7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

- India is a vast country with many languages, subcultures, religions and ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race and sex.
- Various faculties have always been in the practice of organizing activities that not
 only initiate but also motivate the students to adopt various practices that promote the
 "Unity in Diversity" of our motherland.
- The Green Initiative aims the competitiveness in the environmental space to allow
 the ability to go neutral on Greenhouse Gas emissions. The College ensures that the
 students participate very enthusiastically in all such activities.
- Indore Institute of Pharmacy sensitizes the students and the employees of the institution to the constitutional obligations about values, rights, duties and responsibilities of citizens which enables them to conduct as a responsible citizen.
- The vision of the institute is "To develop integrated manpower with right attitude,
 possessing knowledge and skills, required to make an honourable living and contribute to
 the socioeconomic development and welfare of the society". These elements are
 inculcated in the value system of the college community.
- The institute hoists the flag during national festivals and invites eminent persons to inspire students and staff by informing the qualities of freedom fighters and to emphasize the duties and responsibilities of citizens.
- The students are inspired by conducting various programs on culture, traditions, values, duties and responsibilities by inviting people from reputed institution etc. and healthy competitions are conducted among students.
- The personality development of the citizen in the aspects intellectual, mental, physical and spiritual is a rich heritage of our composite culture and is a panacea for all social ills. As an initiative of this, the institute conducts yoga, dance, music classes etc.
- The college establishes policies that reflect core values. Code of conduct is prepared
 for students and staff and every one should obey the conduct rules.
- The college curriculum is framed with mandatory courses like Professional ethics and human values, Constitution of India, Essence of Indian Traditional Knowledge as a small step to inculcate constitutional obligations among the students.

- National Nutrition Week (NNW) is observed annually by college in the month
 of September. This aims to raise awareness among people about the vital role of
 nutrition and the significance of cultivating healthy eating habit.
- The Institute also organize a blood donation camp where blood is collected by
 medical professionals from suitable donors of various blood groups for various
 recipients who are in dire need of blood for various medical conditions.
- Guest lectures are arranged by eminent personalities to deliver lectures on ethics, values, duties and responsibilities and on saving environment.
- The institute organized awareness program on "Traffic rules and regulations" to give guidelines to students on road safety awareness programme and to emphasize their responsibility of following rules.
- Ethical Values, rights, duties and responsibilities of citizens are some of the topics that are enlisted in Elocution, Debates or in Communication lab activities.
- NSS and NCC activities of our institution has the affinity for Philanthropic initiatives
 which include donation of time or resources to government, charities and
 organizations at local, national levels to help victims during natural disasters.
- The institute conducted awareness programs and rallies on ban on plastics, cleanliness, **Swachh Bharat** etc. involving students.
- On Orientation day and fresher's day a lecture has been conducted to speak about the duties and responsibilities of citizens and consequences of ragging.
 Institution has organized student centric activities like paper, poster & essay competition which have always received huge participation from the students and promoted their awareness about various aspects of Indian citizenship.

REPORT ON NATIONL NUTRITION WEEK 1st -7th SEPTEMBER 2022

On the occasion of National Nutrition Week 1st -7th September 2022, Awareness program in the adopted village and Poster Competition was planned. The approval for the same was taken immediately and preparations were started. Notice and circular were prepared and circulated among all the students.

Conception and Objective:

In India, the first week of September is celebrated as National Nutrition Week. The purpose of this week is to raise awareness among the general public about the value of healthy eating practices and proper nutrition for upholding a healthy lifestyle. A balanced diet and an active, healthy lifestyle are required for this. The government launches programmes to promote nutrition awareness throughout this week.

National Nutrition Week: Theme

Every year, as part of National Nutrition Week, the government also introduces a special theme that focuses primarily on that year's theme. Last year, the government announced this theme for the week - feeding smart right from start. The theme for this year is "Celebrate a World of Flavors".

National Nutrition Week: Significance

In order to keep this cycle under control, well-balanced and nutritious food is crucial. Nutrition is at the centre of our daily life.

