**Indore Institute of  
Pharmacy**

Affiliated to: BPPU(Bhopal) (Approved by: AICTE(New Delhi) & PCI(New Delhi)  
Register: India (201-20)

**Internal Quality Assurance Cell (IQAC)** has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching-learning process, structuring & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities.

It is a structure that would help educational institutions to improve their work processes and achieve learning outcomes & objectives.

**Functions:**

1. Work Plan to get consistent work.
2. Improvement of academic as well as non-academic learning goals.
3. Main Focus on students learning.
4. Use of edtech, or educational technology for interactive learning experiences
5. Effective feedback is focused, clear, and considers motivation and learning
6. Emphasis on Quality education.
7. Documenting all of the steps in a particular task.(SOP)
8. Preparing and submitting Annual Quality Assurance Report (AQAR) - annual self-Reviewed progress report to NAAC.

**Composition of the IQAC:** Members of the IQAC, are from various background ( academic & Industry) with vast experience.

IQAC works by following the given hierarchy-

1. Head of the Educational Institution – Chairperson.
2. Representatives from the Faculty Members.
3. Management Authority.
4. Senior Administrative Staff Members.
5. Nominee from – Students, Local society, Alumni.
6. Nominees from - Employers, Stakeholders, Industrialists.
7. Senior Teacher Representing as the Coordinator or the Director of the IQAC.

The IQAC was established in the year 2019 with the objective of achieving NAAC accreditation. IIP was awarded A Grade NAAC Accreditation in March 2023. Further to this, there is always a scope of improvement in all areas; henceforth the IQAC ensured the improvements.

**Indore Institute of  
Pharmacy**

Affiliated to: BPPU (Bhopal) | Approved by: AICTE (New Delhi) & PCI (New Delhi)  
Register: Madhya Pradesh

The IQAC continuously reviews and takes steps to improve the quality of the teaching-learning process. The IQAC has also contributed towards institutionalizing the quality assurance strategies and developed various processes as follows:

1. Promote industrial involvement in academic practices by organizing industrial training, industrial visits, workshops, and guest lecturers from industry experts, MOUs, etc.
2. Introduces the aptitude classes and soft skill classes for students to enhance personality and employability.
3. Participation of college in NIRF and various other quality audits recognized by the state, national and international agencies.
4. Institute Innovation Council (IIC) under MHRD has conducted Impact lecture series for knowledge enhancement of students.
5. Research and Development activities have increased in the number of impact research papers, patents and international books.
6. Online feedback /surveys from various stakeholders have helped institute in its quality issues.
7. Implementation of ICT tools to help strengthen the teaching-learning process through flipped classroom, shared own lecture videos with students, contents are shared with the students in the form of notes and ppt on Google classroom.

The IQAC improves the teaching-learning process through standard academic practices, these academic practices shows incremental improvement in:

1. Attendance
2. Placement

### Internal Quality Assurance Cell

Letter No. IIP/05/2022-23/I.Q.A.C.-Meeting

01-09-2022

#### Circular

**Subject:** Quality Cell meeting intimation to the members.

Respected Member's

A IQAC meeting is scheduled on 02-09-2022 at 03:00 PM in institutional seminar hall. All the members of Internal Quality Assurance Cell are required to attend the meeting. The points to be discussed in the meeting are as follows:

#### **Agenda**

1. Academic Calendar
2. Conduct industry visit to explore industrial knowledge
3. SIGs for the session
4. Conducting communication and PD classes for students
5. GPAT Classes
6. Institutional innovation cell.
7. implementation of ERP
8. Up gradation of labs
9. Increase in number of research papers, patents and MOU
10. Conduct remedial classes for slow learners
11. Proposal for revision of CO/PO attainment procedure
12. Final NAAC SSR submission and visit
13. Online feedback system

