## Introduction

The institution undertook robust capacity-building and skills enhancement initiatives, addressing a diverse array of competencies crucial for holistic development. Firstly, the focus on soft skills was a cornerstone of the program, aiming to equip students with interpersonal abilities, teamwork, leadership, and effective communication skills. Various activities have been conducted under IIC and NSS banner where by students have Co-ordinated and Participated. Through workshops, seminars, and practical exercises, students were immersed in activities fostering emotional intelligence and adaptability.

Secondly, language and communication skills received dedicated attention. Recognizing the paramount importance of effective communication in today's globalized world, the institution conducted specialized training sessions to enhance verbal and written communication proficiency. These initiatives aimed to empower students to articulate ideas confidently and articulate thoughts with precision.

English lab has been established for effective training of students on communication. This is conducted for all B.Pharm, M.Pharm students & it is included in their timetable/Curriculum.

Life skills were not neglected, with the institution incorporating activities like yoga, physical fitness, and health and hygiene awareness into the curriculum. Recognizing the role of a healthy mind and body in academic and professional success, these initiatives aimed to in still habits promoting overall well-being. The Institute has signed MOU with heart fullness and Workshops were conducted for yoga, Meditation for students & Faculty.

In tandem with the technological demands of the contemporary world, the institution placed a strong emphasis on ICT/computing skills. Tailored courses and practical training sessions were designed to enhance students' proficiency in information and communication technologies, ensuring they are well-equipped for the digital landscape of their chosen fields.

Overall, the institution's comprehensive approach to capacity building and skills enhancement encompassed the multifaceted needs of students, preparing them not only for academic success but also for a well-rounded and successful life beyond the classroom.

## INDORE INSTITUTE OF PHARMACY, INDORE SIG ON “BASICS & ADVANCED EXCEL” REPORT

Indore Institute of Pharmacy, Indore organized a 30 Hrs SIG on “Basics & Advanced of Excel”. This SIG started on 04/07/22. In this SIG program a rigorous training related to the topic ‘Basics & Advanced of Excel’ was conducted for final B. Pharm year students.

Resource person: Mr. Manish Satpal (Learning & Development Head, ORAI Robotics, Bangalore)

Venue: Indore Institute of Pharmacy, Indore

Starting Date: 04.07.2022

Time: 9:30 am to 11:30 am

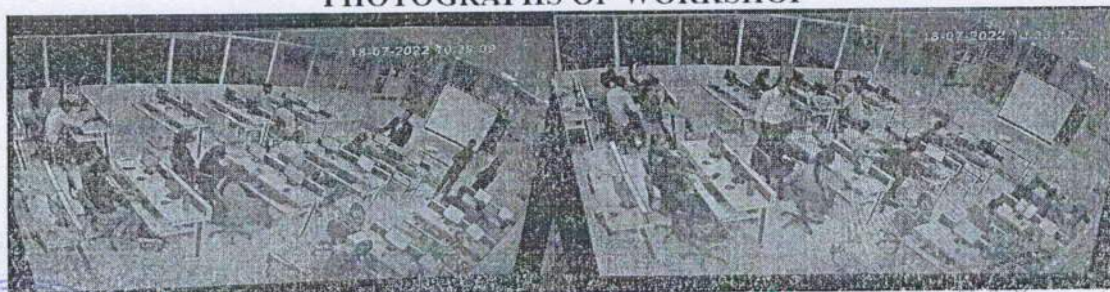

The Expert lecture commenced with the welcoming remarks of Dr. Dinesh Kumar Mishra, Principal, Indore Institute of Pharmacy, Indore. Before starting the lecture Principal Sir narrated the objectives of the lecture. 97 participants attended workshop. The training was conducted in workshop mode & all the sessions were conducted in computer lab. Having sessions in the computer lab enabled the students to have hands-on practice on Excel. It not only helped the students to develop a better understanding of excel, but will also improved the confidence.

Coordinator of the event Ms. Arti Majumdar and Mr. Darshan Jamindar further clarified the aim of the workshop. The main objective of this SIG was to develop a basic understanding of excel and its usage, efficient utilization of excel formulas and to achieve proficiency in MS Excel to perform seamlessly in corporate culture.