The Food and Nutrition Board of the Government of India's Ministry of Women and Child Development organizes an annual week-long celebration of National Nutrition Week to inform people about this basic phenomenon. The importance and role of healthy diet in the human body are emphasized. A balanced diet full of essential nutrients is essential for healthy development and function. The Indian government has started programmes that emphasise good nutrition, wholesome food, and a healthy lifestyle.

Details of the Programme

To raise the awareness regarding importance and role of healthy diet and essential nutrients in the human body for healthy development and function Indore Institute of Pharmacy has celeberated National Nutrition Week (1st -7th September 2022). On 06/09/2022 Faculty Coordinators of Indore Institute of Pharmacy, Indore Mr. Rohit Sahu and Ms. Yashu Chourasia along with 25 students went to Government Primary School of Narlay Villagle to create awareness about nutritions in daily routine. School's Principal Mr. Mukesh Mishra and staff members were present in the program. Student coordinators made the school students aware about the importance of essential nutrition and healthy diet through speech, poetry, poster and game. At the end of the program fruits and biscuits were distributed to the students of the school.

Poster Competition was also organized at IIP on 7th Sept 2022 on the theme "World of Flavors". Students from different semester actively participated in the competition. Time limit was 60 minutes. Judges for the competition was Dr. Dinesh Kumar Mishra, Principal IIP and Dr. Rekha Bisht. Winner for Poster competition were Ayushi saxena (B.Pharm II year) and Sumit Naroliya (B.Pharm II year).

A Report on Gandhi Jayanti

Indore Institute of Pharmacy, Indore organized Cleanliness Drive under Swachh Bharat Swasth Bharat Abhiyaan Programme on the occasion of Gandhi Jayanti. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, all the students had to participate. Even teachers were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole campus. The sweepers of the institution had to be the observers.

Our Principal started the programme by cleaning the corners of the playground. Then the teachers and students followed suit. Some of us picked brooms and started our job. Some of the students did the dusting of the rooms and others went to the playground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for two to three hours, we all assembled in the seminar hall. There we were given refreshment.

Thereafter our Principal delivered the speech telling us the importance of sanitation. He also honored the sweepers of the institution for their noble job. In the end we all took oath of keeping our home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country forever.

REPORT ON NATIONAL CONSTITUTION DAY 2022

On the occasion of National Constitution Day, Pledge taking ceremony was organized at Indore institute of Pharmacy on 26th November 2022. The approval for the Pledge taking ceremony was taken and preparations were done accordingly. Notice and circular were also prepared and circulated among all the students.

Conception

National Constitution Day is commemorated every year on 26th November. The Indian Constitution came into effect on January 26, 1950. India celebrates Constitution Day or National Law Day, every year on November 26 as it marks the day the Indian Constitution was adopted by the Constituent Assembly in 1949.

It was in 2015 when the Government of India decided to establish November 26 as Constitution Day to advance "constitutional values among residents". The day was declared in the year which marked the 125th birth anniversary of Dr Bhimrao Ambedkar, the chairman of the Drafting Committee of the Constitution.

Objective

26th November is also known as National Law Day. The main aim of Constitution Day is to create awareness about the Constitution among the citizens of India and to propagate constitutional values.

The Preamble of the Constitution of India declares the country as a sovereign, socialist, secular and democratic republic and aims to secure justice, liberty, and equality for all citizens and promote fraternity to maintain the unity and integrity of the nation.

Details of the Programme

To create awareness about the Constitution among the citizens of India and to propagate constitutional values among all students and Faculties. Indore Institute of Pharmacy has organized National Constitution Day on 26th November 2022. A Pledge taking ceremony was organized. Students along with Faculties took pledge.

PHOTOS OF THE BLOOD DONATION CAMP.

A Blood donation camp was organized by our NSS unit through which more than 120 units of blood was donated by both students and the staff members of our college as a gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

The United Nations has proclaimed May 22 The International Day for Biological Diversity (IDB) to increase understanding and awareness of biodiversity issues. The main aim is to increase understanding and awareness of biodiversity issues. As the global community is called to reexamine our relationship to the natural world, one thing is certain: despite all our technological advances we are completely dependent on healthy and vibrant ecosystems for our water, food, medicines, clothes, fuel, shelter and energy, just to name a few. ince of Pharmacy. Principal

This involves respecting, protecting, and repairing our biological wealth.