**Minutes of meeting of Quality Cell held on 02-09-2022  
Internal Quality Assurance Cell of IIP:**

The following members were present

1. Shri Arun S. Bhatnagar (Management Respective)
2. Dr. D.K. Mishra (Principal IIP)
3. Dr. Pankaj Dixit (Coordinator)
4. Dr. Gurmeet Chhabra
5. Dr. Nadeem Farooqui
6. Dr. Rekha Bisht
7. Dr. Sandip Patil
8. Mrs. Nayany Sharma
9. Mr. Rajesh Bhadari
10. Mrs. Kriti Vishwakarma
11. Mr. Raj Khatri (Director and Cofounder of Swift Formulation, Indore) (Industry respective)
12. Dr. Karunakar Shukla (Society respective)
13. Mr. Abhishek Shukla (Student respective)
14. Mr. Saurabh Chouhan (Alumni respective)

Dr. Dixit read out minutes of meeting of 4<sup>th</sup> IQAC meeting and they were unanimously accepted by all the members.

1. Academic Calendar: Dr. Nadeem Farooqui discussed about the academic calendar and progress of academic session (commencement: July) starting with the preparation of lesson plan, lectures / practical conducted, students' attendance. The First sessional would be planned as per academic calendar and syllabus completion. Further to it, he discussed on the activities to be conducted.
2. Mr. Darshan Jamidar updated on the planning for the industrial visits for the session. He had initiated discussion with some pharma companies for the visit.
3. Dr. Rekha Bisht discussed about the SIGs planned for the session for all batches of B. Pharm students. She proposed on introducing new SIGs for the students of B. Pharm. III year namely QMS.
4. Dr. Mishra mentioned about the conduction of personality development classes for the final year by **CDC cell** to prepare students for the upcoming placements. He further stated that a stringent follow up should be taken for the regular classes for communication and English for other batches.
5. IQAC instructed to conduct the crash course for the preparation of **GPAT** for the final year students on every working Saturday.
6. IQAC head suggested calling for proposals from students and faculties for the **institutional innovation cell**.

Pharmacy**

Approved by AICTE (2008) (Approved by AICTE (2015) (2018) (2021))  
Regd. No. 100/2008

7. The Training and implementation on ERP (Master Cloud based ERP) was discussed by IQAC and regular follow ups to be taken by all HODs.
8. Dr Mishra sir suggested that Up gradation of labs as per industrial needs, is required. (Computer lab, Microbiology Lab, Social Pharmacy lab, instrument lab and Machine room).
9. Dr. D. K. Mishra encouraged and emphasized on the requirement of research papers to be published and patents by faculty members and M. Pharm. Students.
10. Dr. D. K. Mishra sir stated that class coordinators should identify slow learning students on the basis of 1<sup>st</sup> sessional exams and accordingly plan special classes. The schedule should be shared with academic in charge for approval and faculties to be assigned the subjects.
11. IQAC coordinator proposed that a committee should be constituted to review and revise the scoring level of COPO attainment in lieu of exams being shifted from online to offline mode. Members of committee were representative from academic, exam, HODS and placement.
12. As per discussion with committee members final submission of SSR is proposed to be on 15<sup>th</sup> September keeping in the mind, the time given by NAAC after IQA submission.
13. IQAC proposed shifting of student feedback system from offline mode to online mode and directed to take necessary action.

The meeting ended thereafter with vote of thanks to the chair.

S. No.	Title of patent	Name of the author/s	Patent type (National/International)	Patent grant (Granted/not granted)	Date/Year
1	A 3D Printing Method with A Novel way of Drug Loading	Dr. Dinesh Kumar Mishra, Ms. Neelima Mandloi, Mr Kuldeep Vinchurkar, Dr. Pankaj Dixit	Indian (National)	Granted	14. 02.2023
2	Process for fabrication of laboratory scale microneedles	Dr. Dinesh Kumar Mishra, Sainath Sahebrao Sindhikar, Dr. Pankaj Dixit, Ms Nayany Sharma	Indian (National)	Granted	22/05/2023
3	A Method to Fabricate Gastroretentive Floating Tablet Case Using Fused Deposition Model (FDM) 3D Printing	Dr. Dinesh Kumar Mishra, Ms. Parul Vaishnav, Mr Kuldeep Vinchurkar, Dr. Nadeem Farooqui, Ms. Prachi Gupta	Indian (National)	Published	16.06.2023
4	Polyherbal formulation of trianthema portulacastrum and leonotis nepetifolia for dermatitis	Dr. Priya Jain, Dr. Nadeem Ahmed Farooqui,	Indian (National)	Published	23.06.2023
5	A method of evaluating antistress activity using ulcerogenic model of intraspecies emotional communication	Dr. Rekha Bisht, Mr. Rohit Sahu, Dr. Praveen Sharma, Dr. Rupesh Gautam	Indian (National)	Published	25/06/2023
6	Spirometer for Measurement of Lung Capacity	Rekha Bisht	UK (International)	Granted	18/07/2023

