stop and Services in order to transmit, distribute or store material (a) in violation of any applicable law or regulation, (b) to the extent that will impinge the copyright, trademark, trade secret or other intellectual property rights of others or the privacy, autonomy or other legitimate rights of individuals or the community, (c) obscene, defamatory, libelous, threatening, abusive or hateful or contain viruses, worms, Trojan horses, or other harmful components, (d) for selling the goods/items for goods or services or any promotional materials that contain false, deceptive or misleading statements, claims or representations, or (e) generally, to a content that may expose Airtel or any of its personnel to criminal or civil liability (f) send e-mail messages which are excessive and/or attempt to harass or annoy others, (g) continue to send e-mail messages to a recipient that has indicated that he/she does not wish to receive them, (h) send e-mail with forged TCP/IP packet headers and information, (i) send malicious e-mail, including, without limitation, "malware/spam", (j) blocking of IP space or (k) send or receive e-mail messages in a manner that violates the use policies of any other internet service provider.
 - The Customer shall maintain a log of all users availing the Services (either through mail, telnet, http, etc.) and shall also maintain a log of every outward login or telnet through its computers. These logs, as well as copies of all the packets originating from the Customer Premises Equipment ("CPE"), must be available in real time to the concerned Telecom Authority. The Customer undertakes not to permit log-ins, where the identity of the logged-in user is not known.
- Airtel warrants that the Services shall be of the acceptable grade, consistent with the established and generally accepted standards. Quality, functionality and/or availability of the services, may be affected and Airtel is entitled to refuse, limit, suspend, vary or disconnect the services, at any time, for reasonable cause, including, but not limited, to the following:-
- Any violation of applicable laws, regulations, orders, directions, notifications, conditions of License Agreement etc. issued by the Government/Telecom Regulatory Authority of India (TRA) (i.e.) any discrepancy in the particular(s) provided by the Customer;
 - if the Customer is in default (including past defaults) in making payment for the Services or for any other telecom service provided by Airtel;
 - during technical failure, modification, up-gradation, variation, relocation, repair and/or maintenance of the systems/equipment;
 - to combat potential fraud, sabotage, willful destruction, national security or for any other force majeure reasons etc;
 - Transmission limitations caused by topographical, geographical, atmospheric, hydrological and/or mechanical or electronic constraints/limitations and/or due to non-availability of suitable technical sites to install/upgrade network.
 - Due to acts of God or circumstances beyond the control of Airtel including insurrection or civil disorder, or military operations, national or local emergency, industrial disputes of any kind (whether or not involving Airtel employees), fire, lightning, explosion, flood, inclement weather conditions, acts or commission of person or commission of person or bodies for whom Airtel is not responsible or any Act, Regulation or Policy of the Government of India or State Government or any other Statutory Authority,
 - if Services are used in violation of any law, rule/regulation; or for a purpose other than declared by the Customer at the time of subscription.
 - interconnection failure between Airtel and other service provider(s);
 - Any bonafide action taken by Airtel to protect its Intellectual Property Rights (IPR).
- The customer agrees that he shall not undertake or engage in re-selling of services availed from Airtel under any circumstances unless the customer holds a valid ISP license issued by DoT.
 - Airtel may change, amend or revise the above regulatory terms and conditions at any time as and when necessary in order to comply with any statutory, legal or regulatory requirements and the Customer agrees to abide by such modified terms and conditions. Such changes, amendments or revisions shall be deemed to be effective upon posting an updated and duly dated regulatory compliance to the Customer via email, fax, post or through any other medium opted by Airtel.
 - In the event the Customer installs any wi-fi network of its own, the Customer:
 - Shall inform the same to Airtel.
 - Undertakes to use the secured wi-fi network connection to avoid any misuse.

Service Level Agreement

1. Service Level Agreement

Network Uptime - Airtel guarantees network uptime of 99.00%. The service will be considered unavailable in the event of any unscheduled service outage on the Airtel network due to the transmission or equipment failure causing 100% blocking of movements of packets ahead of the Customer link and will be calculated on the monthly basis on Customer's request

2. Maximum Time to Respond/ Mean time to resolve (MTTR)

The MTTR for a network related problem reported on the Airtel network only is as per table below

Description	MTTR	
	Maximum Time to Respond	Mean Time to Resolve
Airtel Network	30 minutes	4 Hours

*All parameters in Table 2.0 would be calculated by taking an average over a period of 1 calendar month.

3. Network and Service Availability/ Uptime (in %)

Network Unavailability will not include any unavailability resulting from:

- (a) Scheduled Maintenance of Airtel Network;
- (b) An interruption during any period when the customer elects not to release the service for testing/ repair/ maintenance and continues to use the Service on an impaired basis;
- (c) Any cut/fault in submarine cable system beyond Airtel control. However Airtel may provide service on best effort basis during this period depending on availability of resources;
- (d) Interruptions due to failure of equipment provided by Customer or other third party on behalf of Customer;
- (e) Acts or omissions of Customer (including the provision of inaccurate information knowingly or unknowingly), or any use or user of the service authorized by Customer or Customer caused outages or disruptions;
- (f) Interconnections to or from and connectivity within other Internet Service Provider (ISP) networks or any other service provider network in India; or
- (g) Disconnection/s due to non-payment of Airtel's dues; or
- (h) Reasons of Force Majeure.

(i) Network Availability =
$$\frac{\text{Overall Network Uptime}}{\text{(Total Time - Maintenance - Incidence of Disaster - Outage on Customer's Behalf)}}$$

Network Availability Guarantee Remedy: In the event the Customer experiences network unavailability during a month in excess of the guaranteed SLG (Table 1.0), the Customer may receive service Credit as per service credit table in Table 2.0.

Parameter	Service Level	Rebate (Hours) in terms of extension of Service
Network Availability	96.99% - 98.00%	1:1
	97.99% - 97.00%	1:1.25
	Less than 97.00%	1:1.5

- 1:1 shall mean that for every 1 hour of network downtime, as measured by Airtel's network, Airtel will extend the service by 1 hour.
- 1:1.125 means for every 1 hour network downtime, as measured by Airtel's network, Airtel will extend the service by 1 hr and 15 minutes
- 1:1.5 would mean that for every 1 hour network downtime, as measured by Airtel's network, Airtel will extend the service by 1 hr and 30 minutes

However the total extension of service offered as service credit shall not be more than three (3) days.

4. Service Credit Claim Process

All service credit are calculated post completion of one (1) service quarter. To initiate a claim for Service Credit with respect to the Network Availability Guarantees, Customer shall submit a Service Credit Request Form within seven (7) business days after the end of the service quarter during which the outages occurred. **Customer to claim service credits within maximum of 90 days post end of a service quarter.**

The claim for Service Credit must include the following information.

- Customer Name and contact information
- TICKET number, circuit ID and billing code.
- Product or Service type
- Date and beginning /end time of outage
- Brief description of the characteristics fault
- End User location and circuit ID
- Balance Payment status

5. Planned Outages

- Planned preventive network maintenance may be scheduled by Bharti.
- All planned outages will be carried out during maintenance window between 0200 hrs to 0600 Hrs IST.
- Bharti will inform by Phone, email or fax about maintenance activity to customers at least 14 days in advance. Customers may plan their data transfers accordingly.
- Customers shall allow Bharti to carryout maintenance activities as and when required. Bharti will carry out repair and maintenance activity on non receipt of confirmation from customers and shall not be responsible for loss of service.
- In case of emergency and customer services are affected partially or fully, Bharti will evaluate the critical ness and carryout maintenance to restore service immediately without any prior notice

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed on the day, month and year first above written.