Principal Institute of Pharmacy, DORE (M.P.)

Indore Institute of Pharmacy, INDORF (MP)

Objective:

Biological diversity is often understood in terms of the wide variety of plants, animals and unicroorganisms, but it also includes genetic differences within each species — for example, between varieties of crops and breeds of livestock — and the variety of ecosystems (lakes, forest, deserts, agricultural landscapes) that host multiple kind of interactions among their members. Biological diversity resources are the pillars upon which we build civilizations. But loss of biodiversity threatens all, including our health. It has been proven that biodiversity loss could expand zoonoses - diseases transmitted from animals to humans- while, on the other hand, if we keep biodiversity intact, it offers excellent tools to fight against pandemics like those caused by coronaviruses. Given the importance of public education and awareness about this issue, the UN decided to celebrate the International Day for Biological Diversity annually.

REPORT ON WORLD ENVIRONMENT DAY

Event: World Environment Day

Date: 05/06/2023

Venue: Herbal Garden, Indore Institute of Pharmacy, Indore

World Environment Day (WED) is celebrated annually on 5 June and encourages awareness and action for protection of the environment. It is supported by many non-governmental organizations, businesses, government entities, and represents the primary United Nations outreach day supporting the environment.

First held in 1973, it has been a platform for raising awareness on environmental issues as plastic pollution, marine pollution, over population, global warming, sustainable development and wild-life crime. World Environment Day is a global platform for public outreach. The theme of world environment day, 2023 is "solution for plastic pollution".

Indore Institute of Pharmacy has organized World Environment Day on 05/06/2023 at Herbal Garden, IIP. Plantation drive was organized to celebrate the event. 50 saplings were planted by faculty, students and nonteaching staff.

The event was inaugurated by Shri Arun S. Bhatnagar, Director General, IIST/IIP/IIMR. In the event oath emony was also conducted for 'one millet meal each day' to promote millet use by the people to stay healthy. Shri Bhatnagar briefed the gathering about the importance of millet in our daily meal. Dr. Dinesh Kumar Mishra, Principal Indore Institute of Pharmacy delivered the vote of thanks.

The event was successfully coordinated by Dr. Praveen Sharma (Event Coordinator) and Dr. Pritesh Paliwal (NSS Coordinator). Faculty, non-teaching staff and students participated and coordinated each activity enthusiastically.

REPORT

Date: 07 June 2023

Name of Coordinator: Ms. Nayany Sharma

Name of volunteers: Ms. Ankita Bhadoriya.

World Food Safety Day (WFSD) celebrated on 7 June 2023 aims to draw attention to food standards. Foodborne diseases affect 1 in 10 people worldwide each year, and food standards help us to ensure what we eat is safe.

This year's theme was, "Food standards save lives", drawing attention and inspiring action to help prevent, detect, and manage foodborne risks, contributing to food security, human health, economic prosperity, agricultural production, market access, tourism, and sustainable development.

Food safety is a shared responsibility between governments, producers, and consumers. Everyone has a role to play from farm to table to ensure the food we consume is safe and healthy. Through World Food Safety Day, WHO works to mainstream food safety in the public agenda and reduce the burden of foodborne diseases globally. Food safety is everyone's business. Indore Institute of Pharmacy, Indore organized a poster-making competition to celebrate and create awareness of Food Safety and the right eating. The participants had shown their imagination through posters. The judge for the event was Dr. Dinesh Kumar Mishra, Principal Indore Institute of Pharmacy, Indore. Various senior faculty members also visited the competition and encouraged the participants. The winners were as follows:

Winner: Mr. Sumit Naroliya B. Pharm IV Sem

Runner up: Ms. Mahak Verma B. Pharm II Sem

Consolation prizes were given to all the participants.

The event was the result of motivation by Shri Arun S. Bhatnagar, Director General IIST-IIP-IIMR