## Annexure 10

### Remedial Classes for Slow Learners

#### Guidelines for identifying Slow and Advanced learners

(For Session 2022-23)

1. The subject teacher is responsible for finding slow and advanced learners from their respective courses.
2. Students having less than 50% marks in 1st sessional examination will be considered as slow learners and greater than 85% as advanced learners.
3. Slow learner students will be provided, extra classes. A separate timetable will be prepared for their remedial classes and coordinators will be appointed for each class separately.
4. In the 2nd sessional examination, these students will be observed for improvement and if they secured more than 50% marks, they will be converted to advanced learners, if they secure less than 50% again, extra classes will be organized and practice tests will be conducted.
5. Advanced learners are encouraged to participate in online courses, publishing papers in reputed journals and delivering a topic during aptitude/ soft skill work shop session.

### Minutes of meeting of Quality Cell held on 17-03-2023

#### Internal Quality Assurance Cell of IIP:

1. Shri Arun S. Bhatnagar (Management Representative)
2. Dr. Dinesh Mishra (Principal IIP)
3. Dr. Gurmeet Chhabra
4. Dr. Rupesh K. Gautam (Coordinator)
5. Dr. Nadeem Farooqui
6. Dr. Praveen Sharma
7. Dr. Rekha Bisht
8. Ms. Nayany Sharma
9. Mr. Gaurav Sarsodia
10. Mr. Rajesh Bhandari
11. Mr. Saurabh Shriwas
12. Mr. Gaurav Agrawal
13. Mr. Raj Khatri (Director and cofounder of swift formulation. Indore) (Industry Representative)
14. Dr. Karunakar Shukla (Society Representative)
15. Mr. Yash Rawka (Student Representative)
16. Mr. Saurabh Chouhan (Alumni Representative)

The meeting commenced with welcome note by Dr. D. K. Mishra to all members.

1. I.Q.A.C. Chairperson Dr. D. K. Mishra congratulated all faculty members for achieving NAAC 'A' grade in first cycle and created history to become Madhya Pradesh first Pharmacy College to get 'A' grade in first cycle.

2. Revision of composition of IQAC for academic year 2022-23 as per guidelines of NAAC was done; Dr. Rupesh Gautam was unanimously nominated and selected as the coordinator of IQAC coordinator.

Dr. Rupesh Gautam briefed the points of previous IQAC meeting held and they were unanimously accepted by all the members.

3. Shri Arun S Bhatnagar sir (Group Advisor IIST-IIP- IIMR) proposed The Strategic Plan 2023-28. The primary objective is to establish IIP as a center of academic excellence by providing a forum to our students, to achieve their fullest potential in all aspects of their persona by recognizing their inherent strength. We will work towards continuous improvement on quality of education and deliver excellence in all our pursuits with focus on research, best

Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

practices in teaching, exceptional education and technical knowhow, ethical behavior and building a team of excellent faculty. We intent to develop a professional eco-system to enhance their technical competence in their related programs.

The Strategic Plan 2023-28 Proposal would be forwarded to all stakeholders for their valuable input and suggestion.

4. Mrs. Nayany Sharma informed about ERP training for LMS module to all the coordinators and emphasized on strict adherence on taking students' attendance.

5. CRC team updated the members of IQAC about the conduction of Crash course for preparation and fine tuning of students for interviews and counter check resume of students in preparation for the placements.

