7.1.5 Green campus initiatives include;

(A) Restricted entry of automobiles:

To prevent huge vehicles from accidentally entering the campus, our institution established a **restriction on automobile admission**. Our college has a group of buses to transport many students from different places within the city and in suburban areas. This initiative helps in **reducing pollution and consumption of petrol**.

Our institution had provides restriction for entry of automobiles. Our institution has a big gate for vehicles, which is to be opened only during entry of vehicles and has a small entry for pedestrians. With this type of facility there is no chance of accidental entry of large vehicles in the campus with these Pedestrian friendly pathways.

(B) Bicycles/Battery powered vehicles for Pollution-Free Environment

As a step towards complete pollution-free environment in campus, bicycles are provided for use by boy's & girl's Hostel students to commute from Main gate to Hostel and to avoid two-wheelers movement inside campus.

Bicycles are also provided for faculties members and non-teaching staff.

The provisions for parking the cycles are provided both in the Main gate and also in the front gates for the benefit of the students.

(C) Pedestrian Friendly Pathways:

Roads inside campus are strictly prohibited for use of two-wheelers and four-wheelers except utility vehicles. The roads are fully used only for pedestrian purpose.

All vehicles should be **parked in the respective places** allotted by the security and they are not allowed to enter beyond the barricade placed at the entrance of the campus, unless if there is an emergency or special case.

(D) Ban on Use of Plastic:

A policy is in place to convert our campus into a **Plastic-free campus**. Within the context of our Green campus policy we commit to ban the use of plastics, to reduce the environmental impact of waste plastics. Usages of plastics are avoided in the canteen by serving the food in the steel plates.

(E) Landscaping with Trees and Plants

The campus had approx. 1500 trees in previous year and now in this year, institute has planted approx. 200 trees in the campus. Now the total number of trees in campus is approximately 1700 Nos.

Organic Vegetable garden is formed in open land space in Girl's Hostel area. The entire campus is dotted with trees, plants and lawns which are kept well maintained.

The 50 acres of lush green sprawling campus has well maintained greenery and biodiversity. Varieties of ornamental plants are grown with scientific methods of Horticulture. **Organic farming** is being practiced and crops & vegetables without chemicals are produced to supply in canteen.

- With 220 varieties of medicinal plants alongwith **15 Red listed Indigenous plants** Hence we have **biggest Dhanwantary Herbal garden in Madhya Pradesh.**
- We are also working on conservation of plants which are at the stage of Extinction from the forest of Madhya Pradesh.
- More than 1700 plants have been planted in the campus.
- The college maintains beautiful garden of decorative & flowering plants.
- Every year Plantation Drives are organized for newly admitted students.
- **Kalpriksha vatika** contains trees for biological diversity with Spiritual importance. The trees here are the shelter and food sources of various birds and squirrels.
- **Pragyan vatika** is shelter of Gir species of Cow and it is specially developed to promote the organic farming in our campus by using Cow urine and their Bio waste to produce bioorganic manure.
- The **Khus plantation** resides near channel helps in prevention of soils erosion during rainy season.
- The entire plantaion helps in lowering the temp. of campus during summer season upto 1-2^oC.

Report on World Environment Day Celebration

The world environment day is celebrated every year on 5th June to raise global awareness to take positive environmental action to protect nature and the planet earth. It is a day that reminds everyone on the planet to get involved in environment friendly activities. People come together to pledge towards building a greener planet. Keeping this aim in view, Indore Institute of Pharmacy, Indore celebrated World Environment Day on 5th of June 2023. Students of various batches from department participated and celebrated world environmental day enthusiastically. They were asked to plant a sapling to create a green corner. A lot of enthusiasm was seen in the students. The event was conducted successfully with whole hearted participation and awareness about plants.

Hon'ble DG Shri Arun S Bhatnagar was the chief guest of the program. Along with students, the Principal, faculty members of department also participated in the joyful event.