Resource Person, Mr. Manish Satpal currently working as Development & Learning Head at Orai-Robotics, Bangalore. Orai-Robotics is a fast-growing company which works in the field of Artificial Intelligence based technologies like NLP & AI chat bots. He had provided theoretical and practical training along with various assignments and practice sheets.

At the end of workshop, Ms. Arti Majumdar Coordinator of the event proposed vote of thanks and acknowledged the contribution of eminent speaker, faculty, staff and participants. Certificate of Participation were distributed to all the participants.

## Report

The main aim of the Training on MS Word program is to capacitate the students on the basic Microsoft word software applications to enhance administrative or operational effectiveness in their various organizations for better networking or collaborations.

The Training on MS word program organized by Indore Institute of Pharmacy for the B. Pharm V semester students. It was a three day from 01/08/2022 to 03/08/2022. The training process was incredible and interesting, as the Indore Institute of Pharmacy provided the Tutors and training manual/ curriculum that covers all the three programs Microsoft word and was distributed to each participant before the start of the process. This is the basic Microsoft word applications required by every student to make them employable.

Content of the training on MS Word includes: Basics of computer, Types of computers, Knowledge about Computer generations, uses of computers, Advantages & Disadvantages of using a computer, Relationship between Hardware and Software, Detail knowledge about the Central Processing Unit (CPU) or Processor, Input devices and their functions, Output devices and their functions. Microsoft word is the most basic of all skills. It involves typing basically, but when using computers, it deviates a little from the common typewriter. There is the enter key replacing the career movement and there are commands (simple ones) for paragraph, indent, spacing and so on. The best of word processing is that you can modify with ease any part of the text you entered. The word processing is the minimum one should know because it will be used in each and every application of computers.

## Report

The main aim of the Training on MS Excel program is to capacitate the students on three basic Microsoft Excel software applications to enhance administrative or operational effectiveness in their various organizations for better networking or collaborations.

The Training on MS Excel program organized by Indore Institute of Pharmacy for the B. Pharm Final year. It was a three day program, starting from the 16/08/2022 To 18/08/2022. The training process was incredible and interesting, as the Indore Institute of Pharmacy provided the Tutors and training manual/ curriculum that covers all the three programs (Microsoft excel) and was distributed to each participant before the start of the process. These are the three basic Microsoft office applications required by every student to make them employable.

Content of the training on MS Excel includes: Basics of computer, Types of computers, Knowledge about Computer generations, uses of computers, Advantages & Disadvantages of using a computer, Relationship between Hardware and Software, Detail knowledge about the Central Processing Unit (CPU) or Processor, Input devices and their functions, Output devices and their functions.

Microsoft Excel contains to Create PivotTables to find relationships between data. Enter formulas across cells, rows, and columns. Conduct a VLOOKUP across an entire column. Run accounting functions to track business finances. Group, ungroup, and reformat rows and columns. Perform data validation to control the format of cell values. Use keyboard shortcuts to make quick changes to cell values. Create charts from your spreadsheet data. Develop histograms of data from the charts you create. Create dashboards to manage multiple groups of performance data. Add conditional formatting to rows and columns that fit certain criteria. Print your Excel spreadsheet for presenting to others.

At the end of the training, practice session was set up to assess the level of understanding of participants about the programs.

### II. Key Elements of Successful Presentations: Content:

Develop a well-structured, informative, and relevant presentation that addresses your audience's needs and expectations.

#### **Audience Awareness:**

Understand your audience's background, interests, and expectations to tailor your presentation appropriately.

#### **Clarity:**

Use simple language, avoid jargon, and ensure that your message is easily comprehensible.

#### **Visual Aids:**

Utilize visual aids, such as slides or props, effectively to enhance your message, not overwhelm it.

#### **Engagement:**

Employ techniques like storytelling, anecdotes, and interactive elements to keep your audience engaged.

#### **Confidence and Presence:**

Project confidence through body language, eye contact, and a strong, clear voice.