6. Dr. D.K Mishra updated about the new integrated P. G. course Pharm D, which was applied for in Feb. 2023, and as per the protocols of PCI, it is expected that an inspection by PCI team would be conducted in few months. The chairman advised that the IIP faculty should prepare for inspection (Check labs, documents and equipment, chemicals, infrastructure).

7. Dr. Rekha Bisht briefed on the SIGs of the upcoming session for all batches and suggested faculties to identify additional SIG Program with certifications.

8. As per discussion in the previous 5<sup>th</sup> IQAC meeting on revision of CO-PO attainment, the subcommittee, suggested a new revised format for the CO-PO attainment and it was unanimously accepted by all members.

9. Expert/ Guest lectures are to be conducted in the areas of intellectual property rights (IPR), and research methodology. Expert speakers from the industry are to be invited for key note lectures.

10. Dr D.K Mishra briefed that for developing teamwork, collaboration, leadership skills and multifaceted development of the students, the following activities were conducted eg sports, social work blood donation, plantation, medical camp, awareness rally, healthcare scientific (Poster sessions, slogan competition, the role of pharmacist in healthcare system, debate), cultural Dazzle (musical instruments, poetry, dances and classical dances). Faculty coordinators and student coordinators conducted all these activities.

11. The exam committee prepared a result analysis (July-Dec 2022) and it was presented to the Principal and IQAC coordinator.

IIP/7074/22-23/IQAC

17.03.2023

**Subject:** Composition of IQAC for academic year 2022-23 as per guidelines of NAAC.

As per guidelines prescribed by UGC-NAAC, Delhi the following IQAC is constituted in the college with immediate effect –

Sr. no.	Name of the Member	Number of Members	Designation	Composition and Criterion Specified
1	Dr. Dinesh K. Mishra	1	Principal	Chairperson Head of the Institute
2	Dr. Gurmeet Chhabra Dr. Nadeem Farooqui Dr. Rekha Bisht Ms. Nayany Sharma Mr. Kuldeep Vinchurkar	5	Professor Associate Prof. Asstt. Prof.	Teachers' representative of all levels
3	Mr. Arun S. Bhatnagar	1	D.G./ Management Representative	One person from Management
4	Mr. Rajesh Bhandari Mr. Saurabh Shriwas Mr. Titu Singh	3	GM Finance HR Head Examination Controller	Few Senior Administrative Officers
5	Dr. Karunakar Shukla Mr. Huzefa Kachchawala Mr. Sourabh Chiuhan	3	Society Student Alumni	One nominee each from local society, students and alumni
6	Mr. Raj Khatri Mr. Pritam Siraskar Mr. Amiruddin Kachchawala	3	Employer Industrialist Parent	One nominee each from employers, Industrialist and stakeholder
7	Dr. Rupesh Gautam	1	Professor	Senior Teacher and as Director

Strategic plan for year 2023-2028

  
Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

## PROLOGUE

2023-2028

I am delighted to share our Vision, Mission and Strategy for 2023-2028.

Our vision is to deliver excellence in all our pursuits with focus on research, best practices in teaching, exceptional education and technical knowhow, excellent faculty and ethical behavior.

I expect all of you will be inspired to join our efforts and bring this plan to fruition.

According to my belief, colleges and Universities in 2028 will be judged not by the quality of education and their technical competencies, but how students shape up as good human beings while having wider identity and perception.

Vision Document of any institute is a roadmap or a path which will take the institute to its desired destination, keeping in view the requirements of students, faculty, society as well as our beloved country.

In continuation with our Vision 2028, IIP is now ready with the Vision, Mission and Strategic planning for 2028, for its future goal to establish as a center of academic excellence. We aim to provide forum to our students, to achieve their fullest potential in all aspects of their persona by recognizing their inherent strength. Thus, we intend to develop a professional eco-system to enhance their technical competence in their related programs.

Education can be conclusive or complete, if our education system attains twin objectives i.e., prepare the student to take care of his inner self as well as how to meet the expectations/challenges of outer world.

When we talk about inner self, it encompasses all three aspects: body mind and soul.

Education must bring tranquility, harmony, blissfulness, dutifulness towards society and nation, along with technical competence of highest order.

In other words, our endeavor is to prepare our students for better standard of living as well as better standard of life.

The objectives of the Vision Document 2028 have been aligned with National Education Policy 2020 to make our beloved mother land 'Atmanirbhar Bharat' and to reach our goal to make \$5 trillion economy.

Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

## **VISION DOCUMENT**

**2023-2028**

**"To be internationally recognized as a center of excellence in pharmacy education, assisting our students to be sound & industry ready to reach their maximum potentials. Thus, our students will be recognized and valued for their commitment for excellence, competence in the pharmaceutical field, and lifelong learning mind set coupled with high spiritual quotient, which will surely enable them to contribute effectively to mankind, nature and society at large."**

13

  
Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

## **MISSION**

**2023-2025**

1. To promote a sound interdisciplinary research eco system for achieving competencies in the pharmaceutical by establishing research centre.
2. To enhance employability, entrepreneurial and innovation quotient amongst the students to make them ready for industry 4.2/5.0 and as well as creative leaders.
3. To provide exceptional education in pharmacy and technical knowhow to students in their respective fields so that they can lead effectively and contribute for new drug development and innovations.
4. To develop an environment friendly, green campus equipped with state of art infrastructure and amenities.
5. To provide a sound eco system by recruiting highly qualified, talented and motivated faculty and retaining them by improving our internal mechanisms and support system.
6. To equip students with the technical AI skills to meet the futuristic challenges and demand of AI in healthcare industry.

  
Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

## STRATEGIC PLANNING

2023-2028

### 1. Strengthening our core philosophy

- To support meritorious and talented students regardless of their economic circumstances.
- To retain and to recruit exceptional, dedicated faculty and committed staff of Integrity.
- To emphasis on enhancing employability quotient with holistic development based on our Samra Samutkash Yojana.
- To impart most advance technical knowhow through our SIGs that incorporated the tenets of NEP 2020 and NSDC Skill India program, IIP shall organize various SIGs for all semesters;

I year – Microsoft Excel training by Industry Professionals

II year – Technical SIGs – Tableting Technology; GLP Expertise

III year – SIGs in Advanced areas – Clinical Trial data management and pharmacovigilance; Advanced Instrument handling techniques

IV year – SIGs for Industry readiness - Quality management systems; Pharmaceutical Marketing; Data analytics and basic statistics; 3D-printing; Herbal drug cultivation and manufacturing; Artificial Intelligence in Pharmacy Practice; Data Analytics, ML.

### 2. Establishment of Research Centre:

- To make strategic investment in research infrastructure.
- The basis of PG courses in Pharmacy is quality research. The institution is conducting PG programs in Pharmaceutics and Pharmaceutical Quality Assurance, which are the two core industrial programs tightly knit with applied research. PharmD course is approved by PCI and will commence from July 2024 session.

The Research Center at IIP shall focus on novel areas of drug delivery systems, analytical & bioanalytic method development, impurity profile bio-active isolation in Pharmaceutical Research that includes but shall not be limited to-

- 3D-printing of dosage forms.
- Use of nanotechnology to develop and optimize drug delivery systems.
- Provide platform for manufacturing and screening of novel drug delivery systems.

Center for sophisticated instruments in pharmaceutical research.

**3. Establishment of Incubation center in collaboration with MSME, Govt. of India.**

In line with the 'National Innovation and Start-up Policy 2019 for students and faculty in HEIs was launched by Former Minister of Education, Shri Ramesh Pokhriyal 'Nishank' on 11th September 2019 at AICTE, New Delhi; the institute has taken steps towards development of its own incubation center in collaboration with MSME, Govt. of India that shall:

- Initiate the process of ideation amongst its students
  - Provide a platform for students to learn the nitty-gritty of entrepreneurship.
  - Encourage students by providing financial resources for start-up initiation.
- 4. Ensuring a robust ecosystem to enable our students, faculty and staff to achieve excellence in all their endeavors.**
- 5. Enabling faculty and students to work across traditional boundaries by promoting multidisciplinary approach.**
- 6. Upgradation of laboratories with advanced technology.**

The power of Ideation and entrepreneurship amongst the students cannot be harnessed without state-of-the-art advanced laboratories. The thrust for laboratory developments at IIP includes labs like -

- Machine rooms - Core facility for drug manufacturing
- Instrument Room - Laboratory equipped with sophisticated analytical and accessory equipments for API characterization and analysis of dosage forms.