#### **Time Management:**

Respect your audience's time by adhering to the allotted time frame and maintaining a well-paced presentation.

### III. Strategies to Enhance Presentation Skills:

#### Practice:

Rehearse your presentation multiple times to become familiar with the content and flow. Practice in front of a mirror, record yourself, or present to a trusted friend for feedback.

#### Visualize:

Mentally visualize a successful presentation, including your delivery, engagement with the audience, and their positive reactions.

#### Feedback:

Seek feedback from peers, mentors, or colleagues to identify areas for improvement.

#### Professional Development:

Consider attending workshops, courses, or seminars on presentation skills to acquire new techniques and strategies.

### REPORT

The primary objective of the vocabulary building initiative was to enhance language skills and proficiency among the participants. The focus was on expanding their word bank, improving communication, and fostering a deeper understanding and appreciation of language.

#### Activities Undertaken:

**Word of the Day/Week:** A systematic approach was adopted to introduce a new word every day/week. Participants were provided with the word, its definition, pronunciation, and examples of its usage in sentences. This method aimed to introduce them to new words and encourage their incorporation into daily communication.

**Contextual Learning:** Emphasis was placed on learning words in context. Students were encouraged to read extensively and identify unfamiliar words while comprehending the overall meaning from the context. This approach helped them understand the nuances of word usage.

**Word Games and Quizzes:** Engaging word games, crossword puzzles, vocabulary quizzes, and word associations were organized. These activities made learning enjoyable, encouraged active participation, and reinforced the retention of new words.

**Thematic Vocabulary Lists:** Grouping words based on themes or categories facilitated a more organized approach to learning. Specific topics like science, literature, or professions were used to compile related vocabulary lists, aiding in better retention and application.

## Indore Institute of Pharmacy

**Use of Technology:** Leveraging technology resources such as educational apps, online dictionaries, and language learning platforms complemented traditional teaching methods. Interactive apps and online tools provided an immersive learning experience, allowing participants to explore vocabulary in a dynamic way.

### **Outcomes and Observations:**

**Increased Word Acquisition:** Participants showed improvement in their vocabulary by actively engaging in word-related activities.

**Improved Communication:** Enhanced vocabulary positively impacted participants' ability to express themselves more precisely and effectively.

**Confidence Boost:** As participants became more familiar with a wider range of words, their confidence in language use notably improved.

**Continued Engagement:** Participants displayed enthusiasm in learning new words and actively participating in vocabulary-building activities.

### **Conclusion:**

The vocabulary-building initiative proved to be a valuable tool in augmenting language skills among the participants. Through a variety of engaging activities and methods, participants not only expanded their vocabulary but also gained confidence in using language effectively. The acquired knowledge of words and their applications is anticipated to contribute significantly to their overall language proficiency.

### REPORT

A group discussion session was conducted for final year students to help them with placements. The purpose of this session was to encourage collaborative thinking, exchange diverse perspectives, and collectively explore the topic

#### Key Points Discussed:

**Opening Statements and Ice-breaking:** The session commenced with opening statements by each participant, introducing their viewpoint on the topic. This phase allowed participants to break the ice, express their initial thoughts, and set the tone for the discussion.

**Topic Exploration and Idea Exchange:** Participants actively engaged in sharing their opinions, insights, and experiences related to the topic. Various viewpoints emerged, showcasing a diverse range of perspectives. Discussions were supported by factual information, personal anecdotes, and relevant examples, enriching the conversation.

**Debate and Counterarguments:** As the discussion progressed, differences in opinions surfaced, leading to healthy debates. Participants respectfully presented counterarguments, challenged perspectives, and critically analyzed each other's viewpoints. This phase contributed to a deeper exploration of the topic and encouraged critical thinking.

**Consensus Building and Conclusion:** Efforts were made to reach a consensus or common ground by identifying shared ideas and perspectives. Participants summarized the key takeaways, concluding the discussion on a positive note. The moderator facilitated the conclusion by summarizing the main points discussed and highlighting any actionable insights.