- Medicinal garden and Pharmacognosy laboratory – Facility for optimized herbal drug manufacturing and extraction technology development.
- Biotechnology, Microbiology and Pharmacology Lab – Facility for cell culture, callus culture and animal experimentation.

**7. More emphasis on industry academia relationship to bridge the gap.**

The vision of the institute is to produce competent industry professionals and hence industry relationship is priority at IIP. The nearby location of industrial area is favorably explored by the institution for frequent visits of its faculty and students.

The gap-bridging is done by organization of frequent industry visits, guest lectures and training workshops, Internship programs.

**8. MOUs/tie-ups with National and International Universities and research organizations.**

Competency building amongst students is achieved via functional MOUs with National and International Universities and research organizations NIPER, IIT, etc. conduct of SIG course from NIPER, IIM, IIT etc.

**9. Initiation of new courses in emerging areas like Pharm D and MBA Pharmaceutical Management (M. Pharm Bio-technology).**

Covid-19 has shifted the focus of Pharmacy industry from being a medicine provider to a healthcare provider and pharmacist is now looked upon as a key component of healthcare system and a frontrunner for the Covid-19 warrior spot.

To provide students with an opportunity to explore career as a healthcare professional, the institution has envisioned launching PG program in Pharm D and Pharmaceutical Management.

The current scenario shows students' inclination towards healthcare sector and may bring favorable outcomes for students pursuing both PG programs.

Principal  
Indore Institute of Pharmacy,  
INDORE (M.P.)

**10. Creation of the success stories of the students and alumni.**

"Nothing succeeds like success". Indeed, a budding pharmacist is always for a look out for inspiration to thrive in his ventures and bring into reality his ideation. Who other than his senior fellows would bear the torch?

The institute has created a registered society for Alumni of IIP and is delightfully providing a platform, where success stories can mingle and get shared between the group of enthusiastic budding pharmacists and their mentors. These efforts are continuously motivating students to do well in their careers.

**11. Faculty engagement in research and advanced learning in view of NEP.**

NEP has mandate for accreditation of all higher education institutions, and entrusts novel pedagogy, curriculum and academic flexibility to students. This is ensured only when faculty shall be engaged in research and advanced learning methods.

At IIP, this is ensured by a structured framework for teachers that provide a round the clock guidance to them to achieve their annual targets in research and learning comprising of participation in SWAYAM, NPTEL, MOOC courses not only as learners but also as mentors.

Research projects conduct, writing for grants, paper publications, paper presentation and patent filing workshop on IPR (Assocham-MSME platform). All these activities are promoted by the Research Promotion Policy Document, 2022 at IIP.

**12. Promotion of extension/out-reach activity through social connects.**

The NEP aims to create good human beings with high EQ and SQ. This can only be done if the student learns to connect to society and works for its betterment. These values shall be inculcated in students at IIP via platforms like NCC, NSS, Red cross, Rotary Club activities that will include spreading awareness of Govt. policies in the society and also shall help in creation of responsible citizen.

The Institute has adopted 'Sirsodi Village' where activities under IIC cell will be conducted (eg. health-camp in association with Choithram Hospital, Indore) & awareness program (educate girls child, hygiene & health-care etc.)

We will work collaboratively with all due humility with local panchayats, municipal corporations, district authorities; school to assist them in different ways like imparting quality education in village schools, advance technical support to higher secondary schools and work for sustainable development with authorities.

**13. Providing outstanding and affordable health care system for faculty, staff and students.**