### Observations:

**Active Participation:** The participants demonstrated active involvement throughout the discussion, contributing diverse ideas and perspectives.

**Respectful Exchange:** Despite varying opinions, the discussion remained respectful, fostering an environment conducive to open dialogue.

**Critical Thinking:** Participants displayed critical thinking skills by analyzing the topic from multiple angles and presenting logical arguments.

### Conclusion:

The group discussion proved to be a valuable platform for exchanging ideas, fostering critical thinking, and encouraging respectful dialogue among participants. It facilitated a comprehensive exploration of the topic, allowing individuals to broaden their perspectives and understand diverse viewpoints.

The insights generated during this session can serve as a foundation for further exploration or action steps related to the discussed topic.

## REPORT

### Introduction:

A well-crafted resume is an essential tool in the job search process. It serves as your personal marketing document, showcasing your skills, experiences, and qualifications to potential employers. In this report, we will delve into the key aspects of resume writing, providing insights and tips to help you create a compelling and effective resume.

A resume is often the first impression a job seeker makes on a potential employer. It is a concise, well-structured document that highlights an individual's qualifications, skills, and experiences relevant to a specific job. In this report, we will explore the significant importance of resume writing in the context of the job search process.

### Things Discussed:

#### Screening Tool:

Resumes serve as a screening tool for employers to quickly assess whether a candidate meets the basic qualifications for a job.

A well-structured resume can make a positive first impression and increase the chances of progressing to the interview stage.

#### Personal Branding:

A well-crafted resume conveys professionalism and attention to detail, reflecting positively on the applicant.

It is a valuable opportunity to showcase your personal brand and unique value proposition.

### II. Highlights Relevant Skills and Experiences:

#### Customization:

A tailored resume allows candidates to emphasize the skills and experiences most relevant to a specific job, increasing the likelihood of being selected.

#### Showcasing Achievements:

Resumes go beyond listing job duties to highlight achievements and quantifiable results.

They demonstrate how candidates have contributed to their previous employers, making a compelling case for future success.

### III. ATS Compatibility:

#### Applicant Tracking Systems (ATS):

Many companies use ATS to streamline the hiring process.

Resumes need to be optimized with relevant keywords and proper formatting to pass through ATS and reach human recruiters.

### IV. Career Progression:

#### Documentation:

Resumes serve as a documentation of an individual's career progression, making it easier to track professional growth over time.

They help identify trends, areas of expertise, and potential for future roles.

#### Adaptability:

As career goals and experiences evolve, resumes can be updated to reflect changes, allowing job seekers to pivot or advance in their careers.

### V. Networking and Online Presence:

#### LinkedIn Integration:

A well-written resume often complements a strong LinkedIn profile, reinforcing your professional presence online.

#### Networking:

In networking situations, a resume can be shared to provide a comprehensive overview of your qualifications and experiences.

#### Resume Format:

- **Chronological Resume:**

Lists work experiences in reverse chronological order, highlighting your most recent roles.

Ideal for candidates with a strong work history in a specific field.

Emphasizes skills and qualifications over job history.

Suited for candidates with employment gaps, career changers, or diverse experiences.

- **Contact Information:**

Include your name, phone number, email address, and location.

Use a professional email address and LinkedIn profile, if available.

- **Resume Objective or Summary:**

A concise statement describing your career goals and what you bring to the table.

Customized for each job application.

- **Skills:**

Highlight your key skills relevant to the job.

Use bullet points for clarity.

- **Work Experience/Internship**

Include job titles, company names, dates of employment, and job descriptions.

Use action verbs and quantify your achievements.

- **Education:**

List your degrees, institutions, graduation dates, and relevant certifications.

Include your GPA if it's strong and recent.

- **Additional Sections (Optional):**

Include sections like awards, publications, volunteer work, or languages spoken.

III. Resume Content:

- **Achievements:**

Focus on accomplishments, not just job duties.

Use specific numbers or metrics to quantify your achievements.

Keywords:

Incorporate industry-specific keywords from the job posting to pass applicant tracking systems (ATS).

- **Professional Summary:**

Show your career progression and the value you bring to potential employers.
